

§ 41.63

22 CFR Ch. I (4–1–12 Edition)

(d) *Notification to alien concerning 2-year foreign residence requirement.* Before the consular officer issues an exchange visitor visa, the consular officer must inform the alien whether the alien will be subject to the 2-year residence and physical presence requirement of INA 212(e) if admitted to the United States under INA 101(a) (15) (J) and, if so, the country in which 2 years' residence and physical presence will satisfy the requirement.

[52 FR 42597, Nov. 5, 1987, as amended at 67 FR 58695, Sept. 18, 2002; 68 FR 28132, May 23, 2003; 72 FR 10061, Mar. 7, 2007]

§ 41.63 Two-year home-country physical presence requirement.

(a) *Statutory basis for rule.* Section 212(e) of the Immigration and Nationality Act, as amended, provides in substance as follows:

(1) No person admitted under Section 101(a) (15)(J) or acquiring such status after admission:

(i) Whose participation in the program for which he came to the United States was financed in whole or in part, directly or indirectly, by an agency of the United States Government or by the government of the country of his nationality or of his last legal permanent residence;

(ii) Who at the time of admission or acquisition of status under 101(a)(15)(J) was a national or legal permanent resident of a country which the Secretary of State, pursuant to regulations prescribed by him, had designated as clearly requiring the services of persons engaged in the field of specialized knowledge or skill in which the alien was engaged [See the most recent "Revised Exchange Visitor Skills List", at http://exchanges.state.gov/education/jexchanges/participation/skills_list.pdf];
or

(iii) Who came to the United States or acquired such status in order to receive graduate medical education or training, shall be eligible to apply for an immigrant visa, or for permanent residence, or for a nonimmigrant visa under section 101(a)(15)(H) or section 101(a)(15)(L) until it is established that such person has resided and been physically present in the country of his nationality or his last legal permanent residence for an aggregate of at least

two years following departure from the United States.

(2) Upon the favorable recommendation of the Secretary of State, pursuant to the request of an interested United States Government agency (or in the case of an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training, pursuant to the request of a State Department of Public Health, or its equivalent), or of the Secretary of Homeland Security after the latter has determined that departure from the United States would impose exceptional hardship upon the alien's spouse or child (if such spouse or child is a citizen of the United States or a legal permanent resident alien), or that the alien cannot return to the country of his nationality or last legal permanent residence because he would be subject to persecution on account of race, religion, or political opinion, the Secretary of Homeland Security may waive the requirement of such two-year foreign residence abroad in the case of any alien whose admission to the United States is found by the Secretary of Homeland Security to be in the public interest except that in the case of a waiver requested by a State Department of Public Health, or its equivalent, the waiver shall be subject to the requirements of section 214(1) of the Immigration and Nationality Act (8 U.S.C. 1184).

(3) Except in the case of an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training, the Secretary of Homeland Security, upon the favorable recommendation of the Secretary of State, may also waive such two-year foreign residence requirement in any case in which the foreign country of the alien's nationality or last legal permanent residence has furnished the Secretary of State a statement in writing that it has no objection to such waiver in the case of such alien. Notwithstanding the foregoing, an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training may obtain a waiver of such two-year foreign residence requirements if said

alien meets the requirements of section 214(l) of the Immigration and Nationality Act (8 U.S.C. 1184) and paragraphs (a) (2) and (e) of this section.

(b) *Request for waiver on the basis of exceptional hardship or probable persecution on account of race, religion, or political opinion.* (1) An exchange visitor who seeks a waiver of the two-year home-country residence and physical presence requirement on the grounds that such requirement would impose exceptional hardship upon the exchange visitor's spouse or child (if such spouse or child is a citizen of the United States or a legal permanent resident alien), or on the grounds that such requirement would subject the exchange visitor to persecution on account of race, religion, or political opinion, shall submit the application for waiver (DHS Form I-612) to the jurisdictional office of the Department of Homeland Security.

(2)(i) If the Secretary of Homeland Security (Secretary of DHS) determines that compliance with the two-year home-country residence and physical presence requirement would impose exceptional hardship upon the spouse or child of the exchange visitor, or would subject the exchange visitor to persecution on account of race, religion, or political opinion, the Secretary of DHS shall transmit a copy of his determination together with a summary of the details of the expected hardship or persecution, to the Waiver Review Division, in the Department of State's Bureau of Consular Affairs.

(ii) With respect to those cases in which the Secretary of DHS has determined that compliance with the two-year home-country residence and physical presence requirement would impose exceptional hardship upon the spouse or child of the exchange visitor, the Waiver Review Division shall review the program, policy, and foreign relations aspects of the case, make a recommendation, and forward it to the appropriate office at DHS. If it deems it appropriate, the Waiver Review Division may request the views of each of the exchange visitors' sponsors concerning the waiver application. Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall con-

stitute the recommendation of the Department of State.

(iii) With respect to those cases in which the Secretary of DHS has determined that compliance with the two-year home-country residence and physical presence requirement would subject the exchange visitor to persecution on account of race, religion, or political opinion, the Waiver Review Division shall review the program, policy, and foreign relations aspects of the case, including consultation if deemed appropriate with the Bureau of Human Rights and Humanitarian Affairs of the United States Department of State, make a recommendation, and forward such recommendation to the Secretary of DHS. Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State and such recommendation shall be forwarded to DHS.

(c) *Requests for waiver made by an interested United States Government Department of State.* (1) A United States Government agency may request a waiver of the two-year home-country residence and physical presence requirement on behalf of an exchange visitor if such exchange visitor is actively and substantially involved in a program or activity sponsored by or of interest to such agency.

(2) A United States Government agency requesting a waiver shall submit its request in writing and fully explain why the grant of such waiver request would be in the public interest and the detrimental effect that would result to the program or activity of interest to the requesting agency if the exchange visitor is unable to continue his or her involvement with the program or activity.

(3) A request by a United States Government agency shall be signed by the head of the agency, or his or her designee, and shall include copies of all IAP 66 or DS-2019 forms issued to the exchange visitor, his or her current address, and his or her country of nationality or last legal permanent residence.

(4) A request by a United States Government agency, excepting the Department of Veterans Affairs, on behalf of an exchange visitor who is a foreign

medical graduate who entered the United States to pursue graduate medical education or training, and who is willing to provide primary care or specialty medicine in a designated primary care Health Professional Shortage Area, or a Medically Underserved Area, or psychiatric care in a Mental Health Professional Shortage Area, shall, in addition to the requirement set forth in paragraphs (c)(2) and (3) of this section, include:

(i) A copy of the employment contract between the foreign medical graduate and the health care facility at which he or she will be employed. Such contract shall specify a term of employment of not less than three years and that the foreign medical graduate is to be employed by the facility for the purpose of providing not less than 40 hours per week of primary medical care, *i.e.*, general or family practice, general internal medicine, pediatrics, or obstetrics and gynecology, in a designated primary care Health Professional Shortage Area or designated Medically Underserved Area (“MUA”) or psychiatric care in a designated Mental Health Professional Shortage Area. Further, such employment contract shall not include a non-compete clause enforceable against the foreign medical graduate.

(ii) A statement, signed and dated by the head of the health care facility at which the foreign medical graduate will be employed, that the facility is located in an area designated by the Secretary of Health and Human Services as a Medically Underserved Area or Primary Health Care Health Professional Shortage Area or Mental Health Professional Shortage Area and provides medical care to both Medicaid or Medicare eligible patients and indigent uninsured patients. The statement shall also list the primary care Health Professional Shortage Area, Mental Health Professional Shortage Area, or Medically Underserved Area/Population identifier number of the designation (assigned by the Secretary of Health and Human Services), and shall include the FIPS county code and census tract or block numbering area number (assigned by the Bureau of the Census) or the 9-digit zipcode of the area where the facility is located.

(iii) A statement, signed and dated by the foreign medical graduate exchange visitor that shall read as follows:

I, _____ (name of exchange visitor) hereby declare and certify, under penalty of the provisions of 18 U.S.C. 1001, that I do not now have pending nor am I submitting during the pendency of this request, another request to any United States Government department or agency or any State Department of Public Health, or equivalent, other than _____ (insert name of United States Government Agency requesting waiver) to act on my behalf in any matter relating to a waiver of my two-year home-country physical presence requirement.

(iv) Evidence that unsuccessful efforts have been made to recruit an American physician for the position to be filled.

(5) Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State and such recommendation shall be forwarded to the Secretary of DHS.

(d) *Requests for waiver made on the basis of a statement from the exchange visitor’s home-country that it has no objection to the waiver.* (1) Applications for waiver of the two-year home-country residence and physical presence requirement may be supported by a statement of no objection by the exchange visitor’s country of nationality or last legal permanent residence. The statement of no objection shall be directed to the Secretary of State through diplomatic channels; *i.e.*, from the country’s Foreign Office to the Department of State through the U.S. Mission in the foreign country concerned, or through the foreign country’s head of mission or duly appointed designee in the United States to the Secretary of State in the form of a diplomatic note. This note shall include applicant’s full name, date and place of birth, and present address. If deemed appropriate, the Department of State may request the views of each of the exchange visitor’s sponsors concerning the waiver application.

(2) The Waiver Review Division shall review the program, policy, and foreign relations aspects of the case and forward its recommendation to the Secretary of DHS. Except as set forth in

Department of State

§41.63

§41.63(g)(4), *infra*, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State.

(3) An exchange visitor who is a graduate of a foreign medical school and who is pursuing a program in graduate medical education or training in the United States is prohibited under section 212(e) of the Immigration and Nationality Act from applying for a waiver solely on the basis of no objection from his or her country of nationality or last legal permanent residence. However, an alien who is a graduate of a foreign medical school pursuing a program in graduate medical education or training may obtain a waiver of such two-year foreign residence requirements if said alien meets the requirements of section 214(l) of the Immigration and Nationality Act (8 U.S.C. 1184) and paragraphs (a)(2) and (e) of this section.

(e) *Requests for waiver from a State Department of Public Health, or its equivalent, on the basis of Public Law 103-416.*

(1) Pursuant to Public Law 103-416, in the case of an alien who is a graduate of a medical school pursuing a program in graduate medical education or training, a request for a waiver of the two-year home-country residence and physical presence requirement may be made by a State department of Public Health, or its equivalent. Such waiver shall be subject to the requirements of section 214(l) of the Immigration and Nationality Act (8 U.S.C. 1194(l)) and this §41.63.

(2) With respect to such waiver under Public Law 104-416, if such alien is contractually obligated to return to his or her home country upon completion of the graduate medical education or training, the Secretary of State is to be furnished with a statement in writing that the country to which such alien is required to return has no objection to such waiver. The no objection statement shall be furnished to the Secretary of State in the manner and form set forth in paragraph (d) of this section and, additionally, shall bear a notation that it is being furnished pursuant to Public Law 103-416.

(3) The State Department of Public Health, or equivalent agency, shall in-

clude in the waiver application the following:

(i) A completed DS-3035. Copies of these forms may be obtained from the Visa Office or online at <http://www.travel.state.gov>.

(ii) A letter from the Director of the designated State Department of Public Health, or its equivalent, which identifies the foreign medical graduate by name, country of nationality or country of last legal permanent residence, and date of birth, and states that it is in the public interest that a waiver of the two-year home residence requirement be granted;

(iii) An employment contract between the foreign medical graduate and the health care facility named in the waiver application, to include the name and address of the health care facility, and the specific geographical area or areas in which the foreign medical graduate will practice medicine. The employment contract shall include a statement by the foreign medical graduate that he or she agrees to meet the requirements set forth in section 214(l) of the Immigration and Nationality Act. The term of the employment contract shall be at least three years and the geographical areas of employment shall only be in areas, within the respective state, designated by the Secretary of Health and Human Services as having a shortage of health care professionals, unless the waiver request is for an alien who will practice medicine in a facility that serves patients who reside in one or more geographic areas so designated by the Secretary of Health and Human Services without regard to whether such facility is located within such a designated geographic area. For the latter situation, which will be referred to as "non-designated requests", the contract should also state that the term of the employment contract shall be at least three years and employment shall only be in a facility that serves patients who reside in one or more geographic areas so designated by the Secretary of Health and Human Services as having a shortage of health care professionals.

(iv) Evidence establishing that the geographic area or areas in the state in which the foreign medical graduate

will practice medicine or where patients who will be served by the foreign medical graduates reside, are areas which have been designated by the Secretary of Health and Human Services as having a shortage of health care professionals. For purposes of this paragraph, the geographic area or areas must be designated by the Department of Health and Human Services as a Health Professional Shortage Area (“HPSA”) or as a Medically Underserved Area/Medically Underserved Population (“MUA/MUP”).

(v) Copies of all forms IAP 66 or DS-2019 issued to the foreign medical graduate seeking the waiver;

(vi) A copy of the foreign medical graduate’s *curriculum vitae*;

(vii) If the foreign medical graduate is otherwise contractually required to return to his or her home country at the conclusion of the graduate medical education or training, a copy of the statement of no objection from the foreign medical graduate’s country of nationality or last residence; and,

(viii) Because of the numerical limitations on the approval of waivers under Public Law 103-416, *i.e.*, no more than the maximum number of waivers for each State each fiscal year as mandated by law, each application from a State Department of Public Health, or its equivalent, shall be numbered sequentially, beginning on October 1 of each year. The “non-designated” requests will also be numbered sequentially with appropriate identifier.

(4) The Waiver Review Division shall review the program, policy, and foreign relations aspects of the case and forward its recommendation to the Secretary of DHS. Except as set forth in paragraph (g)(4) of this section, the recommendation of the Waiver Review Division shall constitute the recommendation of the Department of State.

(f) *Changed circumstances.* An applicant for a waiver on the grounds of exceptional hardship or probable persecution on account of race, religion, or political opinion, has a continuing obligation to inform the Department of Homeland Security of changed circumstances material to his or her pending application.

(g) *The Waiver Review Board.* (1) The Waiver Review Board (“Board”) shall consist of the following persons or their designees:

(i) The Principal Deputy Assistant Secretary of the Bureau of Consular Affairs;

(ii) The Director of Office of Public Affairs for the Bureau of Consular Affairs;

(iii) The Legislative Management Officer for Consular Affairs, Bureau of Legislative Affairs;

(iv) The Director of the Office of Exchange Coordination and Designation in the Bureau of Educational and Cultural Affairs; and

(v) The Director of the Office of Policy and Evaluation in the Bureau of Educational and Cultural Affairs.

(2) A person who has had substantial prior involvement in a particular case referred to the Board may not be appointed to, or serve on, the Board for that particular case unless the Bureau of Consular Affairs determines that the individual’s inclusion on the Board is otherwise necessary or practicably unavoidable.

(3) The Principal Deputy Assistant Secretary of Consular Affairs, or his or her designee, shall serve as Board Chairman. No designee under this paragraph (g)(3) shall serve for more than 2 years.

(4) Cases will be referred to the Board at the discretion of the Chief, Waiver Review Division, of the Visa Office. The Chief, Waiver Review Division, or his or her designee may, at the Chairman’s discretion, appear and present facts related to the case but shall not participate in Board deliberations.

(5) The Chairman of the Board shall be responsible for convening the Board and distributing all necessary information to its members. Upon being convened, the Board shall review the case file and weigh the request against the program, policy, and foreign relations aspects of the case.

(6) The Bureau of Consular Affairs shall appoint, on a case-by-case basis, from among the attorneys in the State Department’s Office of Legal Advisor one attorney to serve as legal advisor to the Board.

§41.81

(7) At the conclusion of its review of the case, the Board shall make a written recommendation either to grant or to deny the waiver application. The written recommendation of a majority of the Board shall constitute the recommendation of the Board. Such recommendation shall be promptly transmitted by the Chairman to the Chief, Waiver Review Division.

(8) At the conclusion of its review of the case, the Board shall make a written recommendation either to grant or to deny the waiver application. The written recommendation of a majority of the Board shall constitute the recommendation of the Board. (3) Is in possession of sufficient funds to carry out the purpose of the transit journey, or has sufficient funds otherwise available for that purpose; and

If such a visa is issued, the recipient shall be subject to such restrictions on travel within the United States as may be provided in regulations prescribed by the Secretary of Homeland Security.

(1) The consular officer is satisfied that the alien is qualified under that provision and the consular officer has received a petition filed by a U.S. citizen to confer nonimmigrant status as a fiancé(e) on the alien, which has been approved by the DHS under INA 214(d), or a notification of such approval from that Service;

(2) The consular officer has received from the alien the alien's sworn statement of ability and intent to conclude a valid marriage with the petitioner within 90 days of arrival in the United States; and

(3) The alien has met all other qualifications in order to receive a nonimmigrant visa, including the requirements of paragraph (d) of this section.

(b) *Spouse.* An alien is classifiable as a nonimmigrant spouse under INA 101(a)(15)(K)(ii) when all of the following requirements are met:

(2) If the alien's marriage to the U.S. citizen was contracted outside of the United States, the alien is applying in the country in which the marriage took place, or if there is no consular post in that country, then at a consular post designated by the Deputy Assistant Secretary of State for Visa
