

Farm Service Agency, USDA

§ 761.204

(e) Except as provided in paragraph (f) of this section, the applicant or borrower must sign the final farm operating plan prior to approval of any loan or servicing action.

(f) If the Agency believes the applicant or borrower's farm operating plan is inaccurate, or the information upon which it is based cannot be verified, the Agency will discuss and try to resolve the concerns with the applicant or borrower. If an agreement cannot be reached, the Agency will make loan approval and servicing determinations based on the Agency's revised farm operating plan.

§ 761.105 Year-end analysis.

(3) Has a loan deferred, excluding deferral of an installment under subpart B of part 766; or

(4) Is receiving a limited resource interest rate on any loan.

(b) To the extent practicable, the year-end analysis will be completed within 60 days after the end of the business year or farm budget planning period and must include:

(2) The establishment of socially disadvantaged target participation rates; and

§ 761.202 Timing of allocations.

The Agency's National Office allocates funds for FO, CL, and OL loans to the State Offices on a fiscal year basis, as made available by the Office of Management and Budget. However, the National Office will retain control over the funds when funding or administrative constraints make allocation to State Offices impractical.

[72 FR 63285, Nov. 8, 2007, as amended at 75 FR 54013, Sept. 3, 2010]

§ 761.203 National reserves for Farm Ownership and Operating loans.

(a) *Reservation of funds.* At the start of each fiscal year, the National Office reserves a portion of the funds available for each direct and guaranteed loan program. These reserves enable the Agency to meet unexpected or justifiable program needs during the fiscal year.

(b) *Allocation of reserved funds.* The National Office distributes funds from the reserve to one or more State Offices to meet a program need or Agency objective.

§ 761.204 Methods of allocating funds to State Offices.

FO, CL, and OL loan funds are allocated to State Offices using one or more of the following allocation methods:

(a) Formula allocation, if data, as specified in § 761.205, is available to use the formula for the State.

(b) Administrative allocation, if the Agency cannot adequately meet program objectives with a formula allocation. The National Office determines the amount of an administrative allocation on a case-by-case basis.
