

you submit evidence showing a later receipt of the notice, we will assume you received the detailed information or the notice of assignment within 5 days of the date shown thereon. We will consider the request to be filed as of the date we receive it. However, if we receive the request after the 30-day period, the postmark date on the envelope may be used as the filing date. If there is no postmark or the postmark is illegible, the filing date will be deemed to be the fifth day prior to the day we received the request; and

(d) Your request is accompanied by evidence establishing a prima facie case of error regarding the assignment. If your request for review includes a request for additional time to submit such evidence, we will give you an additional 90 days from the date of your request for review to submit such evidence to us.

**§ 422.606 Processing the request for review.**

Upon receipt of your written request for review of an assignment and where relevant, the expiration of any additional times allowed under §§ 422.605(d) and 422.606(c), we will take the following action:

(a) *Request not timely filed.* If your request is not filed within the time limits set out in § 422.605(c), we will deny your request for review on that basis and send you a notice explaining that we have taken this action;

(b) *Lack of evidence.* If your request is timely filed under § 422.605(c) but you have not provided evidence constituting a prima facie case of error, we will deny your request for review on that basis and send you a notice explaining that we have taken this action;

(c) *Request for review without requesting detailed information.* If your request is filed within 30 days after you received the notice of assignment and you have not requested detailed information, we will not process your request until at least 30 days after the date you received the notice of assignment. You may still request detailed information within that 30-day period, in which case we will not process your request for review until at least 30 days after you received the detailed infor-

mation, so that you may submit additional evidence if you wish;

(d) *Reviewing the evidence.* If your request meets the filing requirements of § 422.605 and is accompanied by evidence constituting a prima facie case of error, we will review the assignment. We will review all evidence submitted with your request for review, together with the evidence used in making the assignment. An SSA employee who was not involved in the original assignment will perform the review. The review will be a review on the record and will not involve a face-to-face hearing.

(e) *Original decision correct.* If, following this review of the evidence you have submitted and the evidence in our file, we make a determination that the assignment is correct, we will send you a notice explaining the basis for our decision. We will not review the decision again, except as provided in § 422.607.

(f) *Original decision erroneous.* If, following this review of the evidence you have submitted and the evidence in our file, we make a determination that the assignment is erroneous, we will send you a notice to this effect. We will then determine who the correct operator is and assign the affected beneficiary(s) to that coal operator (or related person). If no assigned operator can be identified, the affected beneficiary(s) will be treated as “unassigned.” We will notify the UMWA Combined Benefit Fund Trustees of the review decision so that any premium liability of the initial assigned operator can be adjusted.

**§ 422.607 Limited reopening of assignments.**

On our own initiative, we may reopen and revise an assignment, whether or not it has been reviewed as described in this subpart, under the following conditions:

(a) The assignment reflects an error on the face of our records or the assignment was based upon fraud; and

(b) We sent to the assigned operator (or related person) notice of the assignment within 12 months of the time we decided to reopen that assignment.
