

§ 9004.3

11 CFR Ch. I (1–12 Edition)

of a minor party whose candidate for the office of President in the preceding election received at least 5% but less than 25% of the total popular vote is eligible to receive pre-election payments. The amount which a minor party candidate is entitled to receive under this section shall be computed pursuant to 11 CFR 9004.2(a) based on the number of popular votes received by the minor party's candidate in the preceding Presidential election; however, the amount to which the minor party candidate is entitled under this section shall be reduced by the amount to which the minor party's Presidential candidate in this election is entitled under 11 CFR 9004.2(a), if any.

(c) *New party candidate.* A candidate of a new party who was a candidate for the office of President in at least 10 States in the preceding election may be eligible to receive pre-election payments if he or she received at least 5% but less than 25% of the total popular vote in the preceding election. The amount which a new party candidate is entitled to receive under this section shall be computed pursuant to 11 CFR 9004.2(a) based on the number of popular votes received by the new party candidate in the preceding election. If a new party candidate is entitled to payments under this section, the amount of the entitlement shall be reduced by the amount to which the candidate is entitled under 11 CFR 9004.2(a), if any.

§ 9004.3 Post-election payments.

(a) *Minor and new party candidates.* Eligible candidates of a minor party or of a new party who, as candidates, receive 5 percent or more of the total number of popular votes cast for the office of President in the election shall be entitled to payments under 11 CFR part 9005 equal, in the aggregate, to a proportionate share of the amount allowed for major party candidates under 11 CFR 9004.1. The amount to which a minor or new party candidate is entitled shall bear the same ratio to the amount received by the major party candidates as the number of popular votes received by the minor or new party candidate in the Presidential election bears to the average number of popular votes received by the major

party candidates for President in that election.

(b) *Amount of entitlement.* The aggregate payments to which an eligible candidate shall be entitled shall not exceed an amount equal to the lower of:

(1) The amount of qualified campaign expenses incurred by such eligible candidate and his or her authorized committee(s), reduced by the amount of contributions which are received to defray qualified campaign expenses by such eligible candidate and such committee(s); or

(2) The aggregate payments to which the eligible candidates of a major party are entitled under 11 CFR 9004.1, reduced by the amount of contributions received by such eligible candidates and their authorized committees to defray qualified campaign expenses in the case of a deficiency in the Fund.

(c) *Amount of entitlement limited by pre-election payment.* If an eligible candidate is entitled to payment under 11 CFR 9004.2, the amount allowable to that candidate under this section shall also be limited to the amount, if any, by which the entitlement under 11 CFR 9004.3(a) exceeds the amount of the entitlement under 11 CFR 9004.2.

§ 9004.4 Use of payments; examples of qualified campaign expenses and non-qualified campaign expenses.

(a) *Qualified campaign expenses.* An eligible candidate shall use payments received under 11 CFR part 9005 only for the following purposes:

(1) To defray qualified campaign expenses;

(2) To repay loans that meet the requirements of 11 CFR 100.52(b) or 100.82 or to otherwise restore funds (other than contributions received pursuant to 11 CFR 9003.3 (b) or (c) and expended to defray qualified campaign expenses) used to defray qualified campaign expenses;

(3) To restore funds expended in accordance with 11 CFR 9003.4 for qualified campaign expenses incurred by the candidate prior to the beginning of the expenditure report period;

(4) To defray winding down costs pursuant to 11 CFR 9004.11;

Federal Election Commission

§ 9004.4

(5) To defray costs associated with the candidate's general election campaign paid after the end of the expenditure report period, but incurred by the candidate prior to the end of the expenditure report period, for which written arrangement or commitment was made on or before the close of the expenditure report period for goods and services received during the expenditure reporting period; and

(6) Monetary bonuses paid after the date of the election and gifts shall be considered qualified campaign expenses, provided that:

(i) All monetary bonuses paid after the date of the election for committee employees and consultants in recognition of campaign-related activities or services:

(A) Are provided for pursuant to a written contract made prior to the date of the election; and

(B) Are paid during the expenditure report period; and

(ii) Gifts for committee employees, consultants and volunteers in recognition of campaign-related activities or services do not exceed \$150 total per individual and the total of all gifts does not exceed \$20,000.

(b) *Non-qualified campaign expenses*—
(1) *General*. The following are examples of disbursements that are not qualified campaign expenses.

(2) *Excessive expenditures*. An expenditure which is in excess of any of the limitations under 11 CFR 9003.2 shall not be considered a qualified campaign expense. The Commission will calculate the amount of expenditures attributable to these limitations using the full amounts originally charged for goods and services rendered to the committee and not the amounts for which such obligations were later settled and paid, unless the committee can demonstrate that the lower amount paid reflects a reasonable settlement of a bona fide dispute with the creditor.

(3) *Expenditures incurred after the close of the expenditure report period*. Except for accounts payable pursuant to paragraph (a)(5) of this section and winding down costs pursuant to 11 CFR 9004.11, any expenditures incurred after the close of the expenditure report period,

as defined in 11 CFR 9002.12, are not qualified campaign expenses.

(4) *Civil or criminal penalties*. Civil or criminal penalties paid pursuant to the Federal Election Campaign Act are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005. Penalties may be paid from contributions in the candidate's legal and accounting compliance fund, in accordance with 11 CFR 9003.3(a)(2)(i)(C). Additional amounts may be received and expended to pay such penalties, if necessary. These funds shall not be considered contributions or expenditures but all amounts so received shall be subject to the prohibitions of the Act. Amounts received and expended under this section shall be reported in accordance with 11 CFR part 104.

(5) *Solicitation expenses*. Any expenses incurred by a major party candidate to solicit contributions to a legal and accounting compliance fund established pursuant to 11 CFR 9003.3(a) are not qualified campaign expenses and cannot be defrayed from payments received under 11 CFR part 9005.

(6) *Payments to candidate*. Payments made to the candidate by his or her committee, other than to reimburse funds advanced by the candidate for qualified campaign expenses, are not qualified campaign expenses.

(7) *Payments to other authorized committees*. Payments, including transfers, contributions and loans, to other committees authorized by the same candidate for a different election are not qualified campaign expenses.

(8) *Lost, misplaced, or stolen items*. The cost of lost, misplaced, or stolen items may be considered a nonqualified campaign expense. Factors considered by the Commission in making this determination shall include, but not be limited to, whether the committee demonstrates that it made conscientious efforts to safeguard the missing equipment; whether the committee sought or obtained insurance on the items; whether the committee filed a police report; the type of equipment involved;

§ 9004.5 Investment of public funds; other uses resulting in income.

Investment of public funds or any other use of public funds that results in income is permissible, provided that an amount equal to all net income derived from such a use, less Federal, State and local taxes paid on such income, shall be paid to the Secretary. Any net loss from an investment or other use of public funds will be considered a non-qualified campaign expense and an amount equal to the amount of such loss shall be repaid to the United States Treasury as provided under 11 CFR 9007.2(b)(2)(i).

§ 9004.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) *General.* (1) Expenditures by an authorized committee for transportation, ground services or facilities (including air travel, ground transportation, housing, meals, telephone service, typewriters, and computers) provided to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9003.2(a)(1) and (b)(1).

(2) Subject to the limitations in paragraphs (b) and (c) of this section, committees may seek reimbursement from the media for the expenses described in paragraph (a)(3) of this section, and may deduct reimbursements received from media representatives from the amount of expenditures subject to the overall expenditure limitation of 11 CFR § 9003.2(a)(1) and (b)(1). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and na-

tional security staff, will be subject to the overall expenditure limitation.

(3) Committees may seek reimbursement from the media only for the billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office.

(b) *Reimbursement limits; billing.* (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative's pro rata share (or a reasonable estimate of the media representative's pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purposes of this section, a media representative's pro rata share shall be calculated by dividing the total actual cost of the transportation and services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation, the total number of individuals shall include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR 9004.7(b)(5)(i), the total number of individuals shall not include national security staff.

(3) No later than sixty (60) days of the campaign trip or event, the committee shall provide each media representative attending the event with an itemized bill that specifies the amounts charged for air and ground transportation for each segment of the trip, housing, meals, telephone service, and other billable items specified in the White House Press Corps Travel Policies and Procedures issued by the White House Travel Office. Payments shall be due sixty (60) days from the date of the bill, unless the media representative disputes the charges.

(c) *Deduction of reimbursements from expenditures subject to the overall expenditure limitation.* (1) The committee
