

Commodity Credit Corporation, USDA

§ 1491.21

(1) The location of a parcel in an area zoned for agricultural use;

(2) The performance of an entity experience in managing and enforcing easements. Performance must be measured by the closing efficiency or percentage of monitoring that is reported. Years of an entity's existence shall not be used as a ranking factor;

(3) Multifunctional benefits of farm and ranch land protection including social, economic, historical and archaeological, and environmental benefits;

(4) Geographic regions where the enrollment of particular lands may help achieve National, State, and regional conservation goals and objectives, or enhance existing government or private conservation projects;

(5) Diversity of natural resources to be protected;

(6) Score in the Land Evaluation and Site Assessment (LESA) system. This score serves as a measure of agricultural viability (access to markets and infrastructure);

(7) Existence of a farm or ranch succession plan or similar plan established to encourage farm viability for future generations; and

(8) Landowner willingness to allow public access for recreational purposes.

(h) State ranking criteria will be developed on a State-by-State basis. The State Conservationist will make available a full listing of applicable National and State ranking criteria.

Subpart B—Cooperative Agreements and Conservation Easement Deeds

§ 1491.20 Cooperative agreements.

(a) NRCS, on behalf of CCC, shall enter into a cooperative agreement with those entities selected for funding. Once a proposal is selected by the State Conservationist, the entity must work with the State Conservationist to finalize and sign the cooperative agreement, incorporating all necessary FRPP requirements. The cooperative agreement must address:

(1) The interests in land to be acquired, including the United States' right of enforcement as well as the form and other terms and conditions of the easement deed;

(2) The management and enforcement of the rights on lands acquired with FRPP funds;

(3) The responsibilities of NRCS;

(4) The responsibilities of the eligible entity on lands acquired with FRPP funds;

(5) The allowance of parcel substitution upon mutual agreement of the parties; and

(6) Other requirements deemed necessary by NRCS to meet the purposes of this part or protect the interests of the United States.

(b) The term of cooperative agreements shall be a minimum of five years for certified entities and three years for other eligible entities.

(c) The cooperative agreement shall also include an attachment listing the parcels accepted by the State Conservationist. This list shall include landowners' names and addresses, acreage, the estimated fair market value, the estimated Federal contribution, and other relevant information. An example of a cooperative agreement shall be made available by the State Conservationist.

§ 1491.21 Funding.

(a) Subject to the statutory limits, the State Conservationist, in coordination with the cooperating entity, shall determine the NRCS share of the cost of purchasing a conservation easement or other interest in the land.

(b) NRCS may provide up to 50 percent of the appraised fair market value of the conservation easement, as determined in §1491.4(g). An entity shall share in the cost of purchasing a conservation easement in accordance with the limitations of this part.

(c) A landowner may make donations toward the acquisition of the conservation easement.

(d) The entity must provide a minimum of 25 percent of the purchase price of the conservation easement.

(e) FRPP funds may not be used for expenditures such as appraisals, surveys, title insurance, legal fees, costs of easement monitoring, and other related administrative and transaction costs incurred by the entity.

(f) If the State Conservationist determines that the purchase of two or more
