were the original party to the awards. Following the effective date of this Agreement, the term Grantee, as used in the awards, shall refer to the Transferee.

5. Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

6. All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the awards, shall be considered to have discharged those parts of the Government's obligations under the awards. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the awards, to the extent of the amounts paid or reimbursed.

7. The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the awards.

8. The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee (i) assumes under this Agreement or (ii) may undertake in the future should these awards be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

9. The awards shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.
