

§ 263.106

Board, counsel for the Board, and the administrative law judge.

[56 FR 38052, Aug. 9, 1991, as amended at 76 FR 56605, Sept. 13, 2011]

§ 263.106 Measure of awards.

(a) *General rule.* Awards shall be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents, and expert witnesses, provided that no award under this subpart for the fee of an attorney or agent shall exceed \$75 per hour. No award to compensate an expert witness shall exceed the highest rate at which the Board pays expert witnesses. An award may include the reasonable expenses of the attorney, agent, or expert witness as a separate item, if the attorney, agent, or expert witness ordinarily charges clients separately for such expenses.

(b) *Determination of reasonableness of fees.* In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, subject to the limits set forth above, the administrative law judge shall consider the following:

(1) If the attorney, agent, or expert witness is in private practice, his or her customary fee for like services;

(2) The prevailing rate for similar services in the community in which the attorney, agent, or expert witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(c) *Awards for studies.* The reasonable cost of any study, analysis, test, project, or similar matter prepared on behalf of an applicant may be awarded to the extent that the charge for the service does not exceed the prevailing rate payable for similar services, and the study or other matter was necessary solely for preparation of the applicant's case and not otherwise required by law or sound business or financial practice.

12 CFR Ch. II (1–1–12 Edition)

§ 263.107 Statement of fees and expenses.

The application shall be accompanied by a statement fully documenting the fees and expenses for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in work in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services performed. The administrative law judge or the Board may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 263.108 Responses to application.

(a) *By counsel for the Board.* (1) Within 20 days after service of an application, counsel for the Board may file an answer to the application.

(2) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the Board's position. If the answer is based on any alleged facts not already in the record of the proceeding, the answer shall include either supporting affidavits or a request for further proceedings under § 263.109, or both.

(b) *Reply to answer.* The applicant may file a reply only if the Board has addressed in its answer any of the following issues: that the position of the agency was substantially justified, that the applicant unduly protracted the proceedings, or that special circumstances make an award unjust. Any reply authorized by this section shall be filed within 15 days of service of the answer. If the reply is based on any alleged facts not already in the record of the proceeding, the reply shall include either supporting affidavits or a request for further proceedings under § 263.109, or both.

(c) *Additional response.* Additional filings in the nature of pleadings may be submitted only by leave of the administrative law judge.
