(a) A borrower with limited resource interest rate loans is required to provide the Agency annually the operation's financial information to determine if the borrower can afford to pay a higher interest rate on the loan. The Agency will review the information provided in accordance with § 761.105 of this chapter.

(2) The interest rate is equal to the interest rate currently in effect for the type of loan.

(c) Except as provided in paragraph (d) of this section, the Agency will in-

crease the limited resource interest rate to the current interest rate for the type of loan, if the borrower:

(c) The borrower must submit all information that the Agency requests in conjunction with the review of the borrower's financial condition.

(d) The Agency may provide a borrower's prospectus to lenders in an attempt to identify sources of non-Agency credit and assess the lenders' interest in refinancing the borrower's loan.
