

§ 1735.14

(2) The nonrural area had a population of 5,000 or less when first financed by RUS and that financing was approved on or after November 1, 1993.

[54 FR 13351, Apr. 3, 1989. Redesignated at 55 FR 39395, Sept. 27, 1990, as amended at 58 FR 66253, Dec. 20, 1993]

§ 1735.14 Borrower eligibility.

(a) RUS makes loans to:

(1) Entities providing, or who may hereafter provide, telephone service in rural areas;

(2) Public bodies providing telephone service in rural areas as of October 28, 1949; and

(3) Cooperative, nonprofit, limited dividend or mutual associations.

(b) RUS does not make loans to individuals.

(c) RUS gives preference to those borrowers (including initial loan applicants) already providing telephone service in rural areas, and to cooperative, nonprofit, limited dividend, or mutual associations. To be eligible for a loan, a borrower:

(1) Must have sufficient authority to carryout the purposes of the RE Act; and

(2) Must be incorporated or a limited liability company.

[58 FR 66253, Dec. 20, 1993, as amended at 64 FR 50429, Sept. 17, 1999; 65 FR 42619, July 11, 2000]

§ 1735.15 Civil rights.

Borrowers are required to comply with certain regulations on non-discrimination and equal employment opportunity. See RUS Bulletin 320-19 and RUS Bulletin 320-15, respectively.

§ 1735.16 Minimum loan amount.

Recognizing plant costs, the borrower's cost of system design, and RUS's administrative costs, RUS will not consider applications for loans of less than \$50,000.

§ 1735.17 Facilities financed.

(a) RUS makes hardship and guaranteed loans to finance the improvement, expansion, construction, acquisition, and operation of systems or facilities (including station apparatus owned by the borrower, headquarters facilities, and vehicles not used primarily in con-

7 CFR Ch. XVII (1-1-11 Edition)

struction) to furnish and improve telephone service in rural areas, except as noted under paragraph (c) of this section.

(b) RUS makes concurrent RUS cost-of-money and RTB loans to finance the improvement, expansion, construction, and acquisition of systems or facilities (excluding station apparatus owned by the borrower, headquarters facilities, and vehicles not used primarily in construction) to furnish and improve telephone service in rural areas, except as noted under paragraph (c) of this section.

(c) RUS will not make any type of loan to finance the following items:

(1) Station apparatus (including PBX and key systems) not owned by the borrower and any associated inside wiring;

(2) Certain duplicative facilities, see § 1735.12;

(3) Facilities to provide service other than 1-party; and

(4) System designs or facilities to provide service that cannot withstand or are not designed to minimize damage caused by storms and other natural catastrophes, including, but not limited to hurricanes, floods, tornadoes, mudslides, lightning, windstorms, hail, fire, and smoke, unless an alternate design or facility for modern telecommunications is more economically or technically feasible. Economic and technical feasibility will be determined using total long range economic costs and risk analysis.

(d) Generally, RUS will not make a loan to another entity to provide the same telecommunications service in an area served by an incumbent RUS telecommunications borrower providing such service. RUS may, however, consider an application for a loan to provide the same type of service being provided by an incumbent RUS borrower if the Administrator determines that the incumbent borrower is unable to meet its obligations to the government, including the obligation to provide service set forth in its loan documents and to repay its loans.

(e) If an unadvanced loan, or portion thereof, is rescinded, a new loan shall not be made for the same purposes as

Rural Utilities Service, USDA

§ 1735.22

in the rescinded loan, except as provided in § 1735.47.

[54 FR 13351, Apr. 3, 1989. Redesignated at 55 FR 39395, Sept. 27, 1990, as amended at 58 FR 66253, Dec. 20, 1993; 62 FR 46870, Sept. 5, 1997; 65 FR 42619, July 11, 2000]

§ 1735.18 Additional equity.

If determined by the Administrator to be necessary for loan security, a borrower applying for an initial loan shall increase its net worth as a percentage of assets to the highest level recorded, not to exceed 40 percent, at the end of any calendar quarter in the period beginning 2 years prior to the receipt by RUS of the borrower's loan application form (RUS Form 490). This restoration to the higher level of net worth shall take place before RUS will determine the feasibility of the proposed loan.

§ 1735.19 Mergers and consolidations.

RUS does not make loans for the sole purpose of merging or consolidating telephone organizations. After a merger or consolidation, RUS will consider making loans to the telephone system to finance the improvement or extension of telephone service in rural areas. See RUS Bulletins 320-4, 321-2, 325-1, and 326-1.

§ 1735.20 Acquisitions.

(a) RUS finances the acquisition by a borrower of another system, lines, or facilities only when the acquisition is necessary and incidental to furnishing or improving rural telephone service. See 7 CFR 1735.13.

(b) RUS determines the amount it will lend for each acquisition. If the acquisition price exceeds this amount, the borrower shall provide the remainder.

(c) For additional policies on acquisitions, see subpart F through J of this part.

[54 FR 13351, Apr. 3, 1989. Redesignated at 55 FR 39395, Sept. 27, 1990, as amended at 58 FR 66253, Dec. 20, 1993]

§ 1735.21 Refinancing loans.

(a) Hardship loans and guaranteed loans may include funds to refinance outstanding indebtedness of corporations furnishing telephone service when such refinancing is necessary and

incidental to furnishing or improving telephone service in rural areas. Refinancing may not constitute more than 40 percent of the loan.

(b) Loans for refinancing are not made solely to enable borrowers to obtain a lower interest rate or a longer amortization period. RUS requires borrowers, to the greatest extent possible, to liquidate outstanding indebtedness through the use of nonloan funds.

(c) If deemed necessary by RUS to provide itself with adequate security, RUS will consider loans for refinancing outstanding indebtedness secured by a lien on property offered as security for the loan, if the property covered by the lien is integral to the operation of the system.

(d) RUS will consider loans for refinancing when the borrower would otherwise be unable to meet payments on both the outstanding indebtedness and the loan as they become due.

(e) RUS may consider loans for refinancing in other situations.

[54 FR 13351, Apr. 3, 1989. Redesignated at 55 FR 39395, Sept. 27, 1990, as amended at 58 FR 66254, Dec. 20, 1993]

§ 1735.22 Loan security.

(a) RUS makes loans only if, in the judgment of the Administrator, the security therefor is reasonably adequate and the loan will be repaid within the time agreed. See 7 CFR 1735.18 and 7 CFR 1735.51.

(b) RUS generally requires that borrowers provide it with a first lien on all of the borrower's property. See 7 CFR 1735.46.

(c) In the case of loans that include the financing of telephone facilities that do not constitute self-contained operating systems or units (such as lines switched by other systems), the borrower shall, in addition to the mortgage lien on all of the borrower's telephone facilities, furnish adequate assurance, in the form of contractual or other security arrangements, that continuous and efficient telephone service will be rendered.

(d) The borrower shall provide RUS with a satisfactory Area Coverage Survey. See 7 CFR 1737.30 and 1737.31.
