Subpart 1252.2—Standards for Determining Age Discrimination

§ 1252.200 Rules against age discrimination.

The rules stated in this section are limited by the exceptions contained in § 1252.201.

(a) *General rule:* No person in the United States shall, on the basis of age be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

(b) *Specific rules:* A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual, licensing, or other arrangements use age distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under a program or activity receiving Federal financial assistance; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

§ 1252.201 Exceptions to the rules against age discrimination.

(a) Definitions. For purposes of this section, the terms *normal operation* and *statutory objective* shall have the following meaning:

(1) *Normal operation* means the operation of a program or activity without significant changes that would impair its ability to meet its objectives.

(2) *Statutory objective* means any purpose of a program or activity expressly stated in any Federal statute, state statute or local statute or ordinance adopted by any elected, general purpose legislative body.

(b) Normal operation or statutory objective of any program or activity. A recipient is permitted to take an action otherwise prohibited by § 1252.200 if the action reasonably takes into account age as a factor necessary to the normal operation of the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

(1) Age is used as a measure of approximation of one or more other characteristics; and

(2) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and

(3) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(4) The other characteristic(s) are impractical to measure directly on an individual basis.

(c) Reasonable factors other than age. A recipient is permitted to take an action otherwise prohibited by § 1252.200 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 1252.202 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in § 1252.201 (b) and (c) is on the recipient of Federal financial assistance.

§ 1252.203 Special benefits for children and the elderly.

If a recipient operating a program or activity provides special benefits to

§ 1252.300

the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program or activity, notwithstanding the provision of § 1252.10.

§ 1252.302 Assurance of compliance and recipient assessment of age distinctions.

(a) Each recipient of Federal financial assistance from NASA shall sign a written assurance as specified by NASA that it will comply with the Act and these regulations.

(b) *Recipient assessment of age distinctions.* (1) As part of a compliance review under § 91.41, NASA may require a recipient employing the equivalent of 15 or more employees to complete a written self-evaluation, in a manner specified by the responsible Agency official, of any age distinction imposed in its program or activity receiving Federal financial assistance from NASA to assess the recipient's compliance with the Act.

(2) Whenever an assessment indicates a violation of the Act and the NASA regulations, the recipient shall take corrective action.

§ 1252.303 Information requirements.

(a) Keep records in a form that contains information which NASA determines may be necessary to ascertain whether the recipient is complying with the Act and these regulations.

14 CFR Ch. V (1–1–12 Edition)

(b) Provide to NASA, upon request, information and reports which NASA determines are necessary to ascertain whether the recipient is complying with the Act and these regulations.

(c) Permit reasonable access by NASA to the books, records, accounts, and other recipient facilities and sources of information to the extent NASA determines is necessary to ascertain whether the recipient is complying with the Act and these regulations.

Subpart 1252.4—Investigation, Conciliation, and Enforcement Procedures

§ 1252.400 Compliance reviews.

(a) NASA may conduct compliance reviews and pre-award reviews of recipients or use other similar procedures that will permit it to investigate and correct violations of the Act and these regulations. NASA may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review or pre-award review indicates a violation of the Act or these regulations, NASA will attempt to secure the recipient's voluntary compliance with the Act. If voluntary compliance cannot be achieved, NASA will arrange for enforcement as described in § 1252.405.

§ 1252.401 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with NASA, alleging discrimination prohibited by the Act or these regulations based on an action occurring on or after July 1, 1979. A complaint must be filed within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, NASA may extend this time limit.

(b) NASA will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement, which identifies the parties involved and the
