§ 120.847 Requirements for the Loan Loss Reserve Fund (LLRF).

(a) General. PCLP CDCs must establish and maintain a LLRF (or multiple accounts which together constitute one LLRF) which complies with paragraphs (b) through (g) of this section. A PCLP CDC must use the LLRF or other funds to reimburse the SBA for 10 percent of any loss sustained by SBA as a result of a default in the payment of principal or interest on a Debenture it issued under the PCLP ("PCLP Debenture"). A CDC that is participating in the

PCLP as of January 1, 2004, and a CDC that has participated in the PCLP in the past but which does not have PCLP status as of that date, must establish a LLRF within 30 days of that date to cover potential losses for all 504 loans made in connection with PCLP Debentures that remain outstanding as of that date. A CDC that receives PCLP status after that date must establish and maintain a LLRF prior to closing any 504 loans processed under its PCLP status. The LLRF is the accumulation of deposits that a PCLP CDC must establish and maintain for each PCLP Debenture that it issues. PCLP CDCs must coordinate with their Lead SBA Office to ensure that the LLRF is properly established, that all necessary documentation is executed and delivered by all parties in a timely fashion, and that all required deposits are made.

- (b) PCLP CDC Exposure and LLRF deposit requirements. A PCLP CDC's "Exposure" is defined as its reimbursement obligation to SBA with respect to default in the payment of any PCLP Debenture. The amount of a PCLP CDC's Exposure is 10 percent of any loss (including attorney's fees; litigation costs; and care of collateral, appraisal and other liquidation costs and expenses) sustained by SBA as a result of a default in the payment of principal or interest on a PCLP Debenture. For each PCLP Debenture a PCLP CDC issues, it must establish and maintain an LLRF equal to one percent of the original principal amount (the face amount) of the PCLP Debenture. The amount the PCLP CDC must maintain in the LLRF for each PCLP Debenture remains the same even as the principal balance of the PCLP Debenture is paid down over time.
- (c) Establishing a LLRF. The LLRF must be a deposit account (or accounts) with a federally insured depository institution selected by the PCLP CDC. A "deposit account" is a demand, time, savings, or passbook account, including a certificate of deposit (CD) which is either uncertificated or, if certificated, non-transferable. A "deposit account" is not an investment account and must not contain securities or other investment properties. A deposit account may contain only cash and
