§ 70.12 Supervision.

All grading service shall be subject to supervision at all times by the responsible State supervisor, regional director, and national supervisor. Such service shall be rendered in accordance with instructions issued by the Administrator where the facilities and conditions are satisfactory for the conduct of the service and the requisite graders are available. Whenever the supervisor of a grader has evidence that such grader incorrectly graded a product, such supervisor shall take such action as is necessary to correct the grading and to cause any improper grademarks which appear on the product or containers thereof to be corrected prior to shipment of the product from the place of initial grading.

§ 70.13 Ready-to-cook poultry and rabbits and specified poultry food products.

(a) Ready-to-cook poultry or rabbit carcasses or parts or specified poultry food products may be graded only if they have been inspected and certified by the poultry inspection service of the Department, or inspected and passed by any other inspection system which is acceptable to the Department.

(b) Only when ready-to-cook poultry carcasses, parts, poultry food products, including those used in preparing raw poultry food products, have been graded on an individual basis by a grader or by an authorized person pursuant to § 70.20(c) and thereafter checkgraded by a grader, and when poultry food products have been prepared under the supervision of a grader, when necessary the individual container, carcass, part, or poultry food product be identified with the appropriate official letter grademark. Checkgrading shall be accomplished in accordance with a statistical sampling plan prescribed by the Administrator. Grading with respect to quality factors for freezing defects and appearance of the finished products may be done on a sample basis in accordance with a plan prescribed by the Administrator.

(c) Only when ready-to-cook rabbit carcasses or parts have been graded on an individual basis by a grader or by an authorized person pursuant to § 70.20(c) and thereafter checkgraded by a grader, may the container or the individual carcass or part be identified with the appropriate official letter grademark. Checkgrading shall be accomplished in accordance with a statistical sampling plan prescribed by the Administrator. Grading with respect to quality factors for freezing defects and appearance of the finished products may be done on a sample basis in accordance with a plan prescribed by the Administrator.

§ 70.14 Squabs and domesticated game birds; eligibility.

Squabs and domesticated game birds (including, but not being limited to, quail, pheasants, and wild species of ducks and geese raised in captivity) may be graded under the regulations in this part, only if they have been inspected and passed by the poultry inspection service of the Department or have been inspected by any other official inspection system acceptable to the Department.

§ 70.15 Equipment and facilities for graders.

Equipment and facilities to be furnished by the applicant for use of graders in performing service on a resident basis shall include, but not be limited to, the following:

(a)(1) An accurate metal stem thermometer.

(2) A drill with a steel bit to drill holes in frozen product for inserting the metal thermometer stem to determine temperature.

(3) Scales graduated in tenths of a pound or less for weighing carcasses, parts, or products individually in containers up to 100 pounds, and test weights for such scales.

(4) Scales graduated in one-pound graduation or less for weighing bulk...
