of the regional representatives from a nationwide point of view, examining each State's request in the light of the experience of other States to insure equitable treatment among the States in the allocation of funds made available by Congress for the administration of State unemployment compensation laws and public employment service programs.

(c) *Action by ETA National Office.* If the ETA National Office approves the State's budget request, the State agency is notified; and, provided the conditions precedent to grants continue during the budgetary period, certifications for payment, under the approved budget, stating the amounts, are made by the ETA National Office to the Secretary of the Treasury quarterly. Upon denial of a request, in whole or in part, the State agency is notified and the Regional Administrator is instructed to negotiate with the State with a view to removing the basis for denial.

§ 601.8 Agreement with Postmaster General.

The Secretary of Labor and the Postmaster General have been directed by the Congress (title II of the Labor-Federal Security Agency Appropriation Act, 1950) to prescribe a mutually satisfactory procedure whereby official State employment security postal matter will be handled without the prepayment of postage. In lieu of such prepayments, the Secretary periodically certifies to the Secretary of the Treasury for payment to the U.S. Postal Service the amount necessary to cover the cost of State agency mailings. The amount of payment is based on a formula agreed upon by the Secretary of Labor and the U.S. Postal Service.

Subpart A—General Provisions

§ 602.1 Purpose.

The purpose of this part is to prescribe a Quality Control (QC) program for the Federal-State unemployment compensation (UC) system, which is applicable to the State UC programs and the Federal unemployment benefit and allowance programs administered by the State unemployment compensation agencies under agreements between the States and the Secretary of

Employment and Training Administration, Labor

§ 602.11

Labor (Secretary). QC will be a major tool to assess the timeliness and accuracy of State administration of the UC program. It is designed to identify errors in claims processes and revenue collections (including payments in lieu of contributions and Extended Unemployment Compensation Account collections), analyze causes, and support the initiation of corrective action.

[52 FR 33528, Sept. 3, 1987, as amended at 71 FR 35513, June 21, 2006]

§ 602.2 Scope.

This part applies to all State laws approved by the Secretary under the Federal Unemployment Tax Act (section 3304 of the Internal Revenue Code of 1986, 26 U.S.C. section 3304), to the administration of the State laws, and to any Federal unemployment benefit and allowance program administered by the State unemployment compensation agencies under agreements between the States and the Secretary. QC is a requirement for all States, initially being applicable to the largest permanently authorized programs (regular UC including Combined-Wage-Claims) and federally-funded programs (Unemployment Compensation for Ex-Servicemembers and Unemployment Compensation for Federal Employees). Other elements of the QC program (e.g., interstate, extended benefit programs, benefit denials, and revenue collections) will be phased in under a schedule determined by the Department in consultation with State agencies.

Subpart B—Federal Requirements

§ 602.10 Federal law requirements.

(a) Section 303(a)(1) of the Social Security Act (SSA), 42 U.S.C. 503(a)(1), requires that a State law include provision for:

Such methods of administration . . . as are found by the Secretary of Labor to be reasonably calculated to insure full payment of unemployment compensation when due.

(b) Section 303(a)(6), SSA, 42 U.S.C. 505(a)(6), requires that a State law include provision for:

The making of such reports, in such form and containing such information, as the Secretary of Labor may from time to time require, and compliance with such provisions as the Secretary of Labor may from time to time find necessary to assure the correctness and verification of such reports.

(c) Section 303(b), SSA, 42 U.S.C. 503(b), provides in part that:

Whenever the Secretary of Labor, after reasonable notice and opportunity for hearing to the State agency charged with the administration of the State law, finds that in the administration of the law there is—

* * * * *

(2) a failure to comply substantially with any provision specified in subsection (a);

the Secretary of Labor shall notify such State agency that further payments will not be made to the State until the Secretary of Labor is satisfied that there is no longer any such denial or failure to comply. Until he is so satisfied, he shall make no further certification to the Secretary of the Treasury with respect to such State

(d) Certification of payment of grant-funded funds to a State is withheld only when the Secretary finds, after reasonable notice and opportunity for hearing to the State agency—

(1) That any provision required by section 303(a) of the Social Security Act is no longer included in the State UC law, or

(2) That in the administration of the State UC law there has been a failure to comply substantially with any required provision of such law.

[52 FR 33528, Sept. 3, 1987, as amended at 71 FR 35513, June 21, 2006]

§ 602.11 Secretary's interpretation.

(a) The Secretary interprets section 303(a)(1), SSA, to require that a State law provide for such methods of administration as will reasonably ensure the prompt and full payment of unemployment benefits to eligible claimants, and collection and handling of income for the State unemployment fund (particularly taxes and reimbursements), with the greatest accuracy feasible.

(b) The Secretary interprets sections 303(a)(1) and 303(a)(6), SSA, to authorize the Department of Labor to prescribe standard definitions, methods
