

shall hold reserve prunes on the premises of another handler, or in approved commercial storage other than on his own premises, unless prior thereto he notifies the committee in a certified report on Form PMC 5.1 "Notice of Proposed Intent to Store Reserve Prunes" which shall contain at least the following information: (1) The date and the name and address of the handler; (2) the name and address of the person on whose premises the reserve prunes will be stored for the handler; (3) the approximate quantity to be so stored and the exact location and description of the storage facilities; and (4) the proposed date that such storage will begin. The report shall be accompanied by a signed statement by the persons on whose premises the reserve prunes are to be stored agreeing to hold such prunes under conditions of proper storage and further agreeing to permit access to such premises by the committee at any time during business hours for the purpose of examining or taking delivery of such prunes in accordance with the provisions of this part. No handler shall be permitted to hold reserve prunes on any premises outside the area.

(f) *Exchange of salable prunes for reserve prunes.* No handler shall exchange salable prunes for reserve prunes unless he has entered into a sales agreement authorized pursuant to § 993.65(b) whereby the value of any such exchange, and payment therefor to the committee, shall be determined.

(g) *Delivery by nonsignatory handlers.* Any handler not signing the sales agreement authorized pursuant to § 993.65(b), shall deliver to the Committee, upon demand, the total weight of his reserve obligation by such variety, grade, and size categories, and at the count per pound for each size category as is required by the reserve control regulation of the applicable crop year. Such deliveries of prunes may be either graded prunes or any lot of ungraded prunes, or portion thereof, identifiable to the satisfaction of the committee as being in the same form as when received: *Provided*, That the percent of standard prunes in each lot shall be taken into account but with respect to any lot of graded prunes, no credit shall be given to the standard

obligation of the handler if in a sample of 100 ounces, the count per pound of 10 ounces of the smallest prunes exceeds the count per pound of 10 ounces of the largest prunes by more than 45 prunes per pound.
