

§ 950.105

5 CFR Ch. I (1–11 Edition)

Federal agencies shall provide procedures and assign responsibility for the investigation of such complaints. Personnel offices shall be responsible for informing employees of the proper channels for pursuing such complaints.

(14) Ensuring the PCFO does not use the services of consulting firms, advertising firms or similar business organizations to perform the policy-making or decisionmaking functions in the CFC. A PCFO may, however, contract with entities or individuals such as banks, accountants, lawyers, and other vendors of goods and/or services to assist in accomplishing its administrative tasks.

(15) Ensuring that the activities and functions required of the PCFO are kept separate from any non-CFC operations of the organization. The LFCC must verify that the PCFO keeps and maintains CFC financial records and interest bearing bank accounts separate from the PCFO's non-CFC financial records and bank accounts.

(18) Determining whether each local federation, federation member, and unaffiliated organization that applies to participate in the local campaign has completed the sanctions compliance certification required pursuant to §950.605. The LFCC must deny participation to any federation or organiza-

tion that has not completed the sanctions compliance certification.

(c) The LFCC must select a PCFO to act as its fiscal agent and campaign coordinator on the basis of presentations made to the LFCC as described in §950.105(c). The LFCC may, in its discretion, select a PCFO to serve in that role for up to three campaign periods, subject to renewal each year following a review of performance as defined in §950.105. The LFCC must consider the capacity of the organization to manage an efficient and effective campaign, its history of public accountability, use of funds, truthfulness and accuracy in solicitations, and sound governance and fiscal management practices as the primary factors in selecting a PCFO. The LFCC must solicit applications on a competitive basis for the PCFO no later than a date to be determined by OPM and, if the LFCC exercises discretion to enter into a multi-year arrangement, upon completion of the multi-year term. The LFCC shall solicit applications via outreach activities including: Public notice in newspapers, postings on Web sites, advertising in trade journals, dissemination among participating CFC organizations and federations, and/or outreach through local or state nonprofit associations and training centers, among others. The PCFO application period must be open a minimum of 21 calendar days. Costs incurred for soliciting applications must be added to the PCFO budget as an administrative cost.

The PCFO may absorb the costs associated with conducting the campaign from its own funds and be reimbursed, or obtain a commercial loan to pay for costs associated with conducting the campaign. If the commercial loan option is used, the amount of a reasonable rate of interest is an allowable campaign expense, subject to the approval of the LFCC when the PCFO budget is submitted.

5 CFR Ch. I (1-1-11 Edition)

§ 950.107 Lack of a qualified PCFO.

There is no authority in statute or regulation for an LFCC or any Federal official or employee to assume the duties and responsibilities of the PCFO. In the event that there is no qualified PCFO, the LFCC Chairman will promptly inform the Director in writing. The Director will assist the LFCC in merging the campaign with an adjacent campaign that has a qualified PCFO or identifying an eligible organization to function as the campaign's PCFO. If the LFCC's of the adjacent campaigns elect not to merge and a qualified PCFO cannot be found, the local CFC will be canceled. No workplace solicitation of any Federal employee in the campaign area is authorized and payroll allotments cannot be accepted and honored during the duration of the cancellation of the CFC.

§ 950.108 Preventing coercive activity.

True voluntary giving is fundamental to Federal fundraising activities. Actions that do not allow free choices or create the appearance employees do not have a free choice to give or not to give, or to publicize their gifts or to keep them confidential, are contrary to Federal fundraising policy. Activities contrary to the non-coercive intent of Federal fundraising policy are not permitted in campaigns. They include, but are not limited to:

(a) Solicitation of employees by their supervisor or by any individual in their supervisory chain of command. This does not prohibit the head of an agency to perform the usual activities associated with the campaign kick-off and to demonstrate his or her support of the CFC in employee newsletters or other routine communications with the Federal employees.

(b) Supervisory inquiries about whether an employee chose to participate or not to participate or the amount of an employee's donation. Supervisors may be given nothing more than summary information about the major units that they supervise.

(c) Setting of 100 percent participation goals.

(d) Establishing personal dollar goals and quotas.

(e) Developing and using lists of non-contributors.
