

§ 243.4 Taxation of benefits.

(a) Annuities paid by the Board are subject to Federal income tax in accord with the Internal Revenue Code. The annuity portion equivalent to the amount of the benefit that the person would have actually received under the Social Security Act if railroad service had been creditable under that Act is treated for Federal income tax purposes the same way as a social security benefit. Annuity payments computed under the social security overall minimum provision contained in section 3(f)(3) of the Railroad Retirement Act (see § 243.5 of this part) are also treated as social security benefits for Federal income tax purposes. Railroad retirement annuity amounts exceeding social security equivalent payments, vested dual benefits, and supplemental annuities are taxed in the same manner as benefits provided under an employer plan which meets the requirements of section 401(a) of the Internal Revenue Code.

(b) Pursuant to section 14 of the Railroad Retirement Act, no annuity or supplemental annuity, in whole or in part, is subject to any tax by any state or any political subdivision thereof.

§ 243.5 Assignment of a portion of an annuity paid under the social security overall minimum provision.

Section 3(f)(3) of the Railroad Retirement Act, the social security overall minimum provision, guarantees that an annuitant will receive, in combined benefits under the Railroad Retirement and Social Security Acts, not less than the amount which would have been paid to the employee and to members of his or her family under the Social Security Act if the employee's railroad service had been creditable under that Act. An annuitant whose annuity is computed under that provision may assign all or any portion of that annuity to any of the members of his or her family who are or who could be included in the computation of the annuity. Any assignment issued pursuant to this section will terminate:

(a) When revoked by the annuitant by notification to the Board; or

(b) When the annuity is no longer computed under the social security overall minimum provision.

§ 243.6 Waiver of annuity payments.

(a) Any individual who has been awarded an annuity under the Railroad Retirement Act shall have the right to waive such annuity in whole or in part by filing with the Board a statement to that effect signed by him or her.

(b) Such a waiver shall be effective as of the date specified in the waiver statement, except that if an annuity has been awarded, a waiver shall not be effective before the first day of the month after the month in which the waiver form is received at an office of the Board and shall not be effective as to any annuity payment which has already been made or which cannot be prevented.

(c) For the period during which a waiver is in effect, no payment of the amount of the annuity waived can ever be made to any person. A waiver of an annuity shall not, however, have any effect on the amount of a spouse's annuity otherwise payable or on a lump sum under section 6(c) of the Act otherwise due, nor shall it serve to make an individual eligible for a lump-sum death benefit under section 6(b) of the Act or any insurance benefit under the Social Security Act on the basis of the wages of the same deceased employee.

(d) A waiver once made shall continue in effect until the annuitant requests in writing that it be terminated.
