RULES FOR HELPING BLIND AND DIS-ABLED INDIVIDUALS ACHIEVE SELF-SUPPORT

§416.1180 General.

One of the objectives of the SSI program is to help blind or disabled persons become self-supporting. If you are blind or disabled, we will pay you SSI benefits and will not count the part of your income (for example, your or a family member's wages, title II benefits, or pension income) that you use or set aside to use for expenses that we determine to be reasonable and necessary to fulfill an approved plan to achieve self-support. (See $\S\S416.1112(c)(9)$ and 1124(c)(13). You may develop a plan to achieve self-support on your own or with our help. As appropriate, we will refer you to a State rehabilitation agency or agency for the blind for additional assistance in developing a plan.

§416.1181 What is a plan to achieve self-support (PASS)?

- (a) A PASS must-
- (1) Be designed especially for you;
- (2) Be in writing;
- (3) Be approved by us (a change of plan must also be approved by us);
- (4) Have a specific employment goal that is feasible for you, that is, a goal that you have a reasonable likelihood of achieving;
- (5) Have a plan to reach your employment goal that is viable and financially sustainable, that is, the plan—
- (i) Sets forth steps that are attainable in order to reach your goal, and
- (ii) Shows that you will have enough money to meet your living expenses while setting aside income or resources to reach your goal;
- (6) Be limited to one employment goal; however, the employment goal may be modified and any changes related to the modification must be made to the plan;
- (7) Show how the employment goal will generate sufficient earnings to substantially reduce or eliminate your dependence on SSI or eliminate your need for title II disability benefits;

Example 1: A Substantial Reduction Exists. Your SSI monthly payment amount is \$101 and your PASS employment goal earnings will reduce your SSI payment by \$90. We may consider that to be a substantial reduction.

Example 2: A Substantial Reduction Exists. You receive a title II benefit of \$550 and an SSI payment of \$73. Your PASS employment goal will result in work over the SGA level that eliminates your title II benefit but increases your SSI payment by \$90. We may consider that a substantial reduction because your work will eliminate your title II payment while only slightly increasing your SSI payment.

Example 3: A Substantial Reduction Does Not Exist. Your SSI monthly payment amount is \$603 and your PASS employment goal earnings will reduce your SSI payment by \$90. We may not consider that to be a substantial reduction.

- (8) Contain a beginning date and an ending date to meet your employment goal;
- (9) Give target dates for meeting milestones towards your employment goal;
- (10) Show what expenses you will have and how they are reasonable and
