§ 773.9

judgments do not include those filed as a result of action in the United States Tax Courts;

(f) The loan applicant, in past or present dealings with the Agency, must not have provided the Agency with false information; and

(g) The individual or business entity loan applicant and all entity members must have acceptable credit history demonstrated by debt repayment. A history of failure to repay past debts as they came due (including debts to the Internal Revenue Service) when the ability to repay was within their control will demonstrate unacceptable credit history. Unacceptable credit history will not include isolated instances of late payments which do not represent a pattern and were clearly beyond the applicant's control or lack of credit history.

§ 773.8 Limitations.

§ 773.9 Environmental compliance.

(a) Except as otherwise specified in this section, prior to approval of any loan, an environmental evaluation will be completed by the Agency to determine if the proposed action will have any adverse impacts on the human environment and cultural resources. Loan applicants will provide all information necessary for the Agency to make its evaluation.

(b) The following loan actions were reviewed for the purpose of compliance with the National Environmental Policy Act (NEPA), 40 CFR parts 1500 through 1508, and determined not to have a significant impact on the quality of the human environment, either individually or cumulatively. Therefore the following loan actions are categorically excluded from the requirements of an environmental evaluation:

(3) Acquiring or leasing a farm;

(4) Refinancing an indebtedness not greater than \$30,000;

(5) Purchase of stock in a credit association or in a cooperative which deals with the production, processing or marketing of apples; and

(6) Payment of loan closing costs.

(c) The loan actions listed in paragraph (b) of this section were also reviewed in accordance with section 106 of the National Historic Preservation Act (NHPA). It was determined that these loan actions are non-undertakings with no potential to affect or alter historic properties and therefore, will not require consultation with the State Historic Preservation Officer, Tribal Historic Preservation Officer, or other interested parties.
