**§ 760.305 Eligible grazing losses.**

(a) A grazing loss due to drought is eligible for LFP only if the grazing loss for the covered livestock occurs on land that:

- (1) Is native or improved pastureland with permanent vegetative cover or
- (2) Is planted to a crop planted specifically for the purpose of providing grazing for covered livestock; and
- (3) Is grazing land or pastureland that is owned or leased by the eligible livestock producer that is physically located in a county that is, during the normal grazing period for the specific type of grazing land or pastureland for the county, rated by the U.S. Drought Monitor as having a:
  - (i) D2 (severe drought) intensity in any area of the county for at least 8 consecutive weeks during the normal grazing period for the specific type of grazing land or pastureland for the county, as determined by the Secretary, or
  - (ii) D3 (extreme drought) or D4 (exceptional drought) intensity in any area of the county at any time during the normal grazing period for the specific type of grazing land or pastureland for the county, as determined by the Secretary. (As specified

elsewhere in this subpart, the amount of potential payment eligibility will be higher than under (a)(3)(i) of this section where the D4 trigger applies or where the D3 condition as determined by the Secretary lasts at least 4 weeks during the normal grazing period for the specific type of grazing land or pastureland for the county.)

(b) A grazing loss is not eligible for LFP if the grazing loss due to drought on land used for haying or grazing under the Conservation Reserve Program established under subchapter B of chapter 1 of subtitle D of title XII of the Food Security Act of 1985 (16 U.S.C. 3831–3835a).

(c) A fire qualifies for LFP only if:

(1) The grazing loss occurs on rangeland that is managed by a Federal agency and

(2) The eligible livestock producer is prohibited by the Federal agency from grazing the normal permitted livestock on the managed rangeland due to a fire.

(d) An eligible livestock producer may be eligible for LFP payments only on those grazing lands incurring losses for which the livestock producer:

(1) Meets the risk management purchase requirements specified in § 760.104; or

(2) Does not meet the risk management purchase requirements specified in § 760.104 because the risk management purchase requirement is waived according to §§ 760.105, 760.106, or 760.107.

**§ 760.306 Application for payment.**

(a) To apply for LFP, the participant that suffered eligible grazing losses:

(1) During 2008, must submit a completed application for payment and required supporting documentation to the administrative FSA county office no later than December 10, 2009 or

(2) During 2009 and later years, must submit a completed application for payment and required supporting documentation to the administrative FSA county office no later than 30 calendar days after the end of the calendar year in which the grazing loss occurred.

(b) A participant must also provide a copy of the grower contract, if a contract grower, and other supporting documents required for determining eligi-

bility as an applicant at the time the participant submits the completed application for payment. Supporting documents must include:

(1) Evidence of loss,

(2) Current physical location of livestock in inventory,

(3) Evidence of meeting risk management purchase requirements as specified in subpart B,

(4) Evidence that grazing land or pastureland is owned or leased,

(5) A report of acreage according to part 718 of this chapter for the grazing lands incurring losses for which assistance is being requested under this subpart;

(6) Adequate proof, as determined by FSA that the grazing loss:

(i) Was for the covered livestock;

(ii) If the loss of grazing occurred as the result of a fire that the:

(A) Loss was due to a fire and

(B) Participant was prohibited by the Federal agency from grazing the normal permitted livestock on the managed rangeland due to a fire;

(iii) Occurred on or after January 1, 2008, and before October 1, 2011; and

(iv) Occurred in the calendar year for which payments are being requested;

(7) Adequate proof, absent an appropriate waiver (if there is a waiver, it itself must be documented by the producer), as determined by FSA, that the participant had obtained, for the grazing land incurring the losses for which assistance is being requested, one or both of the following:

(i) A policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524); or

(ii) Filed the required paperwork, and paid the administrative fee by the applicable State filing deadline, for the noninsured crop disaster assistance program;

(8) Any other supporting documentation as determined by FSA to be necessary to make a determination of eligibility of the participant. Supporting documents include, but are not limited to: Verifiable purchase and sales records; grower contracts; veterinarian records; bank or other loan papers; rendering truck receipts; Federal Emergency Management Records; National
