“Knit in USA, assembled in [Foreign Country]”.

(ii) When the U.S. Customs Service requires an origin label on the unfinished product, the manufacturing processes as required in paragraph (a)(4)(i) of this section or the name of the foreign country required by Customs, for example:
“Made in (foreign country)”

(b) For the purpose of determining whether a product should be marked under paragraphs (a)(2), (3), or (4) of this section, a manufacturer needs to consider the origin of only those materials that are covered under the Act and that are one step removed from that manufacturing process. For example, a yarn manufacturer must identify fiber if it is imported, a cloth manufacturer must identify imported yarn and a household product manufacturer must identify imported cloth or imported yarn for household products made directly from yarn, or imported fiber used as filling for warmth.

(c) The term country means the political entity known as a nation. Except for the United States, colonies, possessions or protectorates outside the boundaries of the mother country shall be considered separate countries, and the name thereof shall be deemed acceptable in designating the country where the textile fiber product was processed or manufactured unless the Commission shall otherwise direct.

(d) The country where the imported textile fiber product was principally made shall be considered to be the country where such textile fiber product was processed or manufactured. Further work or material added to the textile fiber product in another country must effect a basic change in form in order to render such other country the place where such textile fiber product was processed or manufactured.

(e) The English name of the country where the imported textile fiber product was processed or manufactured shall be used. The adjectival form of the name of the country will be accepted as the name of the country where the textile fiber product was processed or manufactured, provided the adjectival form of the name does not appear with such other words so as to refer to a kind or species of product. Variant spellings which clearly indicate the English name of the country, such as Brasil for Brazil and Italie for Italy, are acceptable. Abbreviations which unmistakably indicate the name of a country, such as “Gt. Britain” for “Great Britain,” are acceptable.

(f) Nothing in this rule shall be construed as limiting in any way the information required to be disclosed on labels under the provisions of any Tariff Act of the United States or regulations prescribed by the Secretary of the Treasury.

§ 303.34 Country of origin in mail order advertising.

When a textile fiber product is advertised in any mail order catalog or mail order promotional material, the description of such product shall contain a clear and conspicuous statement that the product was either made in U.S.A., imported, or both. Other words or phrases with the same meaning may be used. The statement of origin required by this section shall not be inconsistent with the origin labeling of the product being advertised.

[50 FR 15107, Apr. 17, 1985]

§ 303.35 Use of terms “virgin” or “new.”

The terms virgin or new as descriptive of a textile fiber product, or any fiber or part thereof, shall not be used when the product or part so described is not composed wholly of new or virgin fiber which has never been reclaimed from any spun, woven, knitted, felted, bonded, or similarly manufactured product.

§ 303.36 Form of separate guaranty.

(a) The following are suggested forms of separate guaranties under section 10 of the Act which may be used by a guarantor residing in the United States on or as part of an invoice or other paper relating to the marketing or handling of any textile fiber products listed and designated therein, and showing the date of such invoice or other paper and the signature and address of the guarantor.
