§ 21.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (the Act) to the end that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of,

or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Homeland Security. The provisions established by this part shall be effective for all components of the Department, including all Department components that are transferred to the Department, except to the extent that a Department component already has existing title VI regulations.

§21.3 Application.

(a) This part applies to any program for which Federal financial assistance is authorized under a law administered by the Department, including the types of Federal financial assistance listed in appendix A to this part. It also applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved before that effective date. This part does not apply to:

- (1) Any Federal financial assistance by way of insurance or guaranty contracts;
- (2) Money paid, property transferred, or other assistance extended before the effective date of this part, except where such assistance was subject to the title VI regulations of any agency whose responsibilities are now exercised by this Department;
- (3) Any assistance to any individual who is the ultimate beneficiary; or
- (4) Any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in §21.5(c). The fact that a type of Federal financial assistance is not listed in appendix A to this part shall not mean, if title VI of the Act is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereinafter enacted may be added to appendix A to this part.

(b) In any program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under any such property are included as part of the program receiving that assistance, the nondiscrimination require-

ment of this part shall extend to any facility located wholly or in part in that space.
