

must meet HFRP program objectives, and must result in equal or greater wildlife benefits and ecological and economic values to the United States. Modifications to the HFRP restoration plan which are substantial and affect provisions of the contract, restoration cost-share agreement, or Landowner Protections will require agreement from the landowner, any relevant party to a specific SHA or CCAA, FWS, or NMFS, as appropriate, and may require execution of an amended contract or 10-year restoration cost-share agreement and modification to the Landowner Protection provisions.

#### § 625.15 Transfer of land.

(a) *Offers voided prior to enrollment.* Any transfer of the property prior to the applicant's acceptance into the program will void the offer of enrollment. At the option of the State Conservationist, an offer can be extended to the new landowner if the new landowner agrees to the same or more restrictive easement, agreement, and contract terms and conditions.

(b) *Actions following transfer of land.*

(1) For easements or 30-year contracts with multiple annual payments, any remaining payments will be made to the original landowner unless NRCS receives an assignment of proceeds.

(2) Eligible cost-share payments will be made to the new landowner upon presentation of an assignment of rights or other evidence that title has passed.

(3) Landowner protections will be available to the new landowner, and the new landowner will be held responsible for assuring completion of all measures and conservation practices required by the contract, deed, and incidental take permit.

(4) If a SHA or CCAA is involved, the previous and new landowner may coordinate with FWS or NMFS, as appropriate, to transfer the agreement and associated permits and assurances.

(5) The landowner and NRCS may agree to transfer a 30-year contract. The transferee must be determined by NRCS to be eligible to participate in HFRP and must assume full responsibility under the contract, including operation and maintenance of all conservation practices and measures required by the contract.

(c) *Claims to payments.* With respect to any and all payments owed to a person, the United States will bear no responsibility for any full payments or partial distributions of funds between the original landowner and the landowner's successor. In the event of a dispute or claim on the distribution of cost-share payments, NRCS may withhold payments without the accrual of interest pending an agreement or adjudication on the rights to the funds.

#### § 625.16 Violations and remedies.

(a) *Easement Violations.*

(1) In the event of a violation of the easement or any associated agreement involving a landowner, the landowner will be given reasonable notice and an opportunity to voluntarily correct the violation within 30 days of the date of the notice, or such additional time as the State Conservationist determines is necessary to correct the violation.

(2) Notwithstanding paragraph (a)(1) of this section, NRCS reserves the right to enter upon the easement area at any time to remedy deficiencies or easement violations. Such entry may be made at the discretion of NRCS when such actions are deemed necessary to protect important listed species, candidate species, and forest ecosystem functions and values or other rights of the United States under the easement. The landowner will be liable for any costs incurred by the United States as a result of the landowner's negligence or failure to comply with easement or contractual obligations.

(3) In addition to any and all legal and equitable remedies as may be available to the United States under applicable law, NRCS may withhold any easement and cost-share payments owed to landowners at any time there is a material breach of the easement covenants, associated restoration agreement, or any associated contract. Such withheld funds may be used to offset costs incurred by the United States in any remedial actions or retained as damages pursuant to court order or settlement agreement.

(4) The United States will be entitled to recover any and all administrative and legal costs, including attorney's fees or expenses, associated with any enforcement or remedial action.

## **§ 625.17**

(b) *30-year Contract and 10-year Cost-Share Agreement Violations.*

(1) If NRCS determines that a participant is in violation of the terms of a 30-year contract, or 10-year cost-share agreement, or documents incorporated by reference into the 30-year contract or 10-year cost-share agreement, the landowner will be given reasonable notice and an opportunity to voluntarily correct the violation within 30 days of the date of the notice, or such additional time as the State Conservationist determines is necessary to correct the violation. If the violation continues, the State Conservationist may terminate the 30-year contract or 10-year cost-share agreement.

(2) Notwithstanding the provisions of paragraph (b)(1) of this section, a 10-year cost-share agreement or 30-year contract termination is effective immediately upon a determination by the State Conservationist that the participant has: submitted false information; filed a false claim; engaged in any act for which a finding of ineligibility for payments is permitted under this part; or taken actions NRCS deems to be sufficiently purposeful or negligent to warrant a termination without delay.

(3) If NRCS terminates a 10-year cost-share agreement or 30-year contract, the participant will forfeit all rights for future payments under the 10-year cost-share agreement or 30-year contract, and must refund all or part of the payments received, plus interest, and liquidated damages.

(4) When making any 30-year contract or 10-year cost-share agreement termination decisions, the State Conservationist may provide equitable relief in accordance with 7 CFR part 635.

### **§ 625.17 Payments not subject to claims.**

Any cost-share, contract, or easement payment or portion thereof due any person under this part will be allowed without regard to any claim or lien in favor of any creditor, except agencies of the United States Government.

the right to receive such cash payments in whole or in part.

### **§ 625.19 Appeals.**

(a) A person participating in the HFRP may obtain a review of any administrative determination concerning eligibility for participation utilizing the administrative appeal regulations provided in 7 CFR parts 11 and 614.

(b) Before a person may seek judicial review of any administrative action concerning eligibility for program participation under this part, the person must exhaust all administrative appeal procedures set forth in paragraph (a) of this section, and for purposes of judicial review, no decision will be a final agency action except a decision of the Chief under these procedures.

(c) Any appraisals, market analysis, or supporting documentation that may be used by NRCS in determining property value are considered confidential information, and will only be disclosed as determined at the sole discretion of NRCS in accordance with applicable law.

(d) Enforcement actions undertaken by NRCS in furtherance of its federally held property rights are under the jurisdiction of the Federal District Court, and are not subject to review under administrative appeal regulations.

### **§ 625.20 Scheme and device.**

(a) If it is determined by NRCS that a person has employed a scheme or device to defeat the purposes of this part, any part of any program payment otherwise due or paid to such person during the applicable period may be withheld or be required to be refunded with interest thereon, as determined appropriate by NRCS.

(b) A scheme or device includes, but is not limited to, coercion, fraud, misrepresentation, depriving any other person of payments for 10-year cost-share agreements, contracts, or easements for the purpose of obtaining a payment to which a person would otherwise not be entitled.

(c) A person who succeeds to the responsibilities under this part will report in writing to NRCS any interest of any kind in enrolled land that is held
