§ 915.60

Secretary may terminate any such modification or suspension.

§ 915.53 Exemption certificates.

Whenever a regulation is in effect pursuant to § 915.51(a)(1), the committee shall issue one or more exemption certificates to any person who furnishes proof, satisfactory to the committee, that his avocados of a particular variety are mature prior to the time such variety may be handled under such regulation. Such exemption certificates shall authorize the person to whom the certificates are issued to handle, or have handled, only that portion of his avocados of the particular variety which the committee has determined to be mature. The committee shall adopt, with the approval of the Secretary, procedural rules by which such exemption certificates will be issued and the avocados covered thereunder may be handled. Exemption certificates shall be transferred to the handler of the avocados covered by such certificates at the time the avocados are delivered to such handler.

§ 915.54 Inspection and certification.

Whenever the handling of any variety of avocados is regulated pursuant to § 915.51, each handler who handles avocados shall, prior thereto, cause each lot of avocados handled to be inspected by the Federal-State Inspection Service and certified by it as meeting the applicable requirements of such regulation: *Provided*, That such inspection and certification shall not be required whenever the avocados previously have been so inspected and certified. Promptly thereafter, each such handler shall submit, or cause to be submitted, to the committee a copy of the certificate of inspection with respect to such handling.

§ 915.55 Avocados not subject to regulations.

Except as otherwise provided in this section, any person may, without regard to the provisions of §§ 915.41, 915.51, and 915.54, and the regulations issued thereunder, handle avocados (a) for consumption by charitable institutions; (b) for distribution by relief agencies; (c) for commercial processing into products; or (d) in such minimum

quantities or types of shipments as the committee, with the approval of the Secretary, may prescribe. The committee shall, with the approval of the Secretary, prescribe such rules, regulations, and safeguards as it may deem necessary to prevent avocados handled under the provisions of this section from entering channels of trade for other than the specific purposes authorized by this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications with the committee for authorization to handle avocados pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the avocados will not be used for any purpose not authorized by this section.
