

§411.555 Can the EN keep the milestone and outcome payments even if the beneficiary does not achieve all outcome months?

(a) Yes. The EN (or State VR agency acting as an EN) can keep each milestone and outcome payment for which the EN (or State VR agency acting as an EN) is eligible, even though the title II beneficiary does not achieve all 36 outcome months or the title XVI beneficiary does not achieve all 60 outcome months.

(b) Except as provided in paragraph (c) of this section, payments which we make or deny to an EN (or a State VR agency acting as an EN) may be subject to adjustment (including recovery, as appropriate) if we determine that more or less than the correct amount was paid. This may happen, for example, because we determine that the payment determination was in error or because of an allocation of payment under §411.560.

(c) If we determine that an overpayment or underpayment to an EN has occurred, we will notify the EN (or State VR agency acting as an EN) of the adjustment. We will not seek an adjustment if a determination or decision about a beneficiary's right to benefits causes an overpayment to the EN. Any dispute which the EN (or State VR agency) has regarding the adjustment may be resolved under the rules in §411.590(a) and (b).

§411.560 Is it possible to pay a milestone or outcome payment to more than one EN?

It is possible for more than one EN (including a State VR agency acting as an EN) to receive payment based on the same milestone or outcome. If the beneficiary has assigned the ticket to more than one EN (or State VR agency acting as an EN) at different times, and more than one EN (or State VR agency) requests payment for the same milestone, outcome or reconciliation payment under its elected payment system, the PM will make a determination of the allocation of payment to each EN (or State VR agency acting as an EN). The PM will make this determination based upon the contribution of the services provided by each EN (or

State VR agency acting as an EN) toward the achievement of the outcomes or milestones. Outcome and milestone payments will not be increased because the payments are shared between two or more ENs (including a State VR agency acting as an EN).

§411.565 What happens if two or more ENs qualify for payment on the same ticket but have elected different EN payment systems?

We will pay each EN (or State VR agency acting as an EN) according to its elected EN payment system in effect at the time the beneficiary assigned the ticket to the EN (or the State VR agency acting as an EN).

§411.570 Can an EN request payment from the beneficiary who assigned a ticket to the EN?

No. Section 1148(b)(4) of the Act prohibits an EN from requesting or receiving compensation from the beneficiary for the services of the EN.

§411.575 How does the EN request payment for milestones or outcome payment months achieved by a beneficiary who assigned a ticket to the EN?

The EN (or State VR agency acting as an EN) will send its request for payment, evidence of the beneficiary's work or earnings, and other information to the PM. In addition, we or the PM may require a summary of the services provided as described in the IWP/IPE.
