7 CFR Ch. XI (1-1-11 Edition)

(e) In a case where a producer sells cattle as part of a custom slaughter operation, the producer shall be the collecting person in the same manner as if the cattle were slaughtered for sale.

(f)(1) In lieu of each person making a payment to a producer for cattle purchased in the United States, producers are provided the option in accordance with this paragraph (f) to remit the assessment to the QSBC in the State in which the producer resides. A producer who transports, prior to sale, cattle of that producer's own production to another State, may elect to make a directed payment of the \$1-per-head assessment in advance to the QSBC in the State in which the producer resides, provided that the producer fulfills the following requirements:

(i) Transports the cattle under retained ownership to a feedlot or similar location, and the cattle remain at such location, prior to sale, for a period not less than 30 days; and

(ii) The producer, either before or at the time of transport, signs a Certification of Producer Directed Payment of Cattle Assessments form indicating that the assessment has been paid in advance, and remits the assessment to the appropriate QSBC. A copy of the certification form indicating the payment of the assessment shall be sent by the producer with the assessment when remitted to the QSBC. The producer also shall send a copy of the certification form to the feedlot operator at the time the cattle are delivered. A copy of the certification form also shall be given to the purchaser of the cattle by the feedlot operator at the time of sale.

(2) The certification form will include the following information:

(i) Producer's Name.

(ii) Producer's social security number or Tax I.D. number.

(iii) Producer's address (street address or P.O. Box, city, State, and zip code).

(iv) Signature of Producer.

(v) Producer's State of residence.

(vi) Number of cattle shipped to out of State feedyard under retained ownership.

(vii) Date cattle shipped.

(viii) State where cattle will be on feed.

(ix) Name of feedyard.

(x) Address of feedyard.

(3) Cattle of a producer's own production shall be those cattle which meet all of the following requirements:

(i) The cattle shall be offspring of a producer's own cow herd;

(ii) The cattle shall have been continuously and exclusively under the producer's ownership; and

(iii) The cattle are transported to a feedlot with such producer continuously owning the cattle through the entire feeding phase.

(4) For those cattle for which the assessment has been producer directed and paid in advance pursuant to paragraph (f)(1) of this section, the purchaser of the cattle shall not be required to collect and remit the assessment, but shall maintain on file a copy of the Certification of Producer Directed Payment of Cattle Assessments form completed and signed by the producer who originally transported the cattle under retained ownership.

(5) For those cattle for which the assessment has been producer directed and paid in advance pursuant to paragraph (f)(1) of this section, copies of the completed Certification of Producer Directed Payment of Cattle Assessments form shall be maintained on file by the producer, the QSBC or the Board, the feedlot operator, and the purchaser of the cattle for 3 years.

(6) Producers shall not receive credit of the assessment required to be paid pursuant to paragraph (f)(1) of this section for those cattle lost because of death.
