

(e) If the administrative fee is not paid when due, you, and all persons with an insurable interest in the crop under the same contract, may be ineligible for certain other USDA program benefits.

7. Insured Crop

The crop insured is specified in the applicable crop policy, however:

(a) Notwithstanding any other policy provision requiring the same insurance coverage on all insurable acreage of the crop in the county, if you purchase additional coverage for a crop, you may separately insure acreage under catastrophic coverage that has been designated as “high risk” land by FCIC, provided that you execute a High Risk Land Exclusion Option and obtain a catastrophic risk protection policy with the same approved insurance provider, if available, on or before the applicable sales closing date. If catastrophic coverage is not available from the same insurance provider, you may obtain the catastrophic risk protection policy for the high risk land from another approved insurance provider or FSA, if available. You will be required to pay a separate administrative fee for both the additional coverage policy and the catastrophic coverage policy.

(b) A landowner will be allowed to obtain catastrophic coverage for all other landowners who hold an undivided interest in the insurable acreage, provided:

(1) All the landowners must agree in writing to such arrangement and have their social security number or employer identification number listed on the application, without regard to the actual amount of their interest in the insured acreage;

(2) All landowners must have an undivided interest in the insurable acreage;

(3) None of the landowners may hold any share in other acreage for which they are required to obtain at least catastrophic coverage;

(4) The total cumulative liability under the Catastrophic Risk Protection Endorsement for all landowners must be \$2,500 or less;

(5) The landowner insuring the crop will:

(i) Make application for insurance and provide the name and social security number or employer identification number of each person with an undivided interest in the insurable acreage;

(ii) Be responsible to pay the one administrative fee for all the producers within the county;

(iii) Fulfill all requirements under the insurance contract; and

(iv) Receive any indemnity payment under the landowner’s social security number, or when applicable, employer identification number, and distribute the indemnity payments to the other persons sharing in the crop.

8. Replanting Payment

Notwithstanding any provision contained in any other crop insurance document, no replant payment will be paid whether or not replanting of the crop is required under the policy.

9. Claim for Indemnity

If two or more insured crop types, varieties, or classes are insured within the same unit, and multiple price elections are applicable, the dollar amount of insurance and the dollar amount of production to be counted will be determined separately for each type, variety, class, etc., that have separate price elections and then totaled to determine the total liability or dollar amount of production to be counted for the unit.

10. Concealment or Fraud

Notwithstanding any provision contained in any other crop insurance document, your CAT policy may be voided by us on all crops without waiving any of our rights, including the right to collect any amounts due:

(a) If at any time you conceal or misrepresent any material fact or commit fraud relating to this or any other contract issued under the authority of the Federal Crop Insurance Act with any insurance provider; and

(b) The voidance will be effective for the crop year during which any such act or omission occurred.

11. Exclusion of Coverage

(a) Options or endorsements that extend the coverage available under any crop policy offered by FCIC will not be available under this endorsement. Written agreements are not available for any crop insured under this endorsement.

(b) Notwithstanding any provision contained in any other crop policy, hail and fire coverage and high-risk land may not be excluded under catastrophic risk protection.
