

§ 6.34

shall be made by certified check or money order payable to the Treasurer of the United States. Fee payments, if made electronically, shall be made utilizing the electronic software designated for the purpose by the Licensing Authority.

(c) If the license fee is not paid by the final payment date, a hold will be placed on the use of the license and no articles will be permitted entry under that license. The Licensing Authority shall send a warning letter by certified mail, return receipt requested, advising the licensee that if payment is not mailed in accordance with § 6.36(b) or received within 21 days from the date of the letter, that the license will be revoked. Where the license at issue is a historical license, this will result, pursuant to § 6.23(b), in the person's loss of historical eligibility for such license.

(d) Licensees may elect not to accept certain licenses issued to them; however, the Licensing Authority must be so notified by mail or electronic e-mail, postmarked or electronically submitted in accordance with § 6.36(b) no later than May 1 of the year for which the license is issued.

§ 6.34 Adjustment of Appendices.

(a) Whenever a historical license (Appendix 1) is not issued to an applicant pursuant to the provisions of § 6.23, is permanently surrendered or is revoked by the Licensing Authority, the amount of such license will be transferred to Appendix 2.

(b) The cumulative annual transfers to Appendix 2 made in accordance with paragraph (a) will be published in the FEDERAL REGISTER. If a transfer results in the addition of a new article, or an article from a country not previously listed in Appendix 2, the Licensing Authority shall afford all eligible applicants for that quota year the opportunity to apply for a license for such article.

§ 6.35 Correction of errors.

(a) If a person demonstrates, to the satisfaction of the Licensing Authority, that errors were made by officers or employees of the United States Government, the Licensing Authority will

7 CFR Subtitle A (1-1-11 Edition)

review and rectify the errors to the extent permitted under this subpart.

(b) To be considered, a person must provide sufficient documentation regarding the error to the Licensing Authority by letter, postmarked not later than August 31 of the calendar year following the calendar year in which the error was alleged to have been committed.

(c) If the error resulted in the loss of a historical license by a license holder, the Licensing Authority will transfer the amount of such license from Appendix 2 to Appendix 1 in order to provide for the issuance of such license in the calendar year following the calendar year for which the license was revoked. The cumulative annual transfers to Appendix 1 in accordance with this paragraph will be published in the FEDERAL REGISTER.
