### § 240.15c3-3 Customer protection—reserves and custody of securities.

(a) *Definitions.* For the purpose of this section:

(1) The term *customer* shall mean any person from whom or on whose behalf a broker or dealer has received or acquired or holds funds or securities for the account of that person. The term shall not include a broker or dealer, a municipal securities dealer, or a government securities broker or government securities dealer. The term shall,

however, include another broker or dealer to the extent that broker or dealer maintains an omnibus account for the account of customers with the broker or dealer in compliance with Regulation T (12 CFR 220.1 through 220.19). The term shall not include a general partner or director or principal officer of the broker or dealer or any other person to the extent that person has a claim for property or funds which by contract, agreement or understanding, or by operation of law, is part of the capital of the broker or dealer or is subordinated to the claims of creditors of the broker or dealer. In addition, the term shall not include a person to the extent that the person has a claim for security futures products held in a futures account, or any security futures product and any futures product held in a "proprietary account" as defined by the Commodity Futures Trading Commission in § 1.3(y) of this chapter. The term also shall not include a counterparty who has delivered collateral to an OTC derivatives dealer pursuant to a transaction in an eligible OTC derivative instrument, or pursuant to the OTC derivatives dealer's cash management securities activities or ancillary portfolio management securities activities, and who has received a prominent written notice from the OTC derivatives dealer that:

(i) Except as otherwise agreed in writing by the OTC derivatives dealer and the counterparty, the dealer may repledge or otherwise use the collateral in its business;

(ii) In the event of the OTC derivatives dealer's failure, the counterparty will likely be considered an unsecured creditor of the dealer as to that collateral;

(iii) The Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa et seq.) does not protect the counterparty; and

(iv) The collateral will not be subject to the requirements of § 240.8c-1, § 240.15c2-1, § 240.15c3-2, or § 240.15c3-3;

(2) The term *securities carried for the account of a customer* (hereinafter also "customer securities") shall mean:

(i) Securities received by or on behalf of a broker or dealer for the account of any customer and securities carried long by a broker or dealer for the account of any customer; and

(ii) Securities sold to, or bought for, a customer by a broker or dealer.

(3) The term *fully paid securities* shall include all securities carried for the account of a customer in a special cash account as defined in Regulation T promulgated by the Board of Governors of the Federal Reserve System, as well as margin equity securities within the meaning of Regulation T which are carried for the account of a customer in a general account or any special account under Regulation T during any period when section 8 of Regulation T (12 CFR 220.8) specifies that margin equity securities shall have no loan value in a general account or special convertible debt security account, and all such margin equity securities in such account if they are fully paid: *Provided, however*, That the term “fully paid securities” shall not apply to any securities which are purchased in transactions for which the customer has not made full payment.

(4) The term *margin securities* shall mean those securities carried for the account of a customer in a general account as defined in Regulation T, as well as securities carried in any special account (such general or special accounts hereinafter referred to as “margin accounts”) other than the securities referred to in paragraph (a)(3) of this section.

(5) The term *excess margin securities* shall mean those securities referred to in paragraph (a)(4) of this section carried for the account of a customer having a market value in excess of 140 percent of the total of the debit balances in the customer’s account or accounts encompassed by paragraph (a)(4) of this section which the broker or dealer identifies as not constituting margin securities.

(6) The term *qualified security* shall mean a security issued by the United States or a security in respect of which the principal and interest are guaranteed by the United States.

(7) The term *bank* shall mean a bank as defined in section 3(a)(6) of the Act and shall also mean any building and loan, savings and loan or similar banking institution subject to supervision by a Federal banking authority. With respect to a broker or dealer who maintains his principal place of business in

the Dominion of Canada, the term “bank” shall also mean a Canadian bank subject to supervision by an authority of the Dominion of Canada.

(8) The term *free credit balances* shall mean liabilities of a broker or dealer to customers which are subject to immediate cash payment to customers on demand, whether resulting from sales of securities, dividends, interest, deposits or otherwise, excluding, however, funds in commodity accounts which are segregated in accordance with the Commodity Exchange Act or in a similar manner.

(9) The term *other credit balances* shall mean cash liabilities of a broker or dealer to customers other than free credit balances and funds in commodities accounts segregated as aforesaid.

(10) The term *funds carried for the account of any customer* (hereinafter also “customer funds”) shall mean all free credit and other credit balances carried for the account of the customer.

(11) The term *principal officer* shall mean the president, executive vice president, treasurer, secretary or any other person performing a similar function with the broker or dealer.

(12) The term *household members and other persons related to principals* includes husbands or wives, children, sons-in-law or daughters-in-law and any household relative to whose support a principal contributes directly or indirectly. For purposes of this paragraph (a)(12), a principal shall be deemed to be a director, general partner, or principal officer of the broker or dealer.

(13) The term *affiliated person* includes any person who directly or indirectly controls a broker or dealer or any person who is directly or indirectly controlled by or under common control with the broker or dealer. Ownership of 10% or more of the common stock of the relevant entity will be deemed prima facie control of that entity for purposes of this paragraph.

(14) The term *securities account* shall mean an account that is maintained in accordance with the requirements of section 15(c)(3) of the Act (15 U.S.C. 78o(c)(3)) and § 240.15c3-3.

(15) The term *futures account* (also referred to as “commodity account”)

shall mean an account that is maintained in accordance with the segregation requirements of section 4d of the Commodity Exchange Act (7 U.S.C. 6d) and the rules thereunder.

(b) *Physical possession or control of securities.* (1) A broker or dealer shall promptly obtain and shall thereafter maintain the physical possession or control of all fully-paid securities and excess margin securities carried by a broker or dealer for the account of customers.

(2) A broker or dealer shall not be deemed to be in violation of the provisions of paragraph (b)(1) of this section regarding physical possession or control of customers' securities if, solely as the result of normal business operations, temporary lags occur between the time when a security is required to be in the possession or control of the broker or dealer and the time that it is placed in his physical possession or under his control, provided that the broker or dealer takes timely steps in good faith to establish prompt physical possession or control. The burden of proof shall be on the broker or dealer to establish that the failure to obtain physical possession or control of securities carried for the account of customers as required by paragraph (b)(1) of this section is merely temporary and solely the result of normal business operations including same day receipt and redelivery (turnaround), and to establish that he has taken timely steps in good faith to place them in his physical possession or control.

(3) A broker or dealer shall not be deemed to be in violation of the provisions of paragraph (b)(1) of this section regarding physical possession or control of fully-paid or excess margin securities borrowed from any person, provided that the broker or dealer and the lender, at or before the time of the loan, enter into a written agreement that, at a minimum;

(i) Sets forth in a separate schedule or schedules the basis of compensation for any loan and generally the rights and liabilities of the parties as to the borrowed securities;

(ii) Provides that the lender will be given a schedule of the securities actually borrowed at the time of the borrowing of the securities;

(iii) Specifies that the broker or dealer:

(A) Must provide to the lender, upon the execution of the agreement or by the close of the business day of the loan if the loan occurs subsequent to the execution of the agreement, collateral, which fully secures the loan of securities, consisting exclusively of cash or United States Treasury bills and Treasury notes or an irrevocable letter of credit issued by a bank as defined in section 3(a)(6)(A)-(C) of the Act (15 U.S.C. 78c(a)(6)(A)-(C)) or such other collateral as the Commission designates as permissible by order as necessary or appropriate in the public interest and consistent with the protection of investors after giving consideration to the collateral's liquidity, volatility, market depth and location, and the issuer's creditworthiness; and

(B) Must mark the loan to the market not less than daily and, in the event that the market value of all the outstanding securities loaned at the close of trading at the end of the business day exceeds 100 percent of the collateral then held by the lender, the borrowing broker or dealer must provide additional collateral of the type described in paragraph (b)(3)(iii)(A) of this section to the lender by the close of the next business day as necessary to equal, together with the collateral then held by the lender, not less than 100 percent of the market value of the securities loaned; and

(iv) Contains a prominent notice that the provisions of the Securities Investor Protection Act of 1970 may not protect the lender with respect to the securities loan transaction and that, therefore, the collateral delivered to the lender may constitute the only source of satisfaction of the broker's or dealer's obligation in the event the broker or dealer fails to return the securities.

(4)(i) Notwithstanding paragraph (k)(2)(i) of this section, a broker or dealer that retains custody of securities that are the subject of a repurchase agreement between the broker or dealer and a counterparty shall:

(A) Obtain the repurchase agreement in writing;

## Securities and Exchange Commission

## § 240.15c3-3

(B) Confirm in writing the specific securities that are the subject of a repurchase transaction pursuant to such agreement at the end of the trading day on which the transaction is initiated and at the end of any other day during which other securities are substituted if the substitution results in a change to issuer, maturity date, par amount or coupon rate as specified in the previous confirmation;

(C) Advise the counterparty in the repurchase agreement that the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 do not protect the counterparty with respect to the repurchase agreement;

(D) Maintain possession or control of securities that are the subject of the agreement.

(ii) For purpose of this paragraph (b)(4), securities are in the broker's or dealer's control only if they are in the control of the broker or dealer within the meaning of § 240.15c3-3 (c)(1), (c)(3), (c)(5) or (c)(6) of this title.

(iii) A broker or dealer shall not be in violation of the requirement to maintain possession or control pursuant to paragraph (b)(4)(i)(D) during the trading day if:

(A) In the written repurchase agreement, the counterparty grants the broker or dealer the right to substitute other securities for those subject to the agreement; and

(B) The provision in the written repurchase agreement governing the right, if any, to substitute is immediately preceded by the following disclosure statement, which must be prominently displayed:

### REQUIRED DISCLOSURE

The [seller] is not permitted to substitute other securities for those subject to this agreement and therefore must keep the [buyer's] securities segregated at all times, unless in this agreement the [buyer] grants the [seller] the right to substitute other securities. If the [buyer] grants the right to substitute, this means that the [buyer's] securities will likely be commingled with the [seller's] own securities during the trading day. The [buyer] is advised that, during any trading day that the [buyer's] securities are commingled with the [seller's] securities, they will be subject to liens granted by the [seller] to its clearing bank and may be used by

the [seller] for deliveries on other securities transactions. Whenever the securities are commingled, the [seller's] ability to resegment substitute securities for the [buyer] will be subject to the [seller's] ability to satisfy the clearing lien or to obtain substitute securities.

(iv) A confirmation issued in accordance with paragraph (b)(4)(i)(B) of this section shall specify the issuer, maturity date, coupon rate, par amount and market value of the security and shall further identify a CUSIP or mortgage-backed security pool number, as appropriate, except that a CUSIP or a pool number is not required on the confirmation if it is identified in internal records of the broker or dealer that designate the specific security of the counterparty. For purposes of this paragraph (b)(4)(iv), the market value of any security that is the subject of the repurchase transaction shall be the most recently available bid price plus accrued interest, obtained by any reasonable and consistent methodology.

(v) This paragraph (b)(4) shall not apply to a repurchase agreement between the broker or dealer and another broker or dealer (including a government securities broker or dealer), a registered municipal securities dealer, or a general partner or director or principal officer of the broker or dealer or any person to the extent that his claim is explicitly subordinated to the claims of creditors of the broker or dealer.

(c) *Control of securities.* Securities under the control of a broker or dealer shall be deemed to be securities which:

(1) Are represented by one or more certificates in the custody or control of a clearing corporation or other subsidiary organization of either national securities exchanges or of a registered national securities association, or of a custodian bank in accordance with a system for the central handling of securities complying with the provisions of §§ 240.8c-1(g) and 240.15c2-1(g) the delivery of which certificates to the broker or dealer does not require the payment of money or value, and if the books or records of the broker or dealer identify the customers entitled to receive specified quantities or units of the securities so held for such customers collectively; or

(2) Are carried for the account of any customer by a broker or dealer and are

carried in a special omnibus account in the name of such broker or dealer with another broker or dealer in compliance with the requirements of section 4(b) of Regulation T under the Act (12 CFR 220.4(b)), such securities being deemed to be under the control of such broker or dealer to the extent that he has instructed such carrying broker or dealer to maintain physical possession or control of them free of any charge, lien, or claim of any kind in favor of such carrying broker or dealer or any persons claiming through such carrying broker or dealer; or

(3) Are the subject of bona fide items of transfer; provided that securities shall be deemed not to be the subject of bona fide items of transfer if, within 40 calendar days after they have been transmitted for transfer by the broker or dealer to the issuer or its transfer agent, new certificates conforming to the instructions of the broker or dealer have not been received by him, he has not received a written statement by the issuer or its transfer agent acknowledging the transfer instructions and the possession of the securities or he has not obtained a revalidation of a window ticket from a transfer agent with respect to the certificate delivered for transfer; or

(4) Are in the custody of a foreign depository, foreign clearing agency or foreign custodian bank which the Commission upon application from a broker or dealer, a registered national securities exchange or a registered national securities association, or upon its own motion shall designate as a satisfactory control location for securities; or

(5) Are in the custody or control of a bank as defined in section 3(a)(6) of the Act, the delivery of which securities to the broker or dealer does not require the payment of money or value and the bank having acknowledged in writing that the securities in its custody or control are not subject to any right, charge, security interest, lien or claim of any kind in favor of a bank or any person claiming through the bank; or

(6)(i) Are held in or are in transit between offices of the broker or dealer; or (ii) are held by a corporate subsidiary if the broker or dealer owns and exercises a majority of the voting rights of all of the voting securities of such sub-

sidiary, assumes or guarantees all of the subsidiary's obligations and liabilities, operates the subsidiary as a branch office of the broker or dealer, and assumes full responsibility for compliance by the subsidiary and all of its associated persons with the provisions of the Federal securities laws as well as for all of the other acts of the subsidiary and such associated persons; or

(7) Are held in such other locations as the Commission shall upon application from a broker or dealer find and designate to be adequate for the protection of customer securities.

(d) *Requirement to reduce securities to possession or control.* Not later than the next business day, a broker or dealer, as of the close of the preceding business day, shall determine from his books or records the quantity of fully paid securities and excess margin securities in his possession or control and the quantity of fully paid securities and excess margin securities not in his possession or control. In making this daily determination inactive margin accounts (accounts having no activity by reason of purchase or sale of securities, receipt or delivery of cash or securities or similar type events) may be computed not less than once weekly. If such books or records indicate, as of such close of the business day, that such broker or dealer has not obtained physical possession or control of all fully paid and excess margin securities as required by this section and there are securities of the same issue and class in any of the following non-control locations:

(1) Securities subject to a lien securing moneys borrowed by the broker or dealer or securities loaned to another broker or dealer or a clearing corporation, then the broker or dealer shall, not later than the business day following the day on which such determination is made, issue instructions for the release of such securities from the lien or return of such loaned securities and shall obtain physical possession or control of such securities within two business days following the date of issuance of the instructions in the case of securities subject to lien securing borrowed moneys and within five business days following the date of

## Securities and Exchange Commission

## § 240.15c3-3

issuance of instructions in the case of securities loaned; or

(2) Securities included on his books or records as failed to receive more than 30 calendar days, then the broker or dealer shall, not later than the business day following the day on which such determination is made, take prompt steps to obtain physical possession or control of securities so failed to receive through a buy-in procedure or otherwise; or

(3) Securities receivable by the broker or dealer as a security dividend receivable, stock split or similar distribution for more than 45 calendar days, then the broker or dealer shall, not later than the business day following the day on which such determination is made, take prompt steps to obtain physical possession or control of securities so receivable through a buy-in procedure or otherwise.

(4) A broker or dealer which is subject to the requirements of § 240.15c3-3 with respect to physical possession or control of fully paid and excess margin securities shall prepare and maintain a current and detailed description of the procedures which it utilizes to comply with the possession or control requirements set forth in this section. The records required herein shall be made available upon request to the Commission and to the designated examining authority for such broker or dealer.

(e) *Special reserve bank account for the exclusive benefit of customers.* (1) Every broker or dealer shall maintain with a bank or banks at all times when deposits are required or hereinafter specified a "Special Reserve Bank Account for the Exclusive Benefit of Customers" (hereinafter referred to as the "Reserve Bank Account"), and it shall be separate from any other bank account of the broker or dealer. Such broker or dealer shall at all times maintain in such Reserve Bank Account, through deposits made therein, cash and/or qualified securities in an amount not less than the amount computed in accordance with the formula set forth in § 240.15c3-3a.

(2) It shall be unlawful for any broker or dealer to accept or use any of the amounts under items comprising Total Credits under the formula referred to in paragraph (e)(1) of this section ex-

cept for the specified purposes indicated under items comprising Total Debits under the formula, and, to the extent Total Credits exceed Total Debits, at least the net amount thereof shall be maintained in the Reserve Bank Account pursuant to paragraph (e)(1) of this section.

(3) Computations necessary to determine the amount required to be deposited as specified in paragraph (e)(1) of this section shall be made weekly, as of the close of the last business day of the week, and the deposit so computed shall be made no later than 1 hour after the opening of banking business on the second following business day; provided, however, a broker or dealer which has aggregate indebtedness not exceeding 800 percent of net capital (as defined in § 240.15c3-1 or in the capital rules of a national securities exchange of which it is a member and exempt from § 240.15c3-1 by paragraph (b)(2) thereof) and which carries aggregate customer funds (as defined in paragraph (a)(10) of this section), as computed at the last required computation pursuant to this section, not exceeding \$1 million, may in the alternative make the computation monthly, as of the close of the last business day of the month, and, in such event, shall deposit not less than 105 percent of the amount so computed no later than 1 hour after the opening of banking business on the second following business day. If a broker or dealer, computing on a monthly basis, has, at the time of any required computation, aggregate indebtedness in excess of 800 percent of net capital, such broker or dealer shall thereafter compute weekly as aforesaid until four successive weekly computations are made, none of which were made at a time when his aggregate indebtedness exceeded 800 percent of his net capital. Computations in addition to the computations required in this paragraph (3), may be made as of the close of any other business day, and the deposits so computed shall be made no later than 1 hour after the opening of banking business on the second following business day. The broker or dealer shall make and maintain a record of each such computation made

pursuant to this paragraph (3) or otherwise and preserve each such record in accordance with § 240.17a-4.

(f) *Notification of banks.* A broker or dealer required to maintain the reserve bank account prescribed by this section or who maintains a special account referred to in paragraph (k) of this section shall obtain and preserve in accordance with § 240.17a-4 written notification from each bank in which he has his reserve bank account or special account that the bank was informed that all cash and/or qualified securities deposited therein are being held by the bank for the exclusive benefit of customers of the broker or dealer in accordance with the regulations of the Commission, and are being kept separate from any other accounts maintained by the broker or dealer with the bank, and the broker or dealer shall have a written contract with the bank which provides that the cash and/or qualified securities shall at no time be used directly or indirectly as security for a loan to the broker or dealer by the bank and, shall be subject to no right, charge, security interest, lien, or claim of any kind in favor of the bank or any person claiming through the bank.

(g) *Withdrawals from the reserve bank account.* A broker or dealer may make withdrawals from his reserve bank account if and to the extent that at the time of the withdrawal the amount remaining in the reserve bank account is not less than the amount then required by paragraph (e) of this section. A bank may presume that any request for withdrawal from a reserve bank account is in conformity and compliance with this paragraph (g). On any business day on which a withdrawal is made, the broker or dealer shall make a record of the computation on the basis of which he makes such withdrawal, and he shall preserve such computation in accordance with § 240.17a-4.

(h) *Buy-in of short security differences.* A broker or dealer shall within 45 calendar days after the date of the examination, count, verification and comparison of securities pursuant to § 240.17a-13 or otherwise or to the annual report of financial condition in accordance with § 240.17a-5 or 240.17a-12, buy-in all short security differences

which are not resolved during the 45-day period.

(i) *Notification in the event of failure to make a required deposit.* If a broker or dealer shall fail to make in his reserve bank account or special account a deposit, as required by this section, the broker or dealer shall by telegram immediately notify the Commission and the regulatory authority for the broker or dealer, which examines such broker or dealer as to financial responsibility and shall promptly thereafter confirm such notification in writing.

(j) [Reserved]

(k) *Exemptions.* (1) The provisions of this section shall not be applicable to a broker or dealer meeting all of the following conditions:

(i) His dealer transactions (as principal for his own account) are limited to the purchase, sale, and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; except that a broker or dealer transacting business as a sole proprietor may also effect occasional transactions in other securities for his own account with or through another registered broker or dealer;

(ii) His transactions as broker (agent) are limited to: (a) The sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; (b) the solicitation of share accounts for savings and loan associations insured by an instrumentality of the United States; and (c) the sale of securities for the account of a customer to obtain funds for immediate reinvestment in redeemable securities of registered investment companies; and

(iii) He promptly transmits all funds and delivers all securities received in connection with his activities as a broker or dealer, and does not otherwise hold funds or securities for, or owe money or securities to, customers.

(iv) Notwithstanding the foregoing, this section shall not apply to any insurance company which is a registered broker-dealer, and which otherwise

meets all of the conditions in paragraphs (k)(1) (i), (ii), and (iii) of this section, solely by reason of its participation in transactions that are a part of the business of insurance, including the purchasing, selling, or holding of securities for or on behalf of such company's general and separate accounts.

(2) The provisions of this section shall not be applicable to a broker or dealer:

(i) Who carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with his activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and his customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers of (name of the broker or dealer)"; or

(3) Upon written application by a broker or dealer, the Commission may exempt such broker or dealer from the provisions of this section, either unconditionally or on specified terms and conditions, if the Commission finds that the broker or dealer has established safeguards for the protection of funds and securities of customers comparable with those provided for by this section and that it is not necessary in the public interest or for the protection of investors to subject the particular broker or dealer to the provisions of this section.

(1) *Delivery of securities.* Nothing stated in this section shall be construed as affecting the absolute right of a customer of a broker or dealer to receive in the course of normal business oper-

ations following demand made on the broker or dealer, the physical delivery of certificates for:

(1) Fully-paid securities to which he is entitled, and,

(2) Margin securities upon full payment by such customer to the broker or dealer of his indebtedness to the broker or dealer; and, subject to the right of the broker or dealer under § 220.7(b) of Regulation T [12 CFR 220.7(b)] to retain collateral for his own protection beyond the requirements of Regulation T, excess margin securities not reasonably required to collateralize such customer's indebtedness to the broker or dealer.

(m) *Completion of sell orders on behalf of customers.* If a broker or dealer executes a sell order of a customer (other than an order to execute a sale of securities which the seller does not own) and if for any reason whatever the broker or dealer has not obtained possession of the securities from the customer within 10 business days after the settlement date, the broker or dealer shall immediately thereafter close the transaction with the customer by purchasing securities of like kind and quantity: *Provided, however,* The term *customer* for the purpose of this paragraph (m) shall not include a broker or dealer who maintains a special omnibus account with another broker or dealer in compliance with section 4(b) of Regulation T [12 CFR 220.4(b)].

(n) *Extensions of time.* If a registered national securities exchange or a registered national securities association is satisfied that a broker or dealer is acting in good faith in making the application and that exceptional circumstances warrant such action, such exchange or association, on application of the broker or dealer, may extend any period specified in paragraphs (d) (2) and (3), (h) and (m) of this section, relating to the requirement that such broker or dealer take action within a designated period of time to buy-in a

security, for one or more limited periods commensurate with the circumstances. Each such exchange or association shall make and preserve for a period of not less than 3 years a record of each extension granted pursuant to paragraph (n) of this section which shall contain a summary of the justification for the granting of the extension.

(o) *Security futures products*—(1) *Where security futures products shall be held.* A broker or dealer registered with the Commission pursuant to section 15(b)(1) of the Act (15 U.S.C. 78o(b)(1)) that is also a futures commission merchant registered with the Commodity Futures Trading Commission pursuant to section 4f(a)(1) of the Commodity Exchange Act (7 U.S.C. 6f(a)(1)):

(i) Shall hold a customer's security futures products in either a securities account or a futures account; and

(ii) Shall establish written policies or procedures for determining whether customer security futures products will be placed in a securities account or a futures account and, if applicable, the process by which a customer may elect the type or types of account in which security futures products will be held (including the procedure to be followed if a customer fails to make an election of account type).

(2) *Disclosure and record requirements.*—(i) Except as provided in paragraph (o)(2)(ii), before a broker or dealer registered with the Commission pursuant to section 15(b)(1) of the Act (15 U.S.C. 78o(b)(1)) accepts the first order for a security futures product from or on behalf of a customer, the broker or dealer shall furnish the customer with a disclosure document containing the following information:
