§ 325.104 Capital restoration plans.

(a) Schedule for filing plan—(1) In general. A bank shall file a written capital restoration plan with the appropriate FDIC regional director within 45 days of the date that the bank receives notice or is deemed to have notice that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized.

(2) Additional capital restoration plans. Notwithstanding paragraph (a)(1) of this section, a bank that has already submitted and is operating under a capital restoration plan approved under section 38 and this subpart is not required to submit an additional capital restoration plan based on a revised calculation of its capital measures or a reclassification of the institution under § 325.103 unless the FDIC notifies the bank that it must submit a new or revised capital restoration plan. A bank that is notified that it must submit a new or revised capital restoration plan shall file the plan in writing with the appropriate FDIC regional director within 45 days of receiving such notice, unless the FDIC notifies the bank in writing that the plan must be filed within a different period.

(b) Contents of plan. All financial data submitted in connection with a capital restoration plan shall be prepared in accordance with the instructions provided on the Call Report, unless the FDIC instructs otherwise. The capital restoration plan shall include all of the information required to be filed under section 38(e)(2) of the FDI Act. A bank that is required to submit a capital restoration plan as a result of a reclassification of the bank pursuant to § 325.103(d) of this subpart shall include a description of the steps the bank will take to correct the unsafe or unsound condition or practice. No plan shall be

accepted unless it includes any performance guarantee described in section 38(e)(2)(C) of the FDI Act by each company that controls the bank.

(c) Review of capital restoration plans. Within 60 days after receiving a capital restoration plan under this subpart, the FDIC shall provide written notice to the bank of whether the plan has been approved. The FDIC may extend the time within which notice regarding approval of a plan shall be provided.

(d) Disapproval of capital plan. If a capital restoration plan is not approved by the FDIC, the bank shall submit a revised capital restoration plan within the time specified by the FDIC. Upon receiving notice that its capital restoration plan has not been approved, any undercapitalized bank (as defined in §325.103(b) of this subpart) shall be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions. These provisions shall be applicable until such time as a new or revised capital restoration plan submitted by the bank has been approved by the FDIC.

(e) Failure to submit capital restoration plan. A bank that is undercapitalized (as defined in §325.103(b) of this subpart) and that fails to submit a written capital restoration plan within the period provided in this section shall, upon the expiration of that period, be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions.

(f) Failure to implement capital restoration plan. Any undercapitalized bank that fails in any material respect to implement a capital restoration plan shall be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions.

(g) Amendment of capital restoration plan. A bank that has filed an approved capital restoration plan may, after prior written notice to and approval by the FDIC, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the capital restoration plan as approved prior to the proposed amendment.

(h) Performance guarantee by companies that control a bank—(1) Limitation on liability—(1) Amount limitation. The aggregate liability under the guarantee provided under section 38 and this subpart for all companies that control a specific bank that is required to submit a capital restoration plan under this subpart shall be limited to the lesser of:

(A) An amount equal to 5.0 percent of the bank’s total assets at the time the bank was notified or deemed to have notice that the bank was undercapitalized; or

(B) The amount necessary to restore the relevant capital measures of the bank to the levels required for the bank to be classified as adequately capitalized, as those capital measures and levels are defined at the time that the bank initially fails to comply with a capital restoration plan under this subpart.

(ii) Limit on duration. The guarantee and limit of liability under section 38 and this subpart shall expire after the FDIC notifies the bank that it has remained adequately capitalized for each of four consecutive calendar quarters. The expiration or fulfillment by a company of a guarantee of a capital restoration plan shall not limit the liability of the company under any guarantee required or provided in connection with any capital restoration plan filed by the same bank after expiration of the first guarantee.

(iii) Collection on guarantee. Each company that controls a given bank shall be jointly and severally liable for the guarantee for such bank as required under section 38 and this subpart, and the FDIC may require and collect payment of the full amount of that guarantee from any or all of the companies issuing the guarantee.

(2) Failure to provide guarantee. In the event that a bank that is controlled by any company submits a capital restoration plan that does not contain the guarantee required under section 38(e)(2) of the FDI Act, the bank shall, upon submission of the plan, be subject to the provisions of section 38 and this subpart that are applicable to banks that have not submitted an acceptable capital restoration plan.
(3) Failure to perform guarantee. Failure by any company that controls a bank to perform fully its guarantee of any capital plan shall constitute a material failure to implement the plan for purposes of section 38(f) of the FDI Act. Upon such failure, the bank shall be subject to the provisions of section 38 and this subpart that are applicable to banks that have failed in a material respect to implement a capital restoration plan.

§ 325.105 Mandatory and discretionary supervisory actions under section 38.

(a) Mandatory supervisory actions—(1) Provisions applicable to all banks. All banks are subject to the restrictions contained in section 38(d) of the FDI Act on payment of capital distributions and management fees.

(2) Provisions applicable to undercapitalized, significantly undercapitalized, and critically undercapitalized banks. Immediately upon receiving notice or being deemed to have notice, as provided in §325.102 of this subpart, that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, the bank shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting payment of capital distributions and management fees (section 38(d));

(ii) Requiring that the FDIC monitor the condition of the bank (section 38(e)(1));

(iii) Requiring submission of a capital restoration plan within the schedule established in this subpart (section 38(e)(2));

(iv) Restricting the growth of the bank’s assets (section 38(e)(3)); and

(v) Requiring prior approval of certain expansion proposals (section 38(e)(4)).

(3) Additional provisions applicable to significantly undercapitalized, and critically undercapitalized banks. In addition to the provisions of section 38 of the FDI Act described in paragraph (a)(2) of this section, immediately upon receiving notice or being deemed to have notice, as provided in §325.102 of this subpart, that the bank is significantly undercapitalized, or critically undercapitalized, or that the bank is subject to the provisions applicable to institutions that are significantly undercapitalized because the bank failed to submit or implement in any material respect an acceptable capital restoration plan, the bank shall become subject to the provisions of section 38 of the FDI Act that restrict compensation paid to senior executive officers of the institution (section 38(f)(4)).

(4) Additional provisions applicable to critically undercapitalized institutions. (i) In addition to the provisions of section 38 of the FDI Act described in paragraphs (a)(2) and (a)(3) of this section, immediately upon receiving notice or being deemed to have notice, as provided in §325.102 of this subpart, that the insured depository institution is critically undercapitalized, the institution is prohibited from doing any of the following without the FDIC’s prior written approval:

(A) Entering into any material transaction other than in the usual course of business, including any investment, expansion, acquisition, sale of assets, or other similar action with respect to which the depository institution is required to provide notice to the appropriate Federal banking agency;

(B) Extending credit for any highly leveraged transaction;

(C) Amending the institution’s charter or bylaws, except to the extent necessary to carry out any other requirement of any law, regulation, or order;

(D) Making any material change in accounting methods;

(E) Engaging in any covered transaction (as defined in section 23A(b) of the Federal Reserve Act (12 U.S.C. 371c(b));

(F) Paying excessive compensation or bonuses;

(Q) Paying interest on new or renewed liabilities at a rate that would increase the institution’s weighted average cost of funds to a level significantly exceeding the prevailing rates of interest on insured deposits in the institution’s normal market areas; and

(H) Making any principal or interest payment on subordinated debt beginning 60 days after becoming critically undercapitalized except that this restriction shall not apply, until July 15, 1996, with respect to any subordinated debt outstanding on July 15, 1991, and...
