§ 124.701 What is the purpose of the 7(j) management and technical assistance program?

Section 7(j)(1) of the Small Business Act, 15 U.S.C. 636(j)(1), authorizes SBA $10,000,000 must submit to SBA reviewed annual financial statements prepared by a licensed independent public accountant within 90 days after the close of the concern’s fiscal year.

(2) The servicing SBA District Director may waive the requirement for reviewed financial statements for good cause shown by the Participant.

(c) Participants with gross annual receipts of less than $2,000,000 must submit to SBA an annual statement prepared in-house or a compilation statement prepared by a licensed independent public accountant, verified as to accuracy by an authorized officer, partner, limited liability member, or sole proprietor of the Participant, including signature and date, within 90 days after the close of the concern’s fiscal year.

(d) Any audited or reviewed financial statements submitted to SBA pursuant to paragraphs (a) or (b) of this section must be prepared in accordance with Generally Accepted Accounting Principles.

(e) While financial statements need not be submitted until 90 or 120 days after the close of a Participant’s fiscal year, depending on the receipts of the concern, a Participant seeking to be awarded an 8(a) contract between the close of its fiscal year and such 90 or 120-day time period must submit a final sales report signed by the CEO or President to SBA in order for SBA to determine the concern’s eligibility for the 8(a) contract. This report must show a breakdown of 8(a) and non-8(a) sales.

(f) Notwithstanding the amount of a Participant’s gross annual receipts, SBA may require audited or reviewed statements whenever they are needed to obtain more complete information as to a concern’s assets, liabilities, income or expenses, such as when the concern’s capacity to perform a specific 8(a) contract must be determined, or when they are needed to determine continued program eligibility.

(g) Participants owned by Tribes, ANCs, NHOs and CDCs may submit consolidated financial statements prepared by the parent entity that include schedules for each 8(a) Participant instead of separate audited financial statements for each individual 8(a) Participant. If one Participant must submit an audited financial statement, then the consolidated statement and the schedules for each 8(a) Participant must be audited.

§ 124.603 What reports regarding the continued business operations of former Participants does SBA require?

Former Participants must provide such information as SBA may request concerning the former Participant’s continued business operations, contracts, and financial condition for a period of three years following the date on which the concern graduates or is terminated from the program. Failure to provide such information when requested will constitute a violation of the regulations set forth in this part, and may result in the nonexercise of options on or termination of contracts awarded through the 8(a) BD program, debarment, or other legal recourse.
