Awardees also will need to comply with procedures in paragraph (c) of this section. AMB will approve these draw requests only in extenuating circumstances, as determined by CSREES. (e) SF–272, Federal Cash Transactions Report. Awardees receiving electronic payments through DHHS–PMS are required to submit their SF–272, Federal Cash Transactions Report, via the DHHS–PMS by the specified dates. Failure to submit this quarterly report by the due date may result in funds being restricted by DHHS–PMS. Awardees not receiving payments through DHHS–PMS may be exempt from this reporting requirement.

(f) Additional reporting requirements. CSREES may require additional financial reporting requirements as follows: CSREES may require forecasts of Federal cash requirements in the “Remarks” section of the report; and when practical and deemed necessary, CSREES may require awardees to report in the “Remarks” section the amount of cash advances received in excess of three days (i.e., short narrative with explanations of actions taken to reduce the excess balances). When CSREES needs additional information or more frequent reports, a special provision will be added to the Award terms and conditions and identified on the Form CSREES–2009, Award Face Sheet. Should CSREES determine that an awardee’s accounting system is inadequate, additional pertinent information to further monitor awards may be requested from the awardee until such time as the system is brought up to standard, as determined by CSREES. This additional reporting requirement will be required via a special provision to the award terms and conditions and identified on the Form CSREES–2009, Award Face Sheet.

§ 3430.57 Project meetings.

In addition to reviewing (and monitoring the status of) progress and final technical reports and financial reports, CSREES Program Officers may use regular and periodic conference calls to monitor the awardee’s performance as well as PD conferences, workshops, meetings, and symposia to not only monitor the awards, but to facilitate communication and the sharing of project results. These opportunities also serve to eliminate or minimize CSREES funding unneeded duplicative project activities. Required attendance at these conference calls, conferences, workshops, meetings, and symposia will be identified in the RFA and the awardee should develop a proposal accordingly.

§ 3430.58 Prior approvals.

(a) Subcontracts. No more than 50 percent of the award may be subcontracted to other parties without prior written approval of the ADO except contracts to other Federal agencies. Any subcontract awarded to a Federal agency under an award must have prior written approval of the ADO. To request approval, a justification for the proposed subcontractual arrangements, a performance statement, and a detailed budget for the subcontract must be submitted to the ADO.

(b) No-cost extensions of time—(1) General. Awardees may initiate a one-time no-cost extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply: the terms and conditions of the award prohibit the extension; the extension requires additional Federal funds; and the extension involves any change in the approved objectives or scope of the project. For the first no-cost extension, the awardee must notify CSREES in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award.

(2) Additional requests for no-cost extensions of time before expiration date. When more than one no-cost extension of time or an extension of more than 12 months is required, the extension(s) must be approved in writing by the ADO. The awardee should prepare and submit a written request (which must be received no later than 10 days prior to the expiration date) to the ADO. The request must contain, at a minimum, the following information: the length of the additional time required to complete the project objectives and a justification for the extension; a summary of the progress to date; an estimate of the funds expected to remain unobligated on the scheduled
expiration date; a projected timetable to complete the portion(s) of the project for which the extension is being requested; and signature of the AR and the PD.

(3) Requests for no-cost extensions of time after expiration date. CSREES may consider and approve requests for no-cost extensions of time up to 120 days following the expiration of the award. These will be approved only for extenuating circumstances, as determined by CSREES. The awardee’s AR must submit the requirements identified under paragraph (b)(2) of this section as well as an “extenuating circumstance” justification and a description of the actions taken by the awardee to minimize these requests in the future.

(4) Other requirements. No-cost extensions of time may not be exercised merely for the purpose of using unobligated balances. All extensions are subject to any statutory term limitations as well as any expiring appropriation limitations under §3430.63.

§ 3430.59 Review of disallowed costs.

(a) Notice. If the CSREES Office of Extramural Programs (OEP) determines that there is a basis for disallowing a cost, CSREES OEP shall provide the awardee written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(b) Awardee response. Within 60 days of receiving written notice of CSREES OEP’s intent to disallow the cost, the awardee may respond with written evidence and arguments to show the cost is allowable, or that CSREES, for equitable, practical, or other reasons, shall not recover all or part of the amount, or that the recovery should be made in installments. The 60-day time period may be extended for an additional 30 days upon written request by the awardee; however, such request for an extension of time must be made before the expiration of the 60-day time period specified in this paragraph. An extension of time will be granted only in extenuating circumstances.

(c) Decision. Within 60 days of receiving the awardee’s written response to the notice of intent to disallow the cost, CSREES OEP shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal that has been provided under this section. If the awardee does not respond to the written notice under paragraph (a) of this section within the time frame specified in paragraph (b) of this section, CSREES OEP shall issue a management decision on the basis of the information available to it. The management decision shall constitute the final action with respect to whether the cost is allowed or disallowed. In the case of a questioned cost identified in the context of an audit subject to 7 CFR part 3052, the management decision will constitute the management decision under 7 CFR 3052.405(a).

(d) Demand for payment. If the management decision under paragraph (c) of this section constitutes a finding that the cost is disallowed and, therefore, that a debt is owed to the Government, CSREES OEP shall provide the required demand and notice pursuant to 7 CFR 3.11.

(e) Review process. Within 60 days of receiving the demand and notice referred to in paragraph (d) of this section, the awardee may submit a written request to the CSREES OEP Deputy Administrator for a review of the final management decision that the debt exists and the amount of the debt. Within 60 days of receiving the written request for a review, the CSREES OEP Deputy Administrator (or other senior CSREES official designated by the CSREES OEP Deputy Administrator) will issue a final decision regarding the debt. Review by the CSREES OEP Deputy Administrator or designee constitutes, and will be in accordance with, the administrative review procedures provided for debts under 7 CFR part 3, subpart F.

§ 3430.60 Suspension, termination, and withholding of support.

(a) General. If an awardee has failed to materially comply with the terms and conditions of the award, CSREES may take certain enforcement actions, including, but not limited to, suspending the award pending corrective action, terminating the award for cause, and withholding of support.
