

§ 3560.307

(4) For other purposes, which in the judgment of the Agency will promote the loan purposes, strengthen the security or facilitate, improve, or maintain the housing and the orderly collection of the loan without jeopardizing the loan or impairing the adequacy of the security.

(i) *Records.* Borrowers must maintain records documenting all expenses that were paid by withdrawals from the reserve account.

(j) *Changes to reserve requirements.* (1) As projects age, the required reserve account level may be adjusted to meet anticipated “life-cycle” needs, including equipment and facility replacement costs, by amending the loan agreement/resolution.

(2) The Agency may approve a change in the reserve account funding level based on the findings of an approved capital needs assessment. The approval to increase reserve account funding levels will take into consideration the housing project’s approved budget and the housing project’s ability to support increased reserve account deposits without causing basic rents to exceed conventional rents for comparable units in the area.

(k) *Excess reserves.* Amounts in the reserve account which exceed the total required by the loan or grant agreement must be used, at the direction of the Agency, for any of the following:

(1) Pay for expenses specified in a long-term capital plan;

(2) Make payments and reamortize the Agency loan;

(3) Reduce rents by a transfer to the general operating account;

(4) Fund preservation incentives authorized in subpart N of this part; or

(5) Cover other expenditures determined to be related to the purpose of the housing project and in the best interest of the Federal Government.

(l) *Procurement.* The requirements of § 3560.102(g), (j), and (k), and all other Agency requirements relating to procurement, bidding, identity-of-interest, cost-reasonableness, and construction management apply to any work or services paid out of reserve funds. Structural repairs and other significant work on major building systems such as heating or air conditioning must be done in accordance with the

requirements of 7 CFR part 1924, subpart A.

§ 3560.307 Reports.

(a) *Required reports.* Borrowers must submit required reports using Agency-approved formats.

(b) *Quarterly and monthly reports.* The Agency may require quarterly or monthly reports to monitor financial progress when closer supervision is warranted.

§ 3560.308 Annual financial reports.

(a) *General.* Borrowers must submit annual financial reports that meet the requirements of this section. The annual financial reports to be submitted are the Multi-Family Housing (MFH) Project Budget with actual expenditures and the MFH Balance Sheet. Annual financial reports are due to the Agency within 90 days of the end of the borrower’s fiscal year.

(1) Borrowers with 16 or more units in their housing project must base their annual financial reports on an engagement report completed according to agreed upon procedures established by the Agency as specified in paragraph (b) of this section. Borrowers must include the engagement report with their annual financial reports submitted to the Agency.

(2) Borrowers with less than 16 units in their housing project must submit annual financial reports using a limited scope engagement based on Agency approved procedures and certify that the housing meets the performance standards established in paragraph (c) of this section. Borrowers may use a CPA to prepare this report. For properties that prepare a limited scope engagement, the Agency may undertake random audits, once every two or three years.

(3) If a third party requires it, the borrower may have a CPA prepare an audit in accordance with generally accepted government auditing standards (GAGAS). Costs incurred to obtain this audit are an allowable project expense.

(b) *Engagement requirements.* Borrowers required to submit annual financial reports based on an engagement performed by a CPA must meet the following requirements:
