Commodity Credit Corporation, USDA

§ 1412.33 Payment yield for counter-cyclical payments for covered commodities.

The counter-cyclical payment yield for covered commodities on the farm will be equal to the counter-cyclical payment yield established for the covered commodity on the farm that was effective September 30, 2007. Counter cyclical payment yields for designated oilseeds or eligible pulse crops for which direct payment yields were not established as of September 30, 2007, will be equal to the direct payment yield established in accordance with §§1412.32 or 1412.34, as applicable.

§ 1412.34 Submitting production evidence for establishing direct payment yields for oilseeds and pulse crops.

(a)(1) Reports of production evidence must be submitted when the owner elects to establish a direct payment yield for designated oilseeds for which a yield was not established by September 30, 2007, and pulse crops for the farm in accordance with §1412.32.

(2) Producer or third-party certification will not be accepted as proof of production evidence.

(3) Reports of production evidence for designated oilseeds for which a yield was not established by September 30, 2007, and for pulse crops must be provided to the county committee of the county where the farm is administratively located, by farm and crop in such manner as required by CCC on a CCC-approved standard, uniform form designated by CCC.

(b)(1) When disposition of production has been through commercial channels, CCC may require the producer to furnish documentary evidence in order to verify the information provided on the report of production. Acceptable evidence may include, but is not limited to, such items as:

(i) Production approved by the county committee for Loan Deficiency Payments;

(ii) Commercial receipts;

(iii) Settlement sheets;

(iv) Warehouse ledger sheets;

(v) Elevator receipts or load summaries, supported by other evidence showing disposition, such as sales documents;

(vi) Evidence from harvested or appraised acreage, approved for FCIC or multi-peril crop insurance loss adjustment settlement; or

(vii) Other production evidence determined acceptable by the Deputy Administrator.

(2) Such production evidence must show:

(i) The producer’s name,

(ii) The commodity,

(iii) The buyer or name of storage facility,

(iv) The date of transaction or delivery, and

(v) The quantity.

(c) When production of a designated oilseed for which a yield was not established by September 30, 2007, and pulse crops has been disposed of through non-commercial channels, then 75 percent of the county average yield as determined in accordance with §1412.32(b)(4) will be used.

(d) CCC may verify the production evidence submitted with records on file at the warehouse, gin, or other entity which received or may have received the reported production.

§ 1412.35 Incorrect or false production evidence of oilseeds and pulse crops.

(a) If production evidence submitted in accordance with §1412.34 is false or incorrect, as determined by the county committee, the county committee will determine whether the owner or producer submitting the production evidence for a farm acted in good faith or took action to defeat the purpose of the program.

(b)(1) If the county committee determines the production evidence submitted is false, incorrect, or unacceptable, and the owner or producer who submitted the evidence did not act in good faith or took any action to defeat or undermine the purpose of the program, the county committee will:

(i) Require a refund of all direct and counter-cyclical payments earned for the farm for the first year such payments were made;

(ii) For designated oilseeds or pulse crops, reduce both the direct and counter-cyclical payment yields to 75
