(a) The Rural Electrification Administration (REA) was established by Executive Order No. 7037 on May 11, 1935. Statutory authority was provided by the Rural Electrification Act of 1936 (RE Act) (7 U.S.C. 901). The RE Act established REA as a lending agency with responsibility for developing a program for rural electrification.

(b) On October 28, 1949, the RE Act was amended to authorize REA to

make loans to improve and extend telephone service in rural areas. The Rural Telephone Bank (RTB), an agency of the United States, was established by amendment to the RE Act, approved May 7, 1971. The Administrator of RUS serves as the Bank's chief executive with the title of Governor.

(c) The Secretary of Agriculture (Secretary) established the Rural Utilities Service (RUS) on October 20, 1994, pursuant to the Department of Agriculture Reorganization Act of 1994, (7 U.S.C. 6941 *et seq.*). RUS was assigned responsibility for administering electric and telecommunications loan and loan guarantee programs previously administered by REA, including programs of the Rural Telephone Bank (RTB), and water and waste loans and grants previously administered by the Rural Development Administration, along with other functions as the Secretary determined appropriate.
