§618.8025

(i) An evaluation of the operational costs and risks involved in offering the program, such as management and personnel requirements, training requirements, and capital outlays;

(ii) An evaluation of the financial liability that may be incurred as a result of offering the program and any insurance or other measures that are necessary to minimize these risks; and

(iii) An evaluation of the conflicts of interest, whether real or perceived, that may arise as a result of offering the program and any steps that are necessary to eliminate or appropriately manage these conflicts.

§618.8025 Feasibility reviews.

(a) Prior to an association offering a related service program for the first time or offering a service that it did not offer during the most recently completed business cycle (generally 1 year), the board of directors of the funding bank must verify that the association has performed a feasibility analysis pursuant to §618.8020. The bank review is limited to a determination that the feasibility analysis is complete and that the analysis establishes that it is feasible for the association to provide the program. Any conclusion by the bank that the feasibility analysis is incomplete or fails to demonstrate program feasibility must be fully supported and communicated to the association in writing within 60 days of its submission to the bank.

(b) Prior to a service corporation offering a service for the first time or offering a service that it did not offer during the most recently completed business cycle (generally 1 year), the owners of the service corporation must verify that the service corporation has performed a feasibility analysis pursuant to $\S618.8020$. If the owners all agree, one bank with a significant ownership interest can be delegated this responsibility.

§618.8030 Out-of-territory related services.

(a) System banks and associations may offer related services outside their chartered territories subject to the following conditions:

12 CFR Ch. VI (1–1–12 Edition)

(1) The System bank or association obtains consent from all chartered institutions currently offering the same type of service in the territory in which the service is to be provided; or

(2) If no System bank or association is currently offering the same type of service in the territory, then the outof-territory institution must obtain the consent of at least one direct lender institution chartered in the territory in which the related service is to be provided.

(3) The consent obtained pursuant to paragraphs (a)(1) and (a)(2) of this section shall be in the form of a written agreement with specific terms and conditions including timeframes.

(b) System banks and associations providing out-of-territory services must fulfill all requirements of subparts A and B of this part 618.

(c) An institution that consents to another bank or association providing a related service in its chartered territory must meet the requirements of this section, but need not comply with the other requirements of subparts A and B of this part 618, unless the program consented to imposes a financial obligation on the consenting institution. If a financial obligation exists, then the consenting institution must comply with §§618.8015, 618.8020 and 618.8025.

(d) Service corporations must follow the requirements of this section in offering related services out-of-territory. A service corporation cannot consent to an out-of-territory institution providing services in its chartered territory.

Subpart B—Member Insurance

§618.8040 Authorized insurance services.

(a) Farm Credit System banks (excluding banks for cooperatives) (hereinafter banks) and associations may sell to their members and borrowers, on an optional basis, credit or term life and credit disability insurance appropriate to protect the loan commitment in the event of death or disability of the debtors. The sale of other insurance necessary to protect a member's or borrower's farm or aquatic unit is
