

to organically produced agricultural products; and

(8) Developing new and improved seed varieties that are particularly suited for organic agriculture.

§ 3430.402 Definitions.

The definitions applicable to the competitive grant programs under this subpart include:

Integrated project means a project that incorporates the research and extension components of the agricultural knowledge system around a problem or activity.

§ 3430.403 Eligibility.

Unless otherwise specified in the RFA, eligible applicants for the grant program implemented under this subpart include:

- (a) State agricultural experiment stations;
- (b) Colleges and universities (including junior colleges offering an associate's degree);
- (c) University research foundations;
- (d) Other research institutions and organizations;
- (e) Federal agencies;
- (f) National laboratories;
- (g) Private organizations or corporations;
- (h) Individuals; and
- (i) Any group consisting of 2 or more entities identified in paragraphs (a) through (i) of this section.

§ 3430.404 Project types and priorities.

For each RFA, NIFA may develop and include the appropriate project types and priority areas based on stakeholder input and as deemed appropriate by NIFA. Duration and amount of grants may vary depending on the type of project.

§ 3430.405 Funding restrictions.

(a) *Construction*. Funds made available for grants under this subsection shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) *Indirect costs*. Subject to § 3430.54, indirect costs are allowable.

(c) *Start-up businesses*. NIFA does not fund start-up businesses under this subpart.

§ 3430.406 Matching requirements.

(a) *In general*. NIFA requires the recipient of a grant under this section to provide funds or in-kind support from non-Federal sources in an amount at least equal to the amount provided by the Federal Government.

(b) *Indirect costs*. Use of indirect costs as in-kind matching contributions is subject to § 3430.52(b).

(c) *Waiver authority*. NIFA may waive the matching requirement specified in paragraph (a) of this section with respect to a grant if NIFA determines that:

- (1) The results of the project, while of particular benefit to a specific agricultural commodity, are likely to be applicable to agricultural commodities generally; or
- (2) When all three of the following conditions are present:
 - (i) The project involves a minor commodity,
 - (ii) The project deals with scientifically important research, and
 - (iii) The grant recipient is unable to satisfy the matching funds requirement.

§ 3430.407 Program requirements.

Following the completion of a peer review process for grant proposals received under this subpart, the Director may provide a priority for those proposals, found in the peer review process to be scientifically meritorious, that involve the cooperation of multiple entities.
