(b) The Veterans Administration has determined that a pension or compensation is payable to you based on the veteran's death;

§ 404.1352 Benefits and payments based on deemed insured status.

(a) *Our determination.* We determine your monthly benefit or lump-sum death payment under the deemed insured status provisions in §§ 404.1350 and 404.1351 regardless of whether the Veterans Administration has determined that any pension or compensation is payable to you.

(b) *Certification for payment.* If we determine that you can be paid a monthly benefit or lump-sum death payment, we certify these benefits for payment. However, the amount of your monthly benefit or lump-sum death payment may be changed if we are informed by the Veterans Administration that a pension or compensation is payable because of the veteran's death as explained in § 404.1360.

(c) *Payments not considered as pension or compensation.* We do not consider as pension or compensation—

(1) National Service Life Insurance payments;

(a) *Before we determine and certify payment.* If we are informed by the Veterans Administration that a pension or compensation is payable to you before we determine and certify payment of benefits based on deemed insured status, we compute your monthly benefit or lump-sum death payment based on the death of the World War II veteran without using the wage credits discussed in § 404.1350.

(b) *After we determine and certify payment.* If we are informed by the Veterans Administration that a pension or compensation is payable to you after we determine and certify payment of benefits based on deemed insured status, we—

(1) Stop payment of your benefits or recompute the amount of any further benefits that can be paid to you; and

(2) Determine whether you were erroneously paid and the amount of any erroneous payment.

(b) *After we determine and certify payment.* If we are informed by another Federal agency or instrumentality of the United States (other than the Veterans Administration) that a Federal

§404.1362 Treatment of social security benefits or payments where Veterans Administration pension or compensation payable.

(a) *Before we receive notice from the Veterans Administration.* If we certify your monthly benefit or a lump-sum death payment as determined under the deemed insured status provisions in §404.1350 before we receive notice from the Veterans Administration that a pension or compensation is payable to you, our payments to you are erroneous only to the extent that they exceed the amount of the accrued pension or compensation payable.

(b) *After we receive notice from the Veterans Administration.* If we certify your monthly benefit or lump-sum death payment as determined under the deemed insured status provisions in §404.1350 after we receive notice from the Veterans Administration that a pension or compensation is payable to you, our payments to you are erroneous whether or not they exceed the amount of the accrued pension or compensation payable.

§404.1363 Treatment of social security benefits or payments where Federal benefit payable other than by Veterans Administration.

If we certify your monthly benefit or lump-sum death payment based on World War II or post-World War II wage credits after we receive notice from another Federal agency or instrumentality of the United States (other than the Veterans Administration) that a Federal benefit is payable to you by that agency or instrumentality based on the veteran's World War II or post-World War II active service, our payments to you are erroneous to the extent the payments are based on the World War II or post-World War II wage credits.
