

Securities and Exchange Commission

§ 242.300

are in addition to any requirements applicable to broker-dealers registered under section 15 of the Act, (15 U.S.C. 78o).

3. An alternative trading system must comply with any applicable state law relating to the offer or sale of securities or the registration or regulation of persons or entities effecting transactions in securities.

4. The disclosures made pursuant to the provisions of this section are in addition to any other disclosure requirements under the federal securities laws.

§ 242.300 Definitions.

For purposes of this section, the following definitions shall apply:

(a) *Alternative trading system* means any organization, association, person, group of persons, or system:

(1) That constitutes, maintains, or provides a market place or facilities for bringing together purchasers and sellers of securities or for otherwise performing with respect to securities the functions commonly performed by a stock exchange within the meaning of § 240.3b-16 of this chapter; and

(2) That does not:

(i) Set rules governing the conduct of subscribers other than the conduct of such subscribers' trading on such organization, association, person, group of persons, or system; or

(ii) Discipline subscribers other than by exclusion from trading.

(b) *Subscriber* means any person that has entered into a contractual agreement with an alternative trading system to access such alternative trading system for the purpose of effecting transactions in securities or submitting, disseminating, or displaying orders on such alternative trading system, including a customer, member, user, or participant in an alternative trading system. A subscriber, however, shall not include a national securities exchange or national securities association.

(c) *Affiliate of a subscriber* means any person that, directly or indirectly, controls, is under common control with, or is controlled by, the subscriber, including any employee.

(d) *Debt security* shall mean any security other than an equity security, as defined in § 240.3a11-1 of this chapter, as well as non-participatory preferred stock.

(e) *Order* means any firm indication of a willingness to buy or sell a secu-

rity, as either principal or agent, including any bid or offer quotation, market order, limit order, or other priced order.

(f) *Control* means the power, directly or indirectly, to direct the management or policies of an alternative trading system, whether through ownership of securities, by contract, or otherwise. A person is presumed to *control* an alternative trading system, if that person:

(1) Is a director, general partner, or officer exercising executive responsibility (or having similar status or performing similar functions);

(2) Directly or indirectly has the right to vote 25 percent or more of a class of voting security or has the power to sell or direct the sale of 25 percent or more of a class of voting securities of the alternative trading system; or

(3) In the case of a partnership, has contributed, or has the right to receive upon dissolution, 25 percent or more of the capital of the alternative trading system.

(g) *NMS stock* shall have the meaning provided in § 242.600; *provided, however*, that a debt or convertible debt security shall not be deemed an NMS stock for purposes of this Regulation ATS.

(h) *Effective transaction reporting plan* shall have the meaning provided in § 242.600.

(i) *Corporate debt security* shall mean any security that:

(1) Evidences a liability of the issuer of such security;

(2) Has a fixed maturity date that is at least one year following the date of issuance; and

(3) Is not an exempted security, as defined in section 3(a)(12) of the Act (15 U.S.C. 78c(a)(12)).

(j) *Commercial paper* shall mean any note, draft, or bill of exchange which arises out of a current transaction or the proceeds of which have been or are to be used for current transactions, and which has a maturity at the time of issuance of not exceeding nine months, exclusive of days of grace, or any renewal thereof the maturity of which is likewise limited.
