

§ 3401.2

under the authority of section 1480 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3333) to land-grant colleges and universities, State agricultural experiment stations, and colleges, universities, and Federal laboratories having a demonstrable capacity in rangeland research, as determined by the Secretary, to carry out rangeland research. The Administrator of the Cooperative State Research, Education, and Extension Service (CSREES) shall determine and announce, through publication each year of a Notice in the FEDERAL REGISTER, professional trade journals, agency or program handbooks, the catalog of Federal Domestic Assistance or any other appropriate means, research program areas for which proposals will be solicited, to the extent that funds are available.

(b) The regulations of this part do not apply to research grants awarded by the Department of Agriculture under any other authority.

§ 3401.2 Definitions.

As used in this part:

(a) *Administrator* means the Administrator of CSREES and any other officer or employee of the Department of Agriculture to whom the authority involved may be delegated.

(b) *Department* means the Department of Agriculture.

(c) *Principal investigator* means a single individual designated by the grantee in the application for funding and approved by the Administrator who is responsible for the scientific and technical direction of the project.

(d) *Grantee* means the entity designated in the grant award document as the responsible legal entity to whom a grant is awarded under this part.

(e) *Research project grant* means the award by the Administrator of funds to a grantee to assist in meeting the costs of conducting, for the benefit of the public, an identified project which is intended and designed to establish, discover, elucidate, or confirm information or the underlying mechanisms relating to a research program area identified in the annual solicitation of applications.

7 CFR Ch. XXXIV (1-1-11 Edition)

(f) *Project* means the particular activity within the scope of one or more of the research program areas identified in the annual solicitation of applications, which is supported by a grant award under this part.

(g) *Project period* means the total length of time that is approved by the Administrator for conducting the research project as outlined in an approved application for funding.

(h) *Budget period* means the interval of time (usually 12 months) into which the project period is divided for budgetary and reporting purposes.

(i) *Awarding official* means the Administrator and any other officer or employee of the Department to whom the authority to issue or modify research project grant instruments has been delegated.

(j) *Peer review group* means an assembled group of experts or consultants qualified by training or experience in particular scientific or technical fields to give expert advice, in accordance with the provisions of this part, on the scientific and technical merit of applications for funding in those fields.

(k) *Ad hoc reviewers* means experts or consultants qualified by training or experience in particular scientific or technical fields to render special expert advice, whose written evaluations of applications for funding are designed to complement the expertise of the peer review group, in accordance with the provisions of this part, on the scientific or technical merit of applications for Funding in those fields.

(l) *Research* means any systematic study directed toward new or fuller knowledge and understanding of the subject studied.

(m) *Methodology* means the project approach to be followed and the resources needed to carry out the project.

§ 3401.3 Eligibility requirements.

(a) Except where otherwise prohibited by law, any land-grant college and university, State agricultural experiment station, and college, university, and Federal laboratory having a demonstrable capacity in rangeland research, as determined by the Secretary, shall be eligible to apply for and to receive a project grant under

this part, provided that the applicant qualifies as a responsible grantee under the criteria set forth in paragraph (b) of this section.

(b) To qualify as responsible, an applicant must meet the following standards as they relate to a particular project:

(1) Have adequate financial resources for performance, the necessary experience, organizational and technical qualifications, and facilities, or a firm commitment, arrangement, or ability to obtain such (including proposed sub-agreements);

(2) Be able to comply with the proposed or required completion schedule for the project;

(3) Have a satisfactory record of integrity, judgment, and performance, including, in particular, any prior performance under grants and contracts from the Federal government;

(4) Have an adequate financial management system and audit procedure which provides efficient and effective accountability and control of all property, funds, and other assets; and

(5) Be otherwise qualified and eligible to receive a research project grant under applicable laws and regulations.

(c) Any applicant who is determined to be not responsible will be notified in writing of such findings and the basis therefor.

§ 3401.4 Matching funds requirement.

In accordance with section 1480 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3333), except in the case of Federal laboratories, each grant recipient must match the Federal funds expended on a research project based on a formula of 50 percent Federal and 50 percent non-Federal funding.

§ 3401.5 Indirect costs and tuition remission costs.

Pursuant to section 1473 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3319), funds made available under this program to recipients other than Federal laboratories shall not be subject to reduction for indirect costs or tuition remission costs. Since indirect costs and tuition remis-

sion costs, except in the case of Federal laboratories, are not allowable costs for purposes of this program, such costs may not be used to satisfy the matching requirement set forth in § 3401.4.

§ 3401.6 How to apply for a grant.

(a) *General.* After consultation with the Rangeland Research Advisory Board, established pursuant to section 1482 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3335), a request for proposals will be prepared and announced through publications such as the FEDERAL REGISTER, professional trade journals, agency or program handbooks, the Catalog of Federal Domestic Assistance, or any other appropriate means of solicitation, as early as practicable each fiscal year. It will contain information sufficient to enable all eligible applicants to prepare rangeland research grant proposals and will be as complete as possible with respect to:

(1) Descriptions of specific research program areas which the Department proposes to support during the fiscal year involved, including anticipated funds to be awarded;

(2) Deadline dates for having proposal packages postmarked;

(3) Name and address where proposals should be mailed;

(4) Number of copies to be submitted;

(5) Forms required to be used when submitting proposals; and

(6) Special requirements.

(b) *Application kit.* An Application Kit will be made available to any potential grant applicant who requests a copy. This kit contains required forms, certifications, and instructions applicable to the submission of grant proposals.

(c) *Format for research grant proposals.* Unless otherwise stated in the specific program solicitation, the following format applies:

(1) *Application for funding.* All research grant proposals submitted by eligible applicants should contain an Application for Funding form, which must
