**§ 1312.9 Downgrading and declassification.**

Classified information originated by OMB offices will be downgraded or declassified as soon as it no longer qualifies for continued protection under the provisions of the classification guides. Information which has been transferred to another agency for storage purposes remains the responsibility of OMB.

(b) *Periodic review of classified material.* Each office possessing classified material will review that material on an annual basis or in conjunction with the transfer of files to non-current record storage and take action to downgrade or declassify all material no longer qualifying for continued protection at that level. All material transferred to non-current record storage must be properly marked with correct downgrade and declassification instructions.

**§ 1312.10 Systematic review guidelines.**

The EOP Security Officer will prepare and keep current such guidelines as are required by Executive Order 12958 for the downgrading and declassification of OMB material that is in the custody of the Archivist of the United States.

Employees are also encouraged to question or to challenge those classifications they believe to be improper, unnecessary, or for an inappropriate time. Such questions or challenges may be addressed to the originator of the classification, unless the challenger desires to remain anonymous, in which case the question may be directed to the EOP Security Officer.

**§ 1312.12 Security Program Review Committee.**

The Associate Director (or Assistant Director) for Administration will chair the OMB Security Program Review Committee, which will act on suggestions and complaints about the OMB security program.
