has been lifted or is no longer in effect, in most cases collection activity against the debtor must stop immediately. The agency should take the following steps:

(1) After seeking legal advice, a proof of claim must be filed in most cases with the bankruptcy court or the Trustee. Agencies shall refer to the provisions of 11 U.S.C. 106 relating to the consequences on sovereign immunity of filing a proof of claim.

(2) If the agency is a secured creditor, it may seek relief from the automatic stay regarding its security, subject to the provisions and requirements of 11 U.S.C. 362.

(3) Offset is stayed in most cases by the automatic stay. However, agencies may seek legal advice from OGC to determine whether their payments to the debtor and payments of other agencies available for offset may be frozen by the agency until relief from the automatic stay can be obtained from the bankruptcy court. Agencies also may seek legal advice from OGC to determine whether recoupment is available.

### § 3.12 Reporting of consumer debts.

(a) *Notice.* In demand letters to debtors sent in accordance with § 3.11, agencies shall inform debtors:

(1) The intent of the agency to report the delinquent consumer debt to credit reporting agencies after 60 days;

(2) The specific information to be transmitted (*i.e.*, name, address, and taxpayer identification number, information about the debt);

(3) The actions which may be taken by the debtor to prevent the reporting (*i.e.*, repayment in full or a repayment agreement); and

(4) The rights of the debtor to seek review of the existence of the debt in accordance with subpart F.

(b) *Disclosure.* Disclosure of delinquent consumer debts must be consistent with the requirements of 31 U.S.C. 3711(e), the Privacy Act of 1974 (5 U.S.C. 552a), the Bankruptcy Code, and 31 CFR 901.4.

(c) *Non-duplication of hearings.* When an agency has given a debtor any of the notices required by this part and an opportunity for administrative review under subpart F, the agency need not duplicate such notice and review oppor-

tunities before reporting the delinquent debt to credit bureaus.

(d) *Stay of disclosure.* Agencies shall not disclose a delinquent debt to a credit reporting agency if a debtor requests review under subpart F until a final determination is made by a reviewing official that upholds the agency intent to disclose.

(e) *Commercial debt.* The requirement of this section does not apply to commercial debts, although agencies should report commercial debts to commercial credit bureaus.

### § 3.13 Contracting with private collection contractors and with entities that locate and recover unclaimed assets. [Reserved]

### § 3.14 Suspension or revocation of eligibility for loans and loan guarantees, licenses, permits, or privileges.

(a) Agencies are not permitted to extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person delinquent on a nontax debt owed to a Federal agency, except as otherwise authorized by law or upon waiver of application of this section by the USDA Chief Financial Officer (CFO) or Deputy CFO. This prohibition does not apply to disaster loans. Agencies may extend credit after the delinquency has been resolved. The Secretary of the Treasury may exempt classes of debts from this prohibition and has prescribed standards defining when a "delinquency" is "resolved" for purposes of this prohibition. *See* 31 CFR 285.13 (Barring Delinquent Debtors From Obtaining Federal Loans or Loan Insurance or Guarantees).

(b) Similarly, agencies also are not permitted to extend financial assistance (either directly or indirectly) in the form of grants, loans, or loan guarantees to judgment debtors who have a judgment lien placed against their property until the judgment is satisfied, unless the agency grants a waiver in accordance with agency regulations. *See* 31 U.S.C. 3201(e).

(c) In non-bankruptcy cases, agencies seeking the collection of statutory penalties, forfeitures, or other types of claims must consider the suspension or revocation of licenses, permits, or other privileges for any inexcusable or willful failure of a debtor to pay such a

debt in accordance with the agency's regulations or governing procedures. The debtor shall be advised in the agency's written demand for payment of the agency's ability to suspend or revoke licenses, permits, or privileges.

(d) Any agency making, guaranteeing, insuring, acquiring, or participating in, loans must consider suspending or disqualifying any lender, contractor, or broker from doing further business with the agency or engaging in programs sponsored by the agency if such lender, contractor, or broker fails to pay its debts to the government within a reasonable time or if such lender, contractor, or broker has been suspended, debarred, or disqualified from participation in a program or activity by another Federal agency. Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overrun payments, but not including sums owed to the government under the Internal Revenue Code) owed to any Federal agency or instrumentality is grounds for nonprocurement suspension or debarment if the debt is uncontested and the debtor's legal administrative remedies for review of the debt are exhausted. *See* 7 CFR 3017.305(c)(3) and 405(a)(2).

(e) The failure of any surety to honor its obligations in accordance with 31 U.S.C. 9305 shall be reported to Treasury. Treasury will forward to all interested agencies notification that a surety's certificate of authority to do business with the government has been revoked.

(f) The suspension or revocation of licenses, permits, or privileges also may extend to USDA programs or activities that are administered by the States on behalf of the government, to the extent that they affect the government's ability to collect money or funds owed by debtors. Therefore, States that manage USDA activities, pursuant to approval from the agencies, shall ensure that appropriate steps are taken to safeguard against issuing licenses, permits, or privileges to debtors who fail to pay their debts to the government.

(e) In bankruptcy cases, before advising the debtor of an agency's intention to suspend or revoke licenses, permits, or privileges, agencies may seek legal

advice from OGC concerning the impact of the Bankruptcy Code, particularly 11 U.S.C. 362 and 525, which may restrict such action.

#### § 3.15 Liquidation of collateral.

(a) In accordance with applicable statutes and regulations, agencies may liquidate security or collateral through a sale or a nonjudicial foreclosure, and apply the proceeds to the applicable debt(s), if the debtor fails to pay the debt(s) within a reasonable time after demand and if such action is in the best interest of the United States. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety, insurer, or guarantor unless such action is expressly required by statute or contract.

(b) When an agency learns that a bankruptcy petition has been filed with respect to a debtor, the agency may seek legal advice from OGC concerning the impact of the Bankruptcy Code, including, but not limited to, 11 U.S.C. 362, to determine the applicability of the automatic stay and the procedures for obtaining relief from such stay prior to proceeding under paragraph (a) of this section.

#### § 3.16 Collection in installments.

(a) Whenever feasible, agencies shall collect the total amount of a debt in one lump sum. If a debtor is financially unable to pay a debt in one lump sum, agencies may accept payment in regular installments. Agencies shall obtain financial statements from debtors who represent that they are unable to pay in one lump sum and independently verify such representations whenever possible (*see* 31 CFR 902.2(g) for methods of verification). Agencies that agree to accept payments in regular installments shall obtain a legally enforceable written agreement from the debtor that specifies all terms of the arrangement and that contains a provision accelerating the debt in the event of default.

(b) The size and frequency of installment payments shall bear a reasonable relation to the size of the debt and the debtor's ability to pay. If possible, the
