

§ 725.8

(3) Where avoidance of floodplains cannot be achieved, minimization of adverse impacts and support of floodplain development, and preservation and restoration of natural and beneficial floodplain values;

(4) Where avoidance of wetlands cannot be achieved, minimization of adverse impacts and support of new construction in wetlands, and preservation and enhancement of natural and beneficial wetlands values; and

(5) Involvement of the public in the floodplain management and wetlands protection decisionmaking process.

(b) The Council's Floodplain Management Guidelines (43 FR 6030) shall be used as the basis for implementing the criteria in § 725.7(a)(1) through (5).

(c) The responsible official representing the regional planning sponsor shall, to the fullest extent of his or her authority, ensure that any activities carried out under his or her plans and programs meet the criteria in § 725.7(a)(1) through (5).

§ 725.8 Report, plan and recommendation development and review.

All reports, plans and recommendations received under section 104 of Pub. L. 89-80 shall be reviewed by the Council for reflection of and opportunities to meet the objectives of E.O. 11988 and 11990. This review shall be based on the criteria in § 725.7(a)(1) through (5), on E.O. 11988 and 11990, and on the Council's Floodplain Management Guidelines (43 FR 6030).

§ 725.9 Reviews of compliance.

Reviews of compliance performed pursuant to section 304 of Pub. L. 89-80 shall include analysis of each program's treatment of floodplain management and wetland protection in accordance with the manner in which these concepts are expressed in E.O. 11988, 11990, and the Council's Floodplain Management Guidelines (43 FR 6030).

§ 740.1 Purpose and scope.

(a) In recognition of the role of the States as the focal point for the management of water and related land resources, this part establishes guidelines for financial and program assistance to States for water management planning programs which address each State's particular needs, which are based on established State goals and objectives, and which take into consideration national goals and objectives.

(b) The purpose of the State Water Management Planning Program (Program) is to provide financial and program assistance to participating States to support the development and modification of comprehensive water management planning programs.

(c) Funds made available under this part shall be used to establish, develop or enhance existing or proposed State water resources management and planning programs that are designed to address pertinent State and national goals and objectives, as well as the goals and objectives of Title III of the Water Resources Planning Act (Act), Pub. L. 89-80, as amended, by addressing in the Program the following:

(1) Coordination of the program authorized by the Act and those related programs of other Federal agencies;

(2) Integration of water conservation with State water management planning;

(3) Integration of water quantity and water quality planning;

(4) Integration of ground and surface water planning;
