

Agricultural Marketing Service, USDA

§ 1005.12

(2) An exempt plant as defined in §1000.8(e);

(3) A plant qualified pursuant to paragraph (a) of this section which is not located within any Federal order marketing area, meets the pooling requirements of another Federal order, and has had greater route disposition in such other Federal order marketing area for 3 consecutive months;

(4) A plant qualified pursuant to paragraph (a) of this section which is located in another Federal order marketing area, meets the pooling standards of the other Federal order, and has not had a majority of its route disposition in this marketing area for 3 consecutive months or is locked into pool status under such other Federal order without regard to its route disposition in any other Federal order marketing area;

(5) A plant qualified pursuant to paragraph (c) of this section which also meets the pooling requirements of another Federal order and from which greater qualifying shipments are made to plants regulated under such other order than are made to plants regulated under the order in this part, or such plant has automatic pooling status under such other order; and

(6) That portion of a pool plant designated as a "nonpool plant" that is physically separate and operated separately from the pool portion of such plant. The designation of a portion of a regulated plant as a nonpool plant must be requested in writing by the handler and must be approved by the market administrator.

§ 1005.8 Nonpool plant.

See §1000.8.

§ 1005.9 Handler.

See §1000.9.

§ 1005.10 Producer-handler.

Producer-handler means a person who:

(a) Operates a dairy farm and a distributing plant from which there is route disposition in the marketing area, and from which total route disposition and packaged sales of fluid milk products to other plants during

the month does not exceed 3 million pounds;

(b) Receives no fluid milk products, and acquires no fluid milk products for route disposition, from sources other than own farm production;

(c) Disposes of no other source milk as Class I milk except by increasing the nonfat milk solids content of the fluid milk products received from own farm production; and

(d) Provides proof satisfactory to the market administrator that the care and management of the dairy animals and other resources necessary to produce all Class I milk handled, and the processing and packaging operations are the producer-handler's own enterprise and are operated at the producer-handler's own risk.

(e) Any producer-handler with Class I route dispositions and/or transfers of packaged fluid milk products in the marketing area described in §1131.2 of this chapter shall be subject to payments into the Order 1131 producer settlement fund on such dispositions pursuant to §1000.76(a) and payments into the Order 1131 administrative fund provided such dispositions are less than three million pounds in the current month and such producer-handler had total Class I route dispositions and/or transfers of packaged fluid milk products from own farm production of three million pounds or more the previous month. If the producer-handler has Class I route dispositions and/or transfers of packaged fluid milk products into the marketing area described in §1131.2 of this chapter of three million pounds or more during the current month, such producer-handler shall be subject to the provisions described in §1131.7 of this chapter or §1000.76(a).

[64 FR 47960, Sept. 1, 1999, as amended at 71 FR 25498, May 1, 2006; 75 FR 21160, Apr. 23, 2010]

§ 1005.11 [Reserved]

§ 1005.12 Producer.

(a) Except as provided in paragraph (b) of this section, *producer* means any person who produces milk approved by a duly constituted regulatory agency for fluid consumption as Grade A milk and whose milk (or components of milk) is:
