An importer may file an entry summary for consumption or an entry summary for warehouse for less than the invoiced and manifested number of packages in a shipment “permitted” and delivered to him or deposited in a bonded warehouse under the immediate delivery procedure in §142.21 of this chapter, or under the entry documentation in §142.3(a), if he files with the entry summary a Customs Form 5931 in triplicate. § 158.4 Liability of carrier for lost or missing packages.

Upon a joint determination or independent determination of quantity as set forth in §158.1 (a) or (b) resulting in the merchandise being “permitted,” the carrier shall be responsible only for any discrepancy between the manifested quantity and the “permitted” quantity. In the case of an importing carrier, when there is a difference between the quantity shown on the inward foreign manifest and the quantity “permitted,” liquidated damages or duties shall be assessed under the provisions of the carrier’s bond or under the provisions of section 448, Tariff Act of 1930, as amended (19 U.S.C. 1448), unless the carrier corrects his manifest (see §4.12 of this chapter). § 158.5 Deficiencies in contents of packages—general.

An allowance shall be made in the assessment of duties for deficiencies in the contents of packages when, before the liquidation of the entry becomes final, the importer files:

(b) In the case of an unconcealed shortage, a Customs Form 5931, in triplicate, executed by both the importer and the importing or bonded carrier, as appropriate.
