§ 1951.882 [Reserved]

§ 1951.883 Reporting requirements.

(a) Intermediaries are to provide FmHA or its successor agency under Public Law 103-354 with reports as required in their respective loan agreements, applicable statutes and as required by FmHA or its successor agency under Public Law 103-354. The report shall include the following:

(1) An annual audit; dates of audit report period need not necessarily coincide with other reports on the RDLF/IRP. Audits shall be due 90 days following the audit period. Audits must cover all of the intermediary's activities. Audits will be performed by an independent certified public accountant or by an independent public accountant licensed and certified on or before December 31, 1970, by a regulatory authority of a State or other political subdivision of the United States. An acceptable audit will be performed in accordance with generally accepted auditing standards and include such tests of the accounting records as the auditor considers necessary in order to express an opinion on the financial condition of the intermediary. FmHA or its successor agency under Public Law 103-354 does not require an unqualified audit opinion as a result of the audit. Compilations or reviews do not satisfy the audit requirement.

(2) Quarterly or semiannual reports (due 30 days after the end of the period).

(i) Reports will be required quarterly during the first year after loan closing and, if all loan funds are not utilized during the first year, quarterly reports will be continued until at least 90 percent of the Agency IRP loan funds have been advanced to ultimate recipients. Thereafter, reports will be required semiannually. Also, the Agency may require quarterly reports if the intermediary becomes delinquent in repayment of its loan or otherwise fails to fully comply with the provisions of its work plan or Loan Agreement, or the Agency determines that the intermediary's IRP revolving fund is not adequately protected by the current sound worth and paying capacity of the ultimate recipients.
