§ 1651.8 Participant’s estate.

If the account is to be paid to the duly appointed executor or administrator of the participant’s estate under §1651.2(a)(5), the following rules apply:

(a) Appointment by court. The executor or administrator must provide documentation of court appointment.

(b) Appointment by operation of law. If state law provides procedures for handling small estates, the Board will accept the person authorized to dispose of the assets of the deceased participant under those procedures as a duly appointed executor or administrator. Documentation which demonstrates that the person is properly authorized under state law must be submitted to the TSP record keeper.

§ 1651.9 Participant’s next of kin.

If the account is to be paid to the participant’s next of kin under §1651.2(a)(6), the next of kin of the participant will be determined in accordance with the state law of the participant’s domicile at the time of death.

§ 1651.10 Deceased and non-existent beneficiaries.

(a) Designated beneficiary dies before participant. The share of any designated beneficiary who predeceases the participant will be paid pro rata to the participant’s other designated beneficiary or beneficiaries. If no designated beneficiary survives the participant, the account will be paid according to the order of precedence set forth in §1651.2(a).

(b) Trust designated as beneficiary but not in existence. If a participant designated a trust or other entity as a beneficiary and the entity does not exist on the date of the participant’s death, or is not created by will or other document that is effective upon the participant’s death, the amount designated to the entity will be paid in accordance with the rules of paragraph (a) of this section, as if the trust were a beneficiary that predeceased the participant.

(c) Non-designated beneficiary dies before participant. If a beneficiary other than a beneficiary designated on a TSP designation of beneficiary form dies before the participant, the beneficiary’s share will be paid equally to other living beneficiaries bearing the same relationship to the participant as the deceased beneficiary. However, if the deceased beneficiary is a child of the participant, payment will be made to the deceased child’s descendants, if any. If there are no other beneficiaries bearing the same relationship or, in the case of children, there are no descendants of deceased children, the deceased beneficiary’s share will be paid to the person(s) next in line according to the order of precedence.

(d) Beneficiary dies after participant but before payment. If a beneficiary dies after the participant, the beneficiary’s share will be paid to the beneficiary’s estate. A copy of a beneficiary’s certified death certificate is required in order to establish that the beneficiary has died, and when.

§ 1651.11 Simultaneous death.

If a beneficiary dies at the same time as the participant, the participant will be treated as if he or she predeceased the participant and the account will be paid in accordance with §1651.10. The same time is considered to be the same hour and minute as indicated on a death certificate. If the participant and beneficiary are killed in the same event, death is presumed to be simultaneous, unless evidence is presented to the contrary.

§ 1651.12 Homicide.

If the participant’s death is the result of a homicide, a beneficiary will not be paid as long as the beneficiary is under investigation by local, state or Federal law enforcement authorities as a suspect. If the beneficiary is implicated in the death of the participant and the beneficiary would be precluded from inheriting under state law, the beneficiary will not be entitled to receive any portion of the participant’s account. The Board will follow the state law of the participant’s domicile as that law is set forth in a civil court judgment (that, under the law of the state, would protect the Board from double liability or payment) or, in the
