

written notification upon the bank of its intent to issue a directive. The notice shall include the current Tier 1 leverage capital ratio, the basis upon which said ratio was calculated, the proposed capital injection, the proposed date for achieving the minimum leverage capital requirement and any other relevant information concerning the decision to issue a directive. When deemed appropriate, specific requirements of a proposed plan for meeting the minimum leverage capital requirement may be included in the notice.

(2) Within 14 days of receipt of notification, the bank may file with the appropriate designated FDIC official(s) a written response, explaining why the directive should not be issued, seeking modification of its terms, or other appropriate relief. The bank's response shall include any information, mitigating circumstances, documentation or other relevant evidence which supports its position, and may include a plan for attaining the minimum leverage capital requirement.

(3) After considering the bank's response, the appropriate designated FDIC official(s) shall serve upon the bank a written determination addressing the bank's response and setting forth the FDIC's findings and conclusions in support of any decision to issue or not to issue a directive. The directive may be issued as originally proposed or in modified form. The directive may order the bank to:

- (i) Achieve the minimum leverage capital requirement established by this regulation by a certain date;
- (ii) Submit for approval and adhere to a plan for achieving the minimum leverage capital requirement;
- (iii) Take other action as is necessary to achieve the minimum leverage capital requirement; or
- (iv) A combination of the above actions.

If a directive is to be issued, it may be served upon the bank along with the final determination.

(4) Any bank, upon a change in circumstances, may request the FDIC to reconsider the terms of a directive and may propose changes in the plan under which it is operating to meet the minimum leverage capital requirement. The directive and plan continue in ef-

fect while such request is pending before the FDIC.

(5) All papers filed with the FDIC must be postmarked or received by the appropriate designated FDIC official(s) within the prescribed time limit for filing.

(6) Failure by the bank to file a written response to notification of intent to issue a directive within the specified time period shall constitute consent to the issuance of such directive.

(d) *Enforcement of a directive.* (1) Whenever a bank fails to follow the directive or to submit or adhere to its capital adequacy plan, the FDIC may seek enforcement of the directive in the appropriate United States district court, pursuant to 12 U.S.C. 3907(b)(2)(B)(ii), in the same manner and to the same extent as if the directive were a final cease-and-desist order. In addition to enforcement of the directive, the FDIC may seek assessment of civil money penalties for violation of the directive against any bank, any officer, director, employee, agent, or other person participating in the conduct of the affairs of the bank, pursuant to 12 U.S.C. 3909(d).

(2) The directive may be issued separately, in conjunction with, or in addition to, any other enforcement mechanisms available to the FDIC, including cease-and-desist orders, orders of correction, the approval or denial of applications, or any other actions authorized by law. In addition to addressing a bank's minimum leverage capital requirement, the capital directive may also address minimum risk-based capital requirements that are to be maintained and calculated in accordance with appendix A to this part.

Subpart B—Prompt Corrective Action

SOURCE: 57 FR 44900, Sept. 29, 1992, unless otherwise noted.

§ 325.101 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* This subpart is issued by the FDIC pursuant to section 38

§ 325.102

12 CFR Ch. III (1–1–12 Edition)

(section 38) of the Federal Deposit Insurance Act (FDI Act), as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102–242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institutions that are not adequately capitalized. The principal purpose of this subpart is to define, for FDIC-insured state-chartered nonmember banks, the capital measures and capital levels, and for insured branches of foreign banks, comparable asset-based measures and levels, that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This subpart also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This subpart implements the provisions of section 38 of the FDI Act as they apply to FDIC-insured state-chartered nonmember banks and insured branches of foreign banks for which the FDIC is the appropriate Federal banking agency. Certain of these provisions also apply to officers, directors and employees of those insured institutions. In addition, certain provisions of this subpart apply to all insured depository institutions that are deemed critically undercapitalized.

(d) *Other supervisory authority.* Neither section 38 nor this subpart in any way limits the authority of the FDIC under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this subpart may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the FDIC, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of a bank or insured branch under this subpart within a particular capital category is for purposes of im-

plementing and applying the provisions of section 38. Unless permitted by the FDIC or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the FDIC or any other federal banking agency has assigned the bank to a particular capital category.

§ 325.102 Notice of capital category.

(a) *Effective date of determination of capital category.* A bank shall be deemed to be within a given capital category for purposes of section 38 of the FDI Act and this subpart as of the date the bank is notified of, or is deemed to have notice of, its capital category, pursuant to paragraph (b) of this section.

(b) *Notice of capital category.* A bank shall be deemed to have been notified of its capital levels and its capital category as of the most recent date:

(1) A Consolidated Report of Condition and Income (Call Report) is required to be filed with the FDIC;

(2) A final report of examination is delivered to the bank; or

(3) Written notice is provided by the FDIC to the bank of its capital category for purposes of section 38 of the FDI Act and this subpart or that the bank's capital category has changed as provided in § 325.103(d).

(c) *Adjustments to reported capital levels and capital category—(1) Notice of adjustment by bank.* A bank shall provide the appropriate FDIC regional director with written notice that an adjustment to the bank's capital category may have occurred no later than 15 calendar days following the date that any material event has occurred that would cause the bank to be placed in a lower capital category from the category assigned to the bank for purposes of section 38 and this subpart on the basis of the bank's most recent Call Report or report of examination.

(2) *Determination by the FDIC to change capital category.* After receiving notice pursuant to paragraph (c)(1) of this section, the FDIC shall determine whether to change the capital category of the bank and shall notify the bank of the FDIC's determination.
