AUTHORITY: Foreign Service Act of 1980 (22 U.S.C. 3901 et seq.).

SOURCE: 50 FR 27423, July 3, 1985, unless otherwise noted.

§ 501.1 Policy.

It is the policy of the Broadcasting Board of Governors that Foreign Service Officers occupy positions in which there is a need and reasonable opportunity for interchangeability of personnel between the Board and posts abroad, and which are concerned with (a) the conduct, observation, or analysis of information and cultural activities, or (b) the executive management of, or administrative responsibility for, the overseas operations of the Board’s program.

§ 501.2 Eligibility for appointment as Foreign Service Officer.

CROSS-REFERENCE: The regulations governing eligibility for appointment as a Foreign Service Officer are codified in part 11 of this title.

§ 501.3 Noncompetitive interchange between Civil Service and Foreign Service.

(a) An agreement between the Office of Personnel Management and the Board under the provisions of Executive Order 11219 (3 CFR 1964–65 Comp. p. 303) provides for the noncompetitive appointment of present or former Foreign Service employees as career or career conditional Civil Service employees.

(b) Under this agreement former career personnel of the Board’s Foreign Service (FSCR, FSRU, FSIO, FSS, FSO, or FP) and such present personnel desiring to transfer, are eligible, under certain conditions, for noncompetitive career or career-conditional appointment in any Federal agency that desires to appoint them. The President has authorized the Office of Personnel Management by executive order to waive the requirements for competitive examination and appointment for such Board career Foreign Service personnel.

(c) A present or former Civil Service employee may be appointed on a competitive basis in any Foreign Service class for which the employee has qualified under the provisions of section 3947 of title 22, United States Code.

§ 501.4 Junior Level Career Candidate Program (Class 6, 5, or 4).

CROSS-REFERENCE: The regulations governing the junior level Career Candidate program are codified in part 11 of this title.

§ 501.5 Mid-level FSO Candidate Program (Class 3, 2, or 1).

(a) General. The mid-level FSO Candidate program, under the provisions of section 306 of the Foreign Service Act of 1980, supplements the junior-level Career Candidate program to meet total requirements for Foreign Service Officers at the mid-level in the Foreign Service. Foreign Service limited appointments of FSO Candidates are made to Class 3, 2, or 1 for a period not to exceed five years. Occasionally, appointments may be offered at the Class 4 level. The FSO Commissioning Board will determine whether FSO Candidates have performed at a satisfactory level and demonstrated the required level of growth potential and competence, and will make a recommendation on commissioning as Foreign Service Officers. FSO Candidates who are not recommended for commissioning prior to the expiration of their limited appointment will be separated from the mid-level program.

(b) Sources of applicants. (1) The Broadcasting Board of Governors draws a significant number of FSO Candidates from Board employees who
apply, and are found qualified by the Board of Examiners for the Foreign Service (BEX).

(2) The Board also draws Candidates from outside applicants who possess skills and abilities in short supply in the Foreign Service and who have capabilities, insights, techniques, experiences, and differences of outlook which would serve to enrich the Foreign Service and enable them to perform effectively in assignments both abroad and in the United States. Minority applicants are recruited for mid-level entry under the COMRAT program. Appointment from sources outside the Board is limited and based on intake levels established in accordance with total Broadcasting Board of Governors FSO workforce and functional requirements. Such appointments are based on successful completion of the examination process, and existing assignment vacancies.

(c) Eligibility requirement—(1) Broadcasting Board of Governors Employees. On the date of application, employees must have at least three years of Federal Government service in a position of responsibility in the Board. A position of responsibility is defined as service as an Overseas Specialist at Class 4 or above or as a Domestic Specialist at GS–11 or above within the Board. The duties and responsibilities of the position occupied by the applicant must have been similar or closely related to those of a Foreign Service Officer in terms of knowledge, skills, abilities, and overseas experience. Board Domestic and Overseas Specialists must be no more than 58 years of age on the date of redesignation or appointment as an FSO Candidate.

(2) Applicants Under Special Recruitment Programs. Minority and women applicants must be no more than 58 years of age, must have approximately nine years of education or experience relevant to work performed in Broadcasting Board of Governors, must be knowledgeable in the social, political and cultural history of the U.S. and be able to analyze and interpret this in relation to U.S. Government policy and American life.

(3) Outside Applicants. On the date of appointment, applicants must be no more than 58 years of age, with nine years of relevant work experience and/or education, or proficiency in a language for which the Board has a need, or substantial management expertise. Relevant work experience is defined as public relations work, supervisory or managerial positions in communications media, program director for a museum or university-level teacher of political science, history, English or other relevant disciplines. Appointments from these sources for the limited vacancies available are made on a competitive basis to fill specific Service needs after ensuring that the vacancies cannot be filled by Foreign Service Officers already in the Foreign Service Officer Corps.

(d) Application Procedures. (1) Applicants must complete Standard Form 171, Application for Federal Employment; Form DSP–34, Supplement to Application for Federal Employment; a 1,000 word autobiography; a statement affirming willingness and capacity to serve at any post worldwide; and transcripts of all graduate and undergraduate course work and forward them to the Special Recruitment Branch, Office of Personnel (M/PDSE).

(2) The filing of an application for the Foreign Service does not in itself entitle an applicant to examination. The decision to proceed with an oral examination is made by a Qualifications Evaluation Panel after determining the applicant’s eligibility for appointment and reviewing the applicant’s qualifications including his/her performance, and administrative files (or equivalents), claimed language proficiency and other background or factors which may be related to the work performed by FSOs. An oral examination is given only in those cases where the applicant is found to possess superior qualifications, proven ability, and high potential for success in the Foreign Service.

(e) Examination process—(1) Written Examination. A written examination will not normally be required of applicants for FSO Candidate appointments. However, if the volume of applications for a given class or classes is such as to make it infeasible to examine applicants orally within a reasonable time, such applicants may be required to
take an appropriate written examination prescribed by the Board of Examiners. Those who meet or exceed the passing level set by the Board of Examiners on the written examination will be eligible for selection for the oral examination.

(2) Oral examination. (i) Applicants approved by the Qualifications Evaluation Panel for examination will be given an oral examination by a panel of Deputy Examiners approved by the Board of Examiners. The oral examination is designed to enable the Board of Examiners to determine whether applicants are functionally qualified for work in the Foreign Service at the mid-level, whether they would be suitable representatives abroad of the United States, whether they have the potential to advance in the Foreign Service, and whether they have the background and experience to make a contribution to the Foreign Service. The oral examination is individually scheduled throughout the year and is normally given in Washington, D.C. At the discretion of the Board of Examiners, it may be given in other American cities, or at Foreign Service posts, selected by the Board.

(ii) The panel will orally examine each applicant through questioning and discussion. There will also be a writing exercise and an in-basket test. Applicants taking the oral examination will be graded according to the standards established by the Board of Examiners. The application of anyone whose score is at or above the passing level set by the Board will be continued. The application of anyone whose score is below the passing level will be terminated. The applicant may, however, reapply in 12 months by submitting a new application.

(3) Foreign language requirement. All applicants who pass the oral examination will be required to take a subsequent test to measure their fluency in foreign languages, or their aptitude for learning them (MLAT) for which a score of 50 points (on a scale of zero to eighty) is necessary to qualify for further processing. No applicant will be recommended for career appointment who has not demonstrated such a proficiency or aptitude. An applicant may be selected, appointed and assigned without first having demonstrated required proficiency in a foreign language, but the appointment will be subject to the condition that the employee may not receive more than one promotion and may not be commissioned as an FSO until proficiency in one foreign language is achieved.

(4) Medical examination. Those applicants recommended by the Board of Examiners for an FSO candidacy, and their dependents who will reside with them overseas, are required to pass a physical examination at the Department of State Medical Division.

(5) Security and suitability considerations. A background investigation or appropriate security clearance update will be conducted on each applicant, and no application may be continued until a security clearance has been granted.

(6) Class of appointment. The Board of Examiners fixes the entry level for appointment as an FSO candidate.

(7) Certification for appointment. After completion of all aspects of the examination, the Board of Examiners certifies to the Board successful candidates for appointment as FSO Candidates. Determinations of duly constituted panels of examiners and deputy examiners are final, unless modified by specific action of the Board of Examiners for the Foreign Service.

(8) FSO Candidate registers. (i) After approval by the Board of Examiners, and certification as to suitability and security clearance by the Board’s Director of Security, successful applicants will have their names placed on a register for the class for which they have been found qualified. Appointments to available openings will be made from the applicants entered on the register for the class of the position to be filled. Inclusion on the register does not guarantee eventual assignment and appointment as an FSO Candidate. Applicants who have qualified but have not been appointed because of lack of openings will be dropped from the register 18 months after the date of placement on it (or the completion of an inside applicant’s current overseas tour, whichever is longer). Such applicants may reapply for the program, but will be required to...
§ 501.6 Appointment of Overseas Specialists.

(a) General. Members of the Board’s Foreign Service appointed as Overseas Specialists serve on rotational U.S.-overseas assignments in the following types of positions: General Administration; Publication Writers and Editors; Exhibit Managers; Printing Specialists; English Teaching Specialists; Correspondents; Engineers for the Voice of America; Regional Librarian Consultants; and Secretaries. Appointees serve a trial period of service as Specialist Candidates under Foreign Service limited appointments (or redesignation) for a period not to exceed five years. Appointments are made to F.S. classes 8 through 1. Specialist Candidates are given career appointments as Overseas Specialists based on the recommendations of Specialist Selection Boards. Specialist candidates not recommended for tenuring will be separated from the Foreign Service, or reinstated in the Civil Service.

(b) Sources of applicants. Qualified Broadcasting Board of Governors domestic employees comprise a significant recruitment source for Overseas Specialist appointments. Such employees will be given priority consideration.
over outside applicants when applying for Overseas Specialist positions, when qualifications are otherwise equal.

(c) Eligibility requirements. All applicant must be citizens of the United States, and must be at least 21 years of age and no more than 58 years of age at the time of appointment. The 21-year age requirement may be waived by the Director, Office of Personnel (M/P or VOA/P) when she or he determines that the applicant’s services are urgently needed. Broadcasting Board of Governors employee applicants must also have at least three years of Federal government experience and occupy a position at the GS–11 level (or equivalent) or above (GS–10 for Electronic Technicians in the Voice of America). All applicants must be available for worldwide assignment to positions in their occupational category.

(d) Application procedures. (1) Applications for all specialties except secretarial should include a current SF–171, Application for Federal Employment; a DSP–34, Supplement to Application for Federal Employment; university transcripts; a 1,000 word autobiographical statement which should include mention of the qualifications the applicant would bring to the job and reason for desiring to work for the Board; and a statement affirming willingness and capacity to serve at any post worldwide.

(2) Special requirements for Foreign Service Secretaries. Secretarial applicants must submit a current SF–171, Application for Federal Employment, and a 250 word essay on a commonly understood subject to demonstrate grammatical competence. The following specific requirements must be met by applicants: Ability to type accurately at 60 words per minute; four years of secretarial or administrative experience (business school or college training may be substituted for up to two years of required work experience); and attainment of an acceptable score in verbal ability and spelling tests. Applicants will subsequently be given a written examination to measure administrative aptitude.

(e) Examination process—(1) Application review. All applications are to be sent to the Special Recruitment Staff, Office of Personnel (M/PDSE), or to the Foreign Personnel Advisor (VOA/PF) for Voice of America positions.

(2) Qualifications Evaluation Panel. A Qualifications Evaluation Panel will evaluate the applicant’s qualifications including his/her performance and administrative files (or equivalent), claimed language proficiency and other background or factors which may be related to the work performed by an Overseas Specialist Officer in the relevant specialty.

(3) Oral examination. (i) Applicants who are passed on by the Qualifications Evaluation Panel to the Board of Examiners will be given an oral examination to evaluate the applicant’s total qualifications for service as an Overseas Specialist in the desired functional specialty.

(ii) The Board panel examining all candidates except those of the Voice of America will consist of one Broadcasting Board of Governors Overseas Specialist and two BEX Deputy Examiners. For VOA candidates, the panel will consist of the Foreign Personnel Advisor, a BEX Deputy Examiner assigned to the Voice of America, and a Deputy Examiner assigned to the Board of Examiners.

(iii) The panel will examine each applicant through questioning and discussion. Hypothetical problem-solving exercises, a writing exercise and an in-basket test may also be required. The panel will also recommend the F.S. entry level for appointment. If the panel’s recommendation is unfavorable, the application process will be discontinued. An unsuccessful applicant may apply again in 12 months.

(4) The same medical and security requirements applicable to FSO Candidates pertain to Specialist Candidates.

(5) Overseas Specialist Candidate register. If an applicant is successful in the examination, and medical and security clearances have been successfully completed, his/her name will be added to the appropriate Overseas Specialist register for a period of 18 months, or completion of an inside candidate’s current tour of duty overseas, whichever is longer, at the Foreign Service class determined in the examination process and based on previous experience. Inclusion on the register does not
guarantee eventual assignment and appointment as an Overseas Specialist Candidate.

(f) Appointment as a Specialist Candidate. (1) When the Office of Personnel identifies an overseas vacancy which cannot be filled from the existing ranks of Overseas Specialists, applicants on the Overseas Specialist register will be considered for the assignment. An applicant will not be appointed unless an overseas position has been identified and a need for the individual in the Foreign Service has been certified by the Director, Office of Personnel (M/P or VOA/P). Any applicant selected from the register who refuses an assignment offer will be dropped from the register and precluded from reapplying for a period of seven years.

(2) Applicants will be given a Foreign Service limited appointment (or redesignation) for a period of four years at the Foreign Service Class determined in the examination process. The purpose of this untenured appointment is to allow the Board to evaluate and assess the Specialist Candidate’s abilities and future potential prior to offering career appointment as an Overseas Specialist. The limited appointment may be extended for one additional year, but must be terminated at the end of the fifth year if the Candidate does not obtain career tenure.

(3) The Candidate will receive the orientation and training necessary to serve overseas and will be assigned overseas in a position in his or her specialty. Broadcasting Board of Governors Civil Service employees selected as Overseas Specialist Candidates will be appointed only if the Board element to which they are currently assigned is willing to affirm in writing that a position at the appropriate level will be made available for the employee should the candidacy end unsuccessfully. Broadcasting Board of Governors Civil Service applicants will be appointed as Overseas Specialist Candidates on or about the date of their departure for post of assignment or upon assumption of an assignment (which has been identified and will follow a period of orientation in Washington). The Board may also assign a Candidate to a U.S.-based position for an initial assignment of up to 24 months when the Candidate will spend the majority of his/her time traveling overseas and will, except for the U.S. basing, be fully functioning as an Overseas Specialist. Specialist Candidates will compete for promotion by the Annual Overseas Specialist Selection Board with other officers in the same specialty and at the same class level. Specialist Candidates at the Class 1 level are ineligible for promotion into the Senior Foreign Service.

(4) The Specialist candidacy may be terminated at any time for unsatisfactory performance (22 U.S.C. 4011) or for such cause as will promote the efficiency of the Service (22 U.S.C. 4010).

(g) Career appointment as an Overseas Specialist. In accordance with section 3946 of title 22 United States Code, the decision to offer a Specialist Candidate a career appointment will be based on the recommendation made by the Annual Overseas Specialist Selection Board which reviews all employees in the Candidate’s occupational category and class level.

(1) Eligibility. Specialist Candidates who have performed at least two years of overseas service will be eligible for review for career status at the time of the Candidate’s third Board review. Candidates serving an initial tour in the U.S. but spending the majority of time working overseas will be credited with up to one year’s overseas service, but no more than half of the time based in the U.S. If a Specialist Candidate is not recommended for career status during the initial review, the Candidate may be reviewed again when the next Annual Overseas Specialist Selection Board convenes if the initial Board so recommends.

(2) Selection Board Review. The Selection Board(s) will review the official performance file of the eligible Specialist Candidates and in accordance with established precepts, will determine whether the Candidates should be recommended for career appointment as Overseas Specialists. Recommendations by the Board will be based on the Candidate’s demonstrated aptitude and fitness for a career in the Foreign Service in their occupational specialties. No quota or numerical limit is placed on the number of positive career status
decisions that can be made by Selection Boards. The Specialist candidacy will be terminated if the Candidate fails to be recommended for career status after a second Board review for tenuring. Candidates may be terminated earlier than the expiration of their limited appointment if so recommended by the Board and approved by the Director, Office of Personnel (M/P or VOA/P). Specialist Candidates recommended for career status by the Selection Board will be given Foreign Service career appointments (or redesignation) as Overseas Specialist, to take effect within one month of the Board’s recommendation.

§ 501.7 Appointment as Chief of Mission.

(a) Appointment by President. Chiefs of mission are appointed by the President, by and with the advice and consent of the Senate. They may be career members of the Foreign Service or they may be appointed from outside the Service.

(b) Recommendation of Foreign Service career members. On the basis of recommendations made by the Director of Broadcasting Board of Governors, the Secretary of State from time to time furnishes the President with the names of Foreign Service career members qualified for appointment as chiefs of mission. The names of these officers, together with pertinent information concerning them, are given to the President to assist him in selecting qualified candidates for appointment as chiefs of mission.

(c) Status of Foreign Service career members appointed as Chiefs of Mission. Foreign Service career members who are appointed as chiefs of mission retain their career status as Foreign Service career members.

§ 501.8 Reappointment of Foreign Service Officers and Career Overseas Specialists.

The President may, by and with the advice and consent of the Senate, reappoint to the Service a former Foreign Service Officer who is separated from the Service. The Director (Broadcasting Board of Governors) may reappoint to the Service a former career Overseas Specialist.

(a) Requirements for reappointment. (1) On the date of application, each applicant must be a citizen of the United States.

(2) No applicant will be considered who has previously been separated from the Foreign Service pursuant to section 608 or 610 of the Foreign Service Act of 1980 (or predecessor section 633, 635, or 637 of the Foreign Service Act of 1946, as amended); or who resigned or retired in lieu of selection out or separation for cause.

Note: This requirement will not apply where it has been determined by the Foreign Service Grievance Board under 3 FAM 660 or by the Director, Office of Personnel, that the separation or the resignation or retirement in lieu of selection out or separation for cause was wrongful; where reappointment is determined by the Director, Office of Personnel, as an appropriate means to settle a grievance or complaint of a former Foreign Service career member on a mutually satisfactory basis; or where reappointment is the indicated redress in a proceeding under 3 FAM 130 “Equal Employment Opportunity.”

(b) Application. Apply by letter addressed to the Director, Office of Personnel. Include the standard application forms, SF–171, Application for Federal Employment; and DSP–34, Supplement to Application for Federal Employment; and a brief resume of work and other experience since resignation from the Foreign Service. Whenever the Director, Office of Personnel, finds that the reappointment of one or more former Foreign Service Career Members may be in the best interest of the Service, all application forms, along with the available personnel files, will be referred as appropriate to the Board of Examiners for the Foreign Service which will conduct an advisory evaluation of the qualifications of each applicant.

(c) Nature of evaluation. (1) The Board of Examiners’ advisory qualifications evaluation of FSO applicants (i) will be based on a review of all pertinent information relating to the applicant’s record of employment in the Foreign Service and to subsequent experience, as well, and (ii) will take into consideration among other factors, the rank of the applicant’s contemporaries in the Service in recommending the class in which the applicant will be reappointed under section 308 of the Foreign Service Act of 1980.
(2) In consultation with the Foreign Service Personnel Division (M/PF or VOA/PF) and officials from the pertinent Board elements, the Overseas Specialist applicant’s total qualifications and experience will be evaluated based on the application and an interview. On the basis of this review and the recommendations of the appropriate officials, the personnel office will determine whether the application should be continued and, if so, will recommend the appointment class.

(d) Medical examination and security investigation. Qualified applicants and their dependents who will accompany them overseas will be given a physical examination. A security investigation will also be conducted. The reappointment action is subject to completion of a satisfactory security investigation and satisfactory medical examination of the applicant and his/her dependents.

(e) Selection for reappointment. The Director, Office of Personnel (M/P or VOA/P), taking into consideration (1) the qualifications and experience of each applicant as outlined in the qualifications evaluation performed by the Board of Examiners for the Foreign Service or the personnel office, (2) future placement and growth potential, and (3) the needs of the Service for the applicant’s skills determines which applicant, or applicants, are qualified for reappointment and the appointment class that is considered to be appropriate. An Overseas Specialist may not be reappointed until and unless an overseas assignment has been identified. The Director, Office of Personnel (M/P or VOA/P) is responsible for initiating appointment action. Any voluntary applicant who refuses an offer of reappointment will not be considered for reappointment again.

§ 501.9 Interchange of FSOs between Broadcasting Board of Governors and other Foreign Affairs Agencies.

Foreign Service Officers (FSOs) desiring transfer from one agency to another may apply under the following provisions:

(a) Applications. Applications for interchange appointments should be sent to the Board of Examiners for the Overseas Specialist. The Board’s recommendations will be submitted to the appropriate agencies for action.

(b) Certification and approval. (1) When a Foreign Service Officer of another Foreign Affairs Agency wishes to transfer to the Broadcasting Board of Governors, a certification of need is required from the Director of Personnel, Broadcasting Board of Governors, and approval is required by the Director of Personnel for the other agency for the officer’s release to Broadcasting Board of Governors.

(2) When a Broadcasting Board of Governors FSO wishes to transfer to another Foreign Affairs Agency, a certification of need is required from the Director of Personnel of the other Agency, and approval is required by the Director, Office of Personnel, Broadcasting Board of Governors, for the officer’s release to that Agency.

(3) A review by the Board of Examiners for the Foreign Service will certify the eligibility of candidates for exchange. BEX will notify the Office of Personnel, Broadcasting Board of Governors when a Foreign Service Officer of another Agency has been approved for transfer and Broadcasting Board of Governors will process the necessary employment papers.

(4) A new FSO appointment for officers transferring between another Foreign Affairs Agency and Broadcasting Board of Governors is not required.

PART 503—FREEDOM OF INFORMATION ACT REGULATION

Sec.
503.1 Introduction and definitions.
503.2 Making a request.
503.3 Availability of agency records.
503.4 Time limits.
503.5 Records available for public inspection.
503.6 Restrictions on some agency records.
503.7 Fees.
503.8 Exemptions.
503.9 Electronic records.

§ 503.1 Introduction and definitions.

(a) Introduction. The Freedom of Information Act (FOIA) and this part apply to all records of The Broadcasting Board of Governors (BBG). As a general policy BBG follows a balanced approach in administering the FOIA. We recognize the right of public access to information in the Agency’s possession, but we also seek to protect the integrity of the Agency’s internal processes. This policy calls for the fullest possible disclosure of records consistent with those requirements of administrative necessity and confidentiality which are recognized by the FOIA.

(b) Definitions:

Access Appeal Committee or Committee means the Committee delegated by the Agency Head for making final agency determinations regarding appeals from the initial denial of records under the FOIA.

Agency or BBG means the Broadcasting Board of Governors. It includes all parts of the BBG in the U.S. and its worldwide operations.

Commercial use, when referring to a request, means that the request is from, or on behalf of, one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or of a person on whose behalf the request is made. Whether a request is for a commercial use depends on the purpose of the request and how the records will be used. The identity of the requester (individual, non-profit corporation, for-profit corporation), or the nature of the records, while in some cases indicative of that purpose or use, is not necessarily determinative. When a request is made by a representative of the news media, the request shall be deemed to be for a non-commercial use.

Department means any executive department, military department, government corporation, government controlled corporation, any independent regulatory agency, or other establish-
§ 503.2 Making a request.

(a) How to request records. All requests for documents shall be made in writing. Requests should be addressed to The Broadcasting Board of Governors (BBG), FOIA/Privacy Act Officer, Office of the General Counsel, 330 Independence Avenue, SW, Suite 3349, Washington, DC 20237; telephone (202) 260–4404; or fax (202) 260–4394. Write the words “Freedom of Information Act Request” on the envelope and letter.

(b) Details in your letter. Your request for documents should provide as many details as possible that will help us find the records you are requesting. If there is insufficient information, we will ask you to provide greater details. Include your telephone number(s) to help us reach you if we have questions. If you are not sure how to write your request or what details to include, you may call the FOIA Office to request a copy of the Agency’s booklet “Guide and Index of Records,” or access the same information via the Internet on BBG’s World Wide Web site (http://www.ibb.gov). The more specific the request for documents, the sooner the Agency will be able to respond to your request(s).

(c) Requests not handled under FOIA. We will not provide documents requested under the FOIA and this part if the records are currently available in the National Archives, subject to release through the Archives, or commonly sold to the public by it or another agency in accordance with statutory authority (for example, records currently available from the Government Printing Office or the National Technical Information Service). Agency records that are normally freely available to the general public, such as BBG press releases, are not covered by the FOIA. Requests for documents from Federal departments, Chairmen of Congressional committees or subcommittees and court orders are not FOIA requests.

(d) Referral of requests outside the agency. If you request records that were created by or provided to us by another Federal department, we may refer your request to or consult with that department. We may also refer requests for classified records to the department that classified them. In cases of referral, the other department is responsible for processing and responding to your request under that department’s regulation. When possible, we
§ 503.3 Availability of agency records.

(a) Release of records. If we have released a record or part of a record to others in the past, we will ordinarily release it to you also. This principle does not apply if the previous release was an unauthorized disclosure. However, we will not release it to you if a statute forbids this disclosure and we will not necessarily release it to you if an exemption applies in your situation and did not apply or applied differently in the previous situation.

(b) Denial of requests. All denials are in writing and describe in general terms the material withheld and state the reasons for the denial, including a reference to the specific exemption of the FOIA authorizing the withholding or deletion. The denial also explains your right to appeal the decision and it will identify the official to whom you should send the appeal. Denial letters are signed by the person who made the decision to deny all or part of the request, unless otherwise noted.

(c) Unproductive searches. We will make a diligent search for records to satisfy your request. Nevertheless, we may not be able always to find the records you want using the information you provided, or they may not exist. If we advise you that we have been unable to find the records despite a diligent search, you will nevertheless be provided the opportunity to appeal the adequacy of the Agency’s search. However, if your request is for records that are obviously not connected with this Agency or your request has been provided to us in error, a “no records” response will not be considered an adverse action and you will not be provided an opportunity to appeal.

(d) Appeal of denials. You have the right to appeal a partial or full denial of your FOIA request. To do so, you must put your appeal in writing and address it to the official identified in the denial letter. Your appeal letter must be dated and postmarked within 30 calendar days from the date of the Agency’s denial letter. Because we have some discretionary authority in deciding whether to release or withhold records, you may strengthen your appeal by explaining your reasons for wanting the records. However, you are not required to give any explanation. Your appeal will be reviewed by the Agency’s Access Appeal Committee that consists of senior Agency officials. When the Committee responds to your appeal, that constitutes the Agency’s
final action on the request. If the Access Appeal Committee grants your appeal in part or in full, we will send the records to you promptly or set up an appointment for you to inspect them. If the decision is to deny your appeal in part or in full, the final letter will state the reasons for the decision, name the officials responsible for the decision, and inform you of the FOIA provisions for judicial review.

§ 503.4 Time limits.
(a) General. The FOIA sets certain time limits for us to decide whether to disclose the records you requested, and to decide appeals. If we fail to meet the deadlines, you may proceed as if we had denied your request or your appeal. Since requests may be misaddressed or misrouted, you should call or write to confirm that we have the request and to learn its status if you have not heard from us in a reasonable time.

(b) Time allowed. (1) We will decide whether to release records within 20 working days after your request reaches the appropriate area office that maintains the records you are requesting. When we decide to release records, we will actually provide the records at that time, or as soon as possible after that decision, or let you inspect them as soon as possible thereafter.

(2) We will decide an appeal within 20 working days after the appeal reaches the appropriate reviewing official.

(3)(i) The FOIA Officer or appeal official may extend the time limits in unusual circumstances for initial requests or appeals, up to 10 working days. We will notify you in writing of any extensions. “Unusual circumstances” include situations where we search for and collect records from field facilities, records centers or locations other than the office processing the records; search for, collect, or examine a great many records in response to a single request; consult with another office or department that has substantial interest in the determination of the request; and/or conduct negotiations with submitters and requesters of information to determine the nature and extent of non-disclosable proprietary materials.

(ii) If an extra ten days still does not provide sufficient time for the Agency to deal with your request, we will inform you that the request cannot be processed within the statutory time limit and provide you with the opportunity to limit the scope of your request and/or arrange with us a negotiated deadline for processing your request.

(iii) If you refuse to reasonably limit the scope of your request or refuse to agree upon a time frame, the Agency will process your case, as it would have, had no modification been sought. We will make a diligent, good faith effort to complete our review within the statutory time frame.

§ 503.5 Records available for public inspection.
(a) To the extent that they exist, we will make the following records of general interest available for you in paper form or electronically for inspection or copying:

(1) Orders and final opinions, including concurring and dissenting opinions in adjudications. (See § 503.8(e) of this part for availability of internal memoranda, including attorney opinions and advice.)

(2) Statements of policy and interpretations that we have adopted but which have not been published in the Federal Register.

(3) Administrative staff manuals and instructions to staff that affect the public. (We will not make available, however, manuals or instructions that reveal investigative or audit procedures as described in § 503.8(b) and (g) of this part.)

(4) In addition to such records as those described in this paragraph (a), we will make available to any person a copy of all other Agency records, in the format requested, if available, unless we determine that such records should be withheld from disclosure under subsection (b) of the Act and §§ 503.8 and 503.9 of this part.

(b) Before releasing these records, however, we may delete the names of people, or information that would identify them, if release would invade their personal privacy to a clearly unwarranted degree (See § 503.8(f)).

(c) The Agency’s FOIA Guide and Index is available electronically via
§ 503.6 Restrictions on some agency records.

Under the U.S. Information and Educational Exchange Act of 1948 (22 U.S.C. 1461, as amended), the BBG is prohibited from disseminating within the United States information about the U.S., its people, and its policies when such materials have been prepared by the Agency for audiences abroad. This includes films, radio scripts and tapes, videotapes, books, and similar materials produced by the Agency. However, this law does provide that upon request, such information shall be made available at BBG, for examination only, by representatives of the press, magazines, radio systems and stations, research students or scholars and available, for examination only, to Members of Congress.

§ 503.7 Fees.

(a) Fees to be charged—categories of requests. Paragraphs (a)(1) through (3) and (b) through (e) of this section explain each category of request and the type of fees that we will generally charge. However, for each of these categories, the fees may be limited, waived, or reduced for the reasons given in paragraph (e) of this section. “Request” means asking for records, whether or not you refer specifically to the Freedom of Information Act (FOIA). Requests from Federal agencies and court orders for documents are not included within this definition. “Review” means, when used in connection with processing records for a commercial use request, examining the records to determine what portions, if any, may be withheld, and any other processing that is necessary to prepare the records for release. It includes only the examining and processing that are done the first time we analyze whether a specific exemption applies to a particular record or portion of a record. It does not include the process of researching or resolving general legal, or policy issues regarding exemptions. “Search” means looking for records or portions of records responsive to a request. It includes reading and interpreting a request, and also and line-by-line examination to identify responsive portions of a document.

(1) Commercial use request. If your request is for a commercial use, BBG will charge you the costs of search, review and duplication. “Commercial use” means that the request is from or on behalf of one whom seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or of a person on whose behalf the request is made. Whether a request is for a commercial use depends on the purpose of the request and how the records will be used; the identity of the requester (individual, non-profit corporation, for-profit corporation), or the nature of the records, while in some cases may indicate the purpose or use is not necessarily determinative. When a request is made by a representative of the news media, a purpose of use which supports the requester’s news dissemination function is deemed to be a non-commercial use.

(2) Educational and scientific institutions and news media. If you are an educational institution or a non-commercial scientific institution, operated primarily for scholarly or scientific research, or a representative of the news media, and your request is not for a commercial use, BBG will charge you only for the duplication of documents. Also BBG will not charge you the copying costs for the first 100 pages of duplication. “Educational institution” means a preschool, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education. “Non-commercial scientific institution” means an institution that is not operated substantially for purposes of furthering its own or someone else’s business, trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry. “Representative of the news media” means a person actively gathering news for an entity organized and operated to publish or broadcast news to the public. “News” means information that is about current events or that would be of current interest to the
public. News media entities include television and radio broadcasters, publishers of periodicals (to the extent they publish “news”) who make their products available for purchase or subscription by the general public, and entities that may disseminate news through other media (e.g., electronic dissemination of text). We will treat freelance journalists as representatives of a news media entity if they can show a solid basis for expecting publication through such an entity. A publication contract is such a basis and the requester’s past publication record may show such a basis.

(3) Other requesters. If your request is not the kind described by paragraph (a)(1) or (a)(2) of this section, then the BBG will charge you only for search and duplication. Also, we will not charge you for the first two hours of search time or for the copying costs of the first 100 pages of duplication.

(b) Fees to be charged—general provisions. (1) We may charge search fees even if the records we find are exempt from disclosure, or even if we do not find any records at all.

(2) We will not charge you any fee at all if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee. We have estimated that cost to be $5.00.

(3) If we determine that you are acting alone or with others to break down a single request into a series of requests in order to avoid or reduce the fees charged, we may aggregate all these requests for purposes of calculating the fees charged.

(4) We will charge interest on unpaid bills beginning on the 31st day following the day the bill was sent. The accrual of interest will stop upon receipt of the fee, rather than upon its processing by BBG. Interest will be at the rate prescribed in section 3717 of Title 32 U.S.C.

(c) Fee schedule—BBG will charge the following fees: (1) Manual searching for or reviewing of records:

(i) When performed by employees at salary grade GS-1 through GS-8 or FS-9 through FS-5—an hourly rate of $10.00 will be charged;

(ii) When performed by employees at salary grade GS-9 through GS-13 or FS-5 through FS-2—an hourly rate of $20.00 will be charged;

(iii) When performed by employees at salary grade GS-14 or above or FS-2 or above—an hourly rate of $36.00 will be charged.

(iv) When a search involves employees at more than one of these levels, we will charge the appropriate rate for each.

(2) Computer searching and printing. Except in unusual cases, the cost of computer time will not be a factor in calculating the two free hours of search time. In those unusual cases, where the cost of conducting a computerized search significantly detracts from the Agency’s ordinary operations, no more than the dollar cost of two hours of manual search time shall be allowed. For searches conducted beyond the first two hours, the Agency shall only charge the direct costs of conducting such searches.

(3) Photocopying standard size pages—$0.15 per page.

(4) Photocopying odd-size documents (such as punchcards or blueprints) or reproducing other records (such as tapes)—the actual cost of operating the machine, plus the actual cost of the materials used, plus charges for the time spent by the operator, at the rates given in paragraph (c)(1) of this section.

(5) Certifying that records are true copies—this service is not required by the FOIA. If we agree to provide it, we will charge $10.00 per certification.

(6) Sending records by express mail, certified mail, or other special methods. This service is not required by the FOIA. If we agree to provide it, we will charge our actual cost.

(7) Performing any other special service that you request and to which we agree—actual cost of operating any machinery, plus actual cost of any materials used, plus charges for the time of our employees, at the rates given in paragraph (c)(1) of this section.

(d) Procedures for assessing and collecting fees—(1) Agreement to pay. We generally assume that when you request records you are willing to pay the fees we charge for services associated with your request. You may specify a limit on the amount you are willing to spend. We will notify you if it
appears that the fees will exceed the limit and ask whether you nevertheless want us to proceed with the search.

(2) **Advance payment.** If you have failed to pay previous bills in a timely manner, or if our initial review of your request indicates that we will charge you fees exceeding $250.00, we will require you to pay your past due fees and/or the estimated fees, or a deposit, before we start searching for the records you want, or before we send them to you. In such cases, the administrative time limits as described in Sec. 503.4(b), will begin only after we come to an agreement with you over payment of fees, or decide that a fee waiver or reduction is appropriate.

(e) **Waiver or reduction of fees.** We will waive or reduce the fees we would otherwise charge if disclosure of the information meets both of the following tests (paragraphs (e)(1) and (e)(2) of this section):

(1) It is in the public interest because it is likely to contribute significantly to public understanding of government operations or activities, regardless of any other public interest it may further. In making this determination, we may consider:

(i) Whether the requester is in a position to contribute to public understanding;

(ii) Whether the requester has such knowledge or expertise as may be necessary to understand the information; and

(iii) Whether the requester’s intended use of the information would be likely to disseminate the information among the public.

(2) It is not primarily in the commercial interest of the requester. Commercial interests include interests relating to business, trade, and profit. Not only profit-making corporations have commercial interests; so do nonprofit corporations, individuals, unions, and other associations.

You must make your request for a waiver or reduction at the same time you make your request for records. Only the FOIA Officer may make the decision whether to waive or reduce the fees. If we do not completely grant your request for a waiver or reduction, the denial letter will designate the appeal official.

§ 503.8 Exemptions.

Section 552(b) of the Freedom of Information Act contains nine exemptions to the mandatory disclosure of records. These exemptions and their application by the Agency are described below. In some cases, more than one exemption may apply to the same document. This section does not itself authorize the giving of any pledge of confidentiality by any officer or employee of the Agency.

(a) **Exemption one—National defense and foreign policy.** We are not required to release records that are specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified according to such Executive Order. Executive Order No. 12958 (1995) provides for such classification. When the release of certain records may adversely affect U.S. relations with foreign countries, we usually consult with officials with knowledge of those countries and/or with officials of the Department of State. We may also have in our possession records classified by another agency. If we do, we may consult with that agency or may refer your request to that agency for their direct response to you. If possible, we will notify you that we have made such a referral.

(b) **Exemption two—Internal personnel rules and practices.** We are not required to release records that are related solely to the internal personnel rules and practices of an agency. We may withhold routine internal agency procedures such as guard schedules and luncheon periods. We may also withhold internal records the release of which would help some persons circumvent the law or Agency regulations.

(c) **Exemption three—Records exempted by other statutes.** We are not required to release records if another statute specifically allows us to withhold them. Another statute may be used only if it absolutely prohibits disclosure or if it sets forth criteria identifying particular types of material to be withheld (for example, the statute discussed in §503.6).
§ 503.8

(d) Exemption four—Trade secrets and confidential commercial or financial information. We will withhold trade secrets and commercial or financial information that is obtained from a person and is privileged or confidential.

(1) Trade secrets: A trade secret is a secret, commercially valuable plan, formula, process, or device that is used for the making, preparing, compounding, or processing of trade commodities and that can be said to be the end product of either innovation or substantial effort. A direct relationship is necessary between the trade secret and the productive process.

(2) Commercial or financial information, obtained from a person, and is privileged or confidential.

(i) Information is “commercial or financial” if it relates to businesses, commerce, trade, employment, profits, or finances (including personal finances).

(ii) Information is obtained from someone outside the Federal Government or from someone within the Government who has a commercial or financial interest in the information. “Person” includes an individual, partnership, corporation, association, state or foreign government, or other organization. Information is not “obtained from a person” if it is generated by BBG or another Federal agency.

(iii) Information is “privileged” if it would ordinarily be protected from disclosure in civil discovery by a recognized evidentiary privilege, such as the attorney-client privilege, or the work-product privilege. Information may be privileged for this purpose under a privilege belonging to a person outside the Government, unless the providing of the information to the Government rendered the information no longer protectible in civil discovery.

(iv) Information is “confidential” if it meets one of the following tests:

(A) Disclosure may impair the Government’s ability to obtain necessary information in the future;

(B) Disclosure would substantially harm the competitive position of the person who submitted the information;

(C) Disclosure would impair other Government interests, such as program effectiveness and compliance; or

(D) Disclosure would impair other private interests, such as an interest in controlling availability of intrinsically valuable records, which are sold in the market by their owner.

(3) Designation of certain confidential information. A person who submits records to the Government may designate part or all of the information in such records as exempt from disclosure under Exemption four. The person may make this designation either at the time the records are submitted to the Government or within a reasonable time thereafter. The designation must be in writing. The legend prescribed by a request for proposal or request for quotations according to any agency regulation establishing a substitute for the language is sufficient but not necessary for this purpose. Any such designation will expire ten years after the records were submitted to the Government.

(4) Predisclosure notification. The procedures in this paragraph apply to records that were submitted to the Government and where we have substantial reason to believe that information in the records could reasonably be considered exempt under Exemption four. Certain exceptions to these procedures are stated in paragraph (d)(5) of this section.

(i) When we receive a request for such records and we determine that we may be required to disclose them, we will make reasonable efforts to notify the submitter about these facts. The notice will inform the submitter about the procedures and time limits for submission and consideration of objections to disclosure. If we must notify a large number of submitters, we may do this by posting or publishing a notice in a place where the submitters are reasonably likely to become aware of it.

(ii) The submitter has ten (10) working days from receipt of the notice to object to disclosure of any part of the records and to state all bases for its objections.

(iii) We will give consideration to all bases that have been timely stated by the submitter. If we decide to disclose the records and the submitter still does not agree, we will send a written notice to the submitter stating briefly why we did not sustain its objections and we
Broadcasting Board of Governors § 503.8

will provide a copy of the records as we intend to release them. The notice will state that we will disclose the records five (5) working days after the submitter receives the notice unless we are ordered by a United States District Court not to release them.

(iv) When a requester files suit under the FOIA to obtain records covered by this paragraph, we will promptly notify the submitter.

(v) Whenever we send a notice to a submitter under paragraph (d)(4)(i) of this section, we will notify you that we are giving the submitter a notice and an opportunity to object.

(5) Exceptions to predisclosure notification. The notice requirements in paragraph (d)(4) of this section do not apply in the following situations:

(i) We decide not to disclose the records;

(ii) The information has previously been published or made generally available;

(iii) We have already notified the submitter of previous requests for the same records and have come to an understanding with that submitter about the records;

(iv) Disclosure is required by a statute other than the FOIA;

(v) Disclosure is required by a regulation, issued after notice and opportunity for public comment that specifies narrow categories of records that are to be disclosed under the FOIA. In this case a submitter may still designate records as described in paragraph (d)(3) of this section and in exceptional cases, at our discretion, may follow the notice procedures in paragraph (d)(4) of this section;

(vi) The designation appears to be obviously frivolous; but in this case we will still give the submitter the written notice required by paragraph (d)(4)(iii) of this section (although this notice need not explain our decision or include a copy of the records); and

(vii) We withhold the information because another statute requires its withholding.

(e) Exception five—Internal memoranda. This exemption covers internal Government communications and notes that fall within a generally recognized evidentiary privilege. Internal Government communications include an agency’s communications with an outside consultant or other outside person, with a court, or with Congress, when those communications are for a purpose similar to the purpose of privileged intra-agency communications. Some of the most common applicable privileges are:

(1) The deliberative process privilege. This privilege protects predecisional deliberative communications. A communication is protected under this privilege if it was made before a final decision was reached on some question of policy and if it expressed recommendations or opinions on that question. The purpose of this privilege is to prevent injury to the quality of the agency decision making process by encouraging open and frank internal policy discussions, by avoiding premature disclosure of policies not yet adopted, and by avoiding the public confusion that might result from disclosing reasons that were not in fact the ultimate grounds for an agency’s decision. This privilege continues to protect pre-decisional documents even after a decision is made. We will release purely factual material in a deliberative document unless that material is otherwise exempt. However, purely factual material in a deliberative document is within this privilege if:

(i) It is inextricably intertwined with the deliberative portions so that it cannot reasonably be segregated; or

(ii) It would reveal the nature of the deliberative portions, or

(iii) Its disclosure would in some other way make possible an intrusion into the decision making process.

(2) Attorney-client privilege. This privilege protects confidential communications between a lawyer and an employee or agent of the Government where an attorney-client relationship exists (for example, where the lawyer is acting as attorney for the agency and the employee is communicating on behalf of the agency) and where the employee has communicated information to the attorney in confidence in order to obtain legal advice or assistance, and/or when the attorney has given advice to the client.
(3) Attorney work product privilege. This privilege protects documents prepared by or for an agency, or by or for its representative (usually BBG attorneys) in anticipation of litigation or for trial. It includes documents prepared for purposes of administrative adjudications as well as court litigation. It includes factual material in such documents as well as material revealing opinions and tactics. The privilege continues to protect the documents even after the litigation is closed.

(f) Exemption six—Clearly unwarranted invasion of personal privacy. We may withhold personnel, medical, and similar files, and personal information about individuals if disclosure would constitute a clearly unwarranted invasion of personal privacy.

(1) Balancing test. In deciding whether to release records that contain personal or private information about someone else to a requester, we weigh the foreseeable harm of invading that individual’s privacy against the public benefit that would result from the release of the information. In our evaluation of requests for records, we attempt to guard against the release of information that might involve a violation of personal privacy by a requester being able to “piece together items” or “read between the lines” information that would normally be exempt from mandatory disclosure.

(2) Information frequently withheld. We frequently withhold such information as home addresses, home telephone numbers, ages, minority group status, social security numbers, individual’s benefits, earning records, leave records, etc.

(g) Exemption seven—Law enforcement. We are not required to release information or records that the Government has compiled for law enforcement purposes. The records may apply to actual or potential violations of either criminal or civil laws or regulations. We can withhold these records only to the extent that releasing them would cause harm in at least one of the following situations:

(1) Enforcement proceedings. We may withhold information when release could reasonably be expected to interfere with prospective or ongoing law enforcement proceedings. Investigations of fraud and mismanagement, employee misconduct, and civil rights violations may fall into this category. In certain cases, we may refuse to confirm or deny the existence of records that relate to violations in order not to disclose that an investigation is in progress or may be conducted.

(2) Fair trial or impartial adjudication. We may withhold records when release would deprive a person of a fair trial or an impartial adjudication because of prejudicial publicity.

(3) Personal privacy. We are careful not to disclose information that could reasonably be expected to constitute an unwarranted invasion of personal privacy. When a name surfaces in an investigation, that person is likely to be vulnerable to innuendo, rumor, harassment, or retaliation.

(4) Confidential sources and information. We may withhold records whose release could reasonably be expected to disclose the identity of a confidential source of information. A confidential source may be an individual; a state, local or foreign Government agency; or any private organization. The exemption applies whether the source provides information under an express promise of confidentiality or under circumstances from which such an assurance could be reasonably inferred. Also, where the record or information in it has been compiled by a criminal law enforcement authority conducting a criminal investigation or by an agency conducting a lawful national security investigation, the exemption also protects all information supplied by a confidential source. Also protected from mandatory disclosure is any information which, if disclosed, could reasonably be expected to jeopardize the system of confidentiality that assures a flow of information from sources to investigatory agencies.

(5) Techniques and procedures. We may withhold records reflecting special techniques or procedures of investigation or prosecution not otherwise generally known to the public. In some cases, it is not possible to describe even in general terms those techniques without disclosing the very material to be withheld. We may also withhold records whose release would disclose
guidelines for law enforcement investigations or prosecutions if this disclosure could reasonably be expected to create a risk that someone could circumvent requirements of law or of regulation.

(6) Life and physical safety. We may withhold records whose disclosure could reasonably be expected to endanger the life or physical safety of any individual. This protection extends to threats and harassment as well as to physical violence.

(h) Exemptions eight and nine—Records on financial institutions and records on wells. (1) Exemption eight permits us to withhold records about regulation or supervision of financial institutions.

(2) Exemption nine permits the withholding of geological and geophysical information and data, including maps concerning wells.

§ 503.9 Electronic records.

(a) Introduction. This section applies to all records of the BBG, including all of its worldwide operations. Congress enacted the FOIA to require Federal agencies to make records available to the public through public inspections and at the request of any person for any public or private use. The increase in the Government’s use of computers enhances the public’s access to Government information. This section addresses and explains how records will be reviewed and released when the records are maintained in electronic format. Documentation not previously subject to the FOIA when maintained in a non-electronic format is not made subject to FOIA by this law.

(b) Definitions—(1) Compelling need. Obtaining records on an expedited basis because of an imminent threat to the life or physical safety of an individual, or urgently needed by an individual primarily engaged in disseminating information to the public concerning actual or alleged Federal Government activities.

(2) Discretionary disclosure. Records or information normally exempt from disclosure will be released whenever it is possible to do so without reasonably foreseeable harm to any interest protected by an FOIA exemption.

(3) Electronic reading room. The room provided which makes electronic records available.

(c) Electronic format of records. (1) Materials such as agency opinions and policy statements (available for public inspection and copying) will be available electronically by accessing the BBG’s Home Page via the Internet at http://www.ibb.gov. To set up an appointment to view such records in hard copy or to access the Internet via the BBG’s computer, please contact the FOIA/Privacy Act Officer at (202) 260-4404.

(2) We will make available for public inspection and copying, both electronically via the Internet and in hard copy, those records that have been previously released in response to FOIA requests, when we determine the records have been or are likely to be the subject of future requests.

(3) We will provide both electronically through our Internet address and in hard copy a “Guide” on how to make an FOIA request, and an Index of all Agency information systems and records that may be requested under the FOIA.

(4) We may delete identifying details when we publish or make available the index and copies of previously-released records to prevent a clearly unwarranted invasion of personal privacy.

(i) We will indicate the extent of any deletions made from the place the deletion was made, if possible.

(ii) We will not reveal information about deletions if such disclosure would harm an interest protected by an exemption.

(d) Honoring form or format requests. We will aid requesters by providing records and information in the form requested, including electronic format, if we can readily reproduce them in that form or format. However, if we cannot accommodate you, we will provide responsive, nonexempt information in a reasonably accessible form.

(1) We will make a reasonable effort to search for records kept in an electronic format. However, if the effort would significantly interfere with the operations of the agency or the agency’s use of its computers, we will consider the effort to be unreasonable.
§ 503.9  

(2) We need not create documents that do not exist, but computer records found in a database rather than in a file cabinet may require the application of codes or some form of programming to retrieve the information. This application of codes or programming of records will not amount to the creation of records.

(3) Except in unusual cases, the cost of computer time will not be a factor in calculating the two free hours of search time available under Sec. 503.7. In those unusual cases, where the cost of conducting a computerized search significantly detracts from the agency’s ordinary operations, no more than the dollar cost of two hours of manual search time shall be allowed. For searches conducted beyond the first two hours, the agency shall only charge the direct costs of conducting such searches.

(e) Technical feasibility of redacting non-releasable material. We will make every effort to indicate the place on the record where a redaction of non-releasable material is made, and an FOIA citation noting the applicable exemption for the deletion will also be placed at the site. If unable to do so, we will notify you of that fact.

(f) Ensuring timely response to request. We will make every attempt to respond to FOIA requests within the prescribed 20 working-day time limit. However, processing some requests may require additional time in order to properly screen material against the inadvertent disclosure of material covered by the exemptions.

(i) Multitrack first-in first-out processing. (i) Because the agency expects to be able to process its requests without a backlog of cases, BBG will not institute a multitrack system. Those cases that may be handled easily, because they require only a few documents or a simple answer, will be handled immediately by an FOIA specialist.

(ii) If you wish to qualify for faster processing, you may limit the scope of your request so that we may respond more quickly.

(2) Unusual circumstances. (i) The agency may extend for a maximum of ten working days the statutory time limit for responding to an FOIA request by giving notice in writing as to the reason for such an extension. The reasons for such an extension may include: the need to search for and collect requested records from multiple offices; the volume of records requested; and, the need for consultation with other components within the agency.

(ii) If an extra ten days still does not provide sufficient time for the Agency to deal with your request, we will inform you that the request cannot be processed within the statutory time limit and provide you with the opportunity to limit the scope of your request and/or arrange with us a negotiated deadline for processing your request.

(iii) If you refuse to reasonably limit the scope of your request or refuse to agree upon a time frame, the agency will process your case, as it would have, had no modification been sought. We will make a diligent, good-faith effort to complete our review within the statutory time frame.

(3) Grouping of requests. We will group together requests that clearly involve related material that should be considered as a single request.

(i) If you make multiple or related requests for similar material for the purpose of avoiding costs, we will notify you that we are grouping together your requests, and the reasons why.

(ii) Multiple or related requests may also be grouped, such as those involving requests and schedules but you will be notified in advance if we intend to do so.

(g) Time periods for agency consideration of requests—(1) Expedited access. We will authorize expedited access to requesters who show a compelling need for access, but the burden is on the requester to prove that expedition is appropriate. We will determine within ten days whether or not to grant a request for expedited access and we will notify the requester of our decision.

(i) Compelling need for expedited access. Failure to obtain the records within an expedited deadline must pose an imminent threat to an individual’s life or physical safety; or the request must be made by someone primarily engaged in disseminating information, and who has an urgency to inform the
public about actual or alleged Federal Government activity.

How to request expedited access. We will be required to make factual and subjective judgments about the circumstances cited by requesters to qualify them for expedited processing. To request expedited access, your request must be in writing and it must explain in detail your basis for seeking expedited access. The categories for compelling need are intended to be narrowly applied:

(i) **A threat to an individual’s life or physical safety.** A threat to an individual’s life or physical safety should be imminent to qualify for expedited access to the records. You must include the reason why a delay in obtaining the information could reasonably be foreseen to cause significant adverse consequences to a recognized interest.

(ii) **Urgency to inform.** The information requested should pertain to a matter of a current exigency to the American public, where delay in response would compromise a significant recognized interest. The person requesting expedited access under an “urgency to inform,” must be primarily engaged in the dissemination of information. This does not include individuals who are engaged only incidentally in the dissemination of information. “Primarily engaged” requires that information dissemination be the main activity of the requester. A requester only incidentally engaged in information dissemination, besides other activities, would not satisfy this requirement. The public’s right to know, although a significant and important value, would not by itself be sufficient to satisfy this standard.

(iii) **Estimation of matter denied.** The agency will try to estimate the volume of any denied material and provide the estimate to the requester, unless doing so would harm an interest protected by an exemption.

(b) **Computer redaction.** The agency will identify the location of deletions in the released portion of the records, and where technologically possible, will show the deletion at the place on the record where the deletion was made, unless including that indication would harm an interest protected by an exemption.

(i) **Annual report on FOIA activities.** Reports on FOIA activities are submitted each fiscal year to the Department of Justice, and are due by February 1 of every year. The BBG’s report will be available both in hard copy and through the Internet. The Department of Justice will also report all Federal agency FOIA activity through electronic means.

(j) **Reference materials and guides.** The agency has available in hard copy, and electronically through the Internet, a guide for requesting records under the FOIA, and an index and description of all major information systems of the agency. The guide is a simple explanation of what the FOIA is intended to do, and how you can use it to access BBG records. The Index explains the types of records that may be requested from the Agency through FOIA requests and why some records cannot, by law, be made available by the BBG.
Subpart A—General Provisions

§ 504.1 Scope and purpose.

(a) These regulations in this subpart establish policy, assign responsibilities and prescribe procedures with respect to:

1. The production or disclosure of official information or records by BBG employees, and

2. The testimony of current and former BBG employees, relating to official information, official duties, or the BBG’s records, in connection with federal or state litigation in which the BBG is not a party.

(b) The BBG intends these provisions to:

1. Conserve the time of BBG employees for conducting official business;

2. Minimize the involvement of BBG employees in issues unrelated to BBG’s mission;

3. Maintain the impartiality of BBG employees in disputes between private litigants; and

4. Protect sensitive, confidential information and the deliberative processes of the BBG.

(c) In providing for these requirements, the BBG does not waive the sovereign immunity of the United States.

(d) This part provides guidance for the internal operations of BBG. It does not create any right or benefit, substantive or procedural, that a party may rely upon in any legal proceeding against the United States.

§ 504.2 Applicability.

This part applies to demands and requests to current and former employees for factual or expert testimony relating to official information or official duties or for production of official records or information, in legal proceedings in which the BBG is not a named party. This part does not apply to:

(a) Demands upon or requests for a BBG employee to testify as to facts or events that are unrelated to his or her

official duties or that are unrelated to the functions of the BBG;

(b) Demands upon or requests for a former BBG employee to testify as to matters in which the former employee was not directly or materially involved while at the BBG;

(c) Requests for the release of records under the Freedom of Information Act, 5 U.S.C. 552, or the Privacy Act, 5 U.S.C. 552a; or

(d) Congressional demands and requests for testimony, records or information.

§ 504.3 Definitions.

The following definitions apply to this part:

(a) Demand means an order, subpoena, or other command of a court or other competent authority for the production, disclosure, or release of records or for the appearance and testimony of a BBG employee in a legal proceeding.

(b) General Counsel means the General Counsel of the BBG or a person to whom the General Counsel has delegated authority under this part.

(c) Legal proceeding means any matter before a court of law, administrative board or tribunal, commission, administrative law judge, hearing officer or other body that conducts a legal or administrative proceeding. Legal proceeding includes all phases of litigation.

(d) BBG means the Broadcasting Board of Governors.

(e) BBG employee means:

1. Any current or former employee of the BBG.

2. This definition does not include persons who are no longer employed by the BBG and who agree to testify about general matters, matters available to the public, or matters with which they had no specific involvement or responsibility during their employment with the BBG.

(f) Records or official records and information means all information in the custody and control of the BBG, relating to information in the custody and control of the BBG, or acquired by a BBG employee in the performance of his or her official duties or because of his or her official status, while the individual was employed by the BBG.
(g) Request means any informal request, by whatever method, for the production of records and information or for testimony which has not been ordered by a court or other competent authority.

(h) Testimony means any written or oral statements, including depositions, answers to interrogatories, affidavits, declarations, interviews, and statements made by an individual in connection with a legal proceeding.

Subpart B—Demands or Requests for Testimony and Production of Documents

§ 504.4 General prohibition.

(a) In any United States federal, state, and local proceeding or administrative action, or proceeding or administrative action conducted in a foreign country, in which the BBG is not a party, no BBG employee shall, in response to a demand or request for official records or information, furnish or produce documents or testimony as to any material contained in BBG files, any information relating to or based upon material contained in BBG files, or any information or material acquired as part of the performance of that person's official duties (or because of that person's official status) without the prior written approval of the General Counsel.

(b) Whenever a request or demand for information is made upon a BBG employee, the employee, wherever located, shall immediately prepare a report that specifically describes the testimony or documents sought and immediately notify the General Counsel. The BBG employee shall then await instructions from the General Counsel concerning a response to the request or demand. The failure of any BBG employee to follow the procedures specified in this subpart neither creates nor confers any rights, privileges, or benefits on any person or party.

§ 504.5 Factors the BBG will consider.

The General Counsel, in his or her sole discretion, may grant an employee permission to testify on matters relating to official information, or produce official records and information, in response to a demand or request. Among the relevant factors that the General Counsel may consider in making this decision are whether:

(a) The purposes of this part are met;

(b) Allowing such testimony or production of records would be necessary to prevent a miscarriage of justice;

(c) Allowing such testimony or production of records would assist or hinder the BBG in performing its statutory duties;

(d) Allowing such testimony or production of records would be in the best interest of the BBG or the United States;

(e) The records or testimony can be obtained from other sources;

(f) The demand or request is unduly burdensome or otherwise inappropriate under the applicable rules of discovery or the rules of procedure governing the case or matter in which the demand or request arose;

(g) Disclosure would violate a statute, Executive Order or regulation;

(h) Disclosure would reveal confidential, sensitive, or privileged information, trade secrets or similar confidential or financial information, otherwise protected information, or information which would otherwise be inappropriate for release;

(i) Disclosure would impede or interfere with an ongoing law enforcement investigation or proceeding, or compromise constitutional rights or national security interests;

(j) Disclosure would result in the BBG appearing to favor one litigant over another;

(k) The request was served before the demand;

(l) A substantial Government interest is implicated;

(m) The demand or request is within the authority of the party making it; and

(n) The demand or request is sufficiently specific to be answered and/or can be limited to information to that which would be consistent with the factors specified herein.
§ 504.6 Filing requirements for litigants seeking documents or testimony.

A litigant must comply with the following requirements when filing a request for official records and information or testimony under this subpart. A request should be filed before a demand.

(a) The request must be in writing and must be submitted to the General Counsel.

(b) The written request must contain the following information:

(1) The caption of the legal proceeding, docket number, and name and address of the court or other authority involved;

(2) A copy of the complaint or equivalent document setting forth the assertions in the case and any other pleading or document necessary to show relevance;

(3) A list of categories of records sought, a detailed description of how the information sought is relevant to the issues in the legal proceeding, and a specific description of the substance of the testimony or records sought;

(4) A statement as to how the need for the information outweighs any need to maintain the confidentiality of the information and outweighs the burden on the BBG to produce the records or provide testimony;

(5) A statement indicating that the information sought is not available from another source, from other persons or entities, or from the testimony of someone other than an BBG employee, such as a retained expert;

(6) If testimony is requested, the intended use of the testimony, and a showing that no document could be provided and used in lieu of testimony;

(7) A description of all prior decisions, orders, or pending motions in the case that bear upon the relevance of the requested records or testimony;

(8) The name, address, and telephone number of counsel to each party in the case; and

(9) An estimate of the amount of time that the requester and other parties will require for each BBG employee for time spent by the employee to prepare for testimony, in travel, and for attendance in the legal proceeding.

(c) The BBG reserves the right to require additional information to complete the request where appropriate.

(d) The request should be submitted at least 30 days before the date that records or testimony is required. Requests submitted in less than 30 days before records or testimony is required must be accompanied by a written explanation stating the reasons for the late request and the reasons for expedited processing.

(e) Failure to cooperate in good faith to enable the General Counsel to make an informed decision may serve as the basis for a determination not to comply with the request.

(f) The request should state that the requester will provide a copy of the BBG employee’s statement free of charge and that the requester will permit the BBG to have a representative present during the employee’s testimony.

§ 504.7 Service of requests or demands.

Requests or demands for official records or information or testimony under this Subpart must be served on the General Counsel, BBG, 330 Independence Ave., SW., Washington, DC 20237 by mail or fax at (202) 203–4585 and clearly marked “Part 504—Request for Testimony or Official Records in Legal Proceedings.”

§ 504.8 Processing requests or demands.

(a) After receiving service of a request or demand for testimony, the General Counsel will review the request and, in accordance with the provisions of this Subpart, determine whether, or under what conditions, to authorize the employee to testify on matters relating to official information and/or produce official records and information.

(b) Absent exigent circumstances, the BBG will issue a determination within 30 days from the date the request is received.

(c) The General Counsel may grant a waiver of any procedure described by this Subpart where a waiver is considered necessary to promote a significant interest of the BBG or the United States, or for other good cause.
§ 504.12 Procedure when a decision is not made prior to the time a response is required.

If a response to a demand or request is required before the General Counsel can make the determination referred to in §504.9, the General Counsel, when necessary, will provide the court or other competent authority with a copy of this part, inform the court or other competent authority that the request is being reviewed, provide an estimate

(d) Certification (authentication) of copies of records. The BBG may certify that records are true copies in order to facilitate their use as evidence. If a requester seeks certification, the requester must request certified copies from the BBG at least 30 days before the date they will be needed. The request should be sent to the BBG General Counsel.

§ 504.9 Final determinations.

The General Counsel makes the final determination on demands or requests to employees for production of official records and information or testimony in litigation in which the BBG is not a party. All final determinations are within the sole discretion of the General Counsel. The General Counsel will notify the requester and, when appropriate, the court or other competent authority of the final determination, the reasons for the grant or denial of the request, and any conditions that the General Counsel may impose on the release of records or information, or on the testimony of an BBG employee. The General Counsel’s decision exhausts administrative remedies for discovery of the information.

§ 504.10 Restrictions that apply to testimony.

(a) The General Counsel may impose conditions or restrictions on the testimony of BBG employees including, for example:

(1) Limiting the areas of testimony;

(2) Requiring the requester and other parties to the legal proceeding to agree that the transcript of the testimony will be kept under seal;

(3) Requiring that the transcript will be used or made available only in the particular legal proceeding for which testimony was requested. The General Counsel may also require a copy of the transcript of testimony at the requester’s expense.

(b) The BBG may offer the employee’s written declaration in lieu of testimony.

(c) If authorized to testify pursuant to this part, an employee may testify as to facts within his or her personal knowledge, but, unless specifically authorized to do so by the General Counsel, the employee shall not:

(1) Disclose confidential or privileged information; or

(2) For a current BBG employee, testify as an expert or opinion witness with regard to any matter arising out of the employee’s official duties or the functions of the BBG unless testimony is being given on behalf of the United States (see also 5 CFR 2635.805).

(d) The scheduling of an employee’s testimony, including the amount of time that the employee will be made available for testimony, will be subject to the BBG’s approval.

§ 504.11 Restrictions that apply to released records.

(a) The General Counsel may impose conditions or restrictions on the release of official records and information, including the requirement that parties to the proceeding obtain a protective order or execute a confidentiality agreement to limit access and any further disclosure. The terms of the protective order or of a confidentiality agreement must be acceptable to the General Counsel. In cases where protective orders or confidentiality agreements have already been executed, the BBG may condition the release of official records and information on an amendment to the existing protective order or confidentiality agreement.

(b) If the General Counsel so determines, original BBG records may be presented for examination in response to a request, but they may not be presented as evidence or otherwise used in a manner by which they could lose their identity as official BBG records, nor may they be marked or altered. In lieu of the original records, certified copies may be presented for evidentiary purposes.

§ 504.12 Procedure when a decision is not made prior to the time a response is required.
as to when a decision will be made, and seek a stay of the demand or request pending a final determination.

§ 504.13 Procedure in the event of an adverse ruling.

If the court or other competent authority fails to stay a demand or request, the employee upon whom the demand or request is made, unless otherwise advised by the General Counsel, will appear, if necessary, at the stated time and place, produce a copy of this part, state that the employee has been advised by counsel not to provide the requested testimony or produce documents, and respectfully decline to comply with the demand or request, citing United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).

Subpart C—Schedule of Fees

§ 504.14 Fees.

(a) Generally. The General Counsel may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the costs to the BBG.

(b) Fees for records. Fees for producing records will include fees for searching, reviewing, and duplicating records, costs of attorney time spent in reviewing the request, and expenses generated by materials and equipment used to search for, produce, and copy the responsive information. Costs for employee time will be calculated on the basis of the hourly pay of the employee (including all pay, allowances, and benefits). Fees for duplication will be the same as those charged by the BBG in its Freedom of Information Act regulations at 22 CFR Part 503.

(c) Witness fees. Fees for attendance by a witness will include fees, expenses, and allowances prescribed by the court’s rules. If no such fees are prescribed, witness fees will be determined based upon the rule of the Federal district court closest to the location where the witness will appear and on 28 U.S.C. 1821, as applicable. Such fees will include cost of time spent by the witness to prepare for testimony, in travel and for attendance in the legal proceeding, plus travel costs.

(d) Payment of fees. A requester must pay witness fees for current BBG employees and any record certification fees by submitting to the General Counsel a check or money order for the appropriate amount made payable to the Treasury of the United States. In the case of testimony of former BBG employees, the requester must pay applicable fees directly to the former BBG employee in accordance with 28 U.S.C. 1821 or other applicable statutes.

(e) Waiver or reduction of fees. The General Counsel, in his or her sole discretion, may, upon a showing of reasonable cause, waive or reduce any fees in connection with the testimony, production, or certification of records.

(f) De minimis fees. Fees will not be assessed if the total charge would be $10.00 or less.

Subpart D—Penalties

§ 504.15 Penalties.

(a) An employee who discloses official records or information or gives testimony relating to official information, except as expressly authorized by the BBG, or as ordered by a Federal court after the BBG has had the opportunity to be heard, may face penalties as provided in any applicable enforcement statute.

(b) A current BBG employee who testifies or produces official records and information in violation of this part shall be subject to disciplinary action and, if done for a valuable consideration, may subject that person to criminal prosecution.

§ 505.5 Disclosure of information.

(a) In order to locate the system of records that you believe may contain information about you, you should first obtain a copy of the Agency’s Notice of Systems of Records. By identifying a particular record system and by furnishing all the identifying information requested by that record system, it would enable us to more easily locate those records which pertain to you. At a minimum, any request should include the information specified in Sec. 505.4(b).

(b) In certain circumstances, it may be necessary for us to request additional information from you to ensure that the retrieved record does, in fact, pertain to you.

(c) All requests for information on whether or not the Agency’s systems of records contain information about you will be acknowledged within 20 working days of receipt of that request. The requested records will be provided as soon as possible thereafter.

(d) If the Agency determines that the substance of the requested record is exceptionally sensitive, we will require you to furnish a signed, notarized statement that you are in fact the person named in the file before granting access to the records.

(e) Original records will not be furnished subject to and in accordance with fees established in § 505.11.

(f) Denial of access to records:

(1) The requirements of this section do not entitle you access to any information compiled in reasonable anticipation of a civil action or proceeding.

(2) Under the Privacy Act, we are not required to permit access to records if the information is not retrievable by your name or other personal identifier; those requests will be processed as Freedom of Information Act requests.

(3) We may deny you access to a record, or portion thereof, if following a review it is determined that the record or portion falls within a system of records that is exempt from disclosure according to 5 U.S.C. 552a(j) and 552a(k). See §§ 505.13 and 505.14 for a listing of general and specific exemptions.

(4) The decision to deny access to a record or a portion of the record is made by the Agency’s Privacy Act Officer. The denial letter will advise you of your right to appeal the denial (See § 505.9 on Access Appeal Committee’s review).

The written request for review should be mailed to the Chairperson, Access Appeal Committee, FOIA/Privacy Act Office, Office of the General Counsel, Broadcasting Board of Governors, Suite 3349, 330 Independence Avenue, SW., Washington, DC 20237. The letter should include any documentation, information or statement, which substantiates your request for review.

(b) The Agency’s Access Appeal Committee will review the Agency’s initial denial to amend the record and your documentation supporting amendment, within 30 working days. If additional time is required, you will be notified in writing of the reasons for the delay and the approximate date when the review is expected to be completed. Upon completion of the review, the Chairperson will notify you of the results.

(c) If the Committee upholds the Agency’s denial to amend the record, the Chairperson will advise you of:
   (1) The reasons for our refusal to amend the record;
   (2) Your right and the procedure to add to the file a concise statement supporting your disagreement with the decision of the Agency; and
   (3) Your right to seek judicial review of the Agency’s refusal to amend the file.

(d) When you file a statement disagreeing with our refusal to amend a record, we will clearly annotate the record so that the fact that the record is disputed is apparent to anyone who may subsequently have access to, use of, or reason to disclose the file. If information is disclosed regarding the area of dispute, we will provide a copy

§ 505.8 Agency review of requests for changes.

(a) In reviewing a record in response to a request to amend or correct a file, we will incorporate the criteria of accuracy, relevance, timeliness, and completeness of the record in the review.

(b) If we agree with you to amend your records, we will:
   (1) Advise you in writing;
   (2) Correct the record accordingly;
   (3) And, to the extent that an accounting of disclosure was maintained, advise all previous recipients of the record of the corrections.

(c) If we disagree with all or any portion of your request to amend a record, we will:
   (1) Advise you of the reasons for the determination; and
   (2) Inform you of your right to further review (see Sec. 505.9).
§ 505.10 Disclosure to third parties.

We will not disclose any information about you to any person or another agency without your prior consent, except as provided for in the following paragraphs:

(a) Medical records. May be disclosed to a doctor or other medical practitioner, named by you, as prescribed in Sec. 505.6.

(b) Accompanying individual. When you are accompanied by any other person, we will require that you sign a statement granting consent to the disclosure of the contents of your record to that person.

(c) Designees. If a person requests another person’s file, he or she must present a signed statement from the person of record that authorizes and consents to the release of the file to the designated individual.

(d) Guardians. Parents or legal guardians of dependent minors or of an individual who has been declared by a court to be incompetent due to physical, mental or age incapacity, may act for and on behalf of the individual on whom the Agency maintains records.

(e) Other disclosures. A record may be disclosed without a request by or written consent of the individual to whom the record pertains if such disclosure conditions are authorized in accordance, with 5 U.S.C. 552a(b). These conditions are:

(1) Disclosure within the Agency. This condition is based upon a “need-to-know” concept, which recognizes that Agency personnel may require access to discharge their duties.

(2) Disclosure to the public. No consent by an individual is necessary if the record is required to be released under the Freedom of Information Act (FOIA), 5 U.S.C. 552. The record may be exempt, however, under one of the nine exemptions of the FOIA.

(3) Disclosure for a routine use. No consent by an individual is necessary if the condition is necessary for a “routine use” as defined in Sec. 505.2(g). Information may also be released to other government agencies, that have statutory or other lawful authority to maintain such information.

(4) Disclosure to the Bureau of the Census. For purposes of planning or carrying out a census or survey or related activity. Title 13 U.S.C. Section 8 limits the uses of these records and also makes them immune from compulsory disclosure.

(5) Disclosure for statistical research and reporting. The Agency will provide the statistical information requested only after all names and personal identifiers have been deleted from the records.

(6) Disclosure to the National Archives. For the preservation of records of historical value, according to 44 U.S.C. 2103.

(7) Disclosure for law enforcement purposes. Upon receipt of a written request by another Federal agency or a state or local government describing the law enforcement purpose for which a record is required, and specifying the particular record. Blanket requests for all records pertaining to an individual are not permitted under the Privacy Act.

(8) Disclosure under emergency circumstances. For the safety or health of an individual (e.g., medical records on a patient undergoing emergency treatment).

(9) Disclosure to the Congress. For matters within the jurisdiction of any House or Senate committee or subcommittee, and/or joint committee or subcommittee, but only when requested in writing from the Chairman of the committee or subcommittee.

(10) Disclosure to the General Accounting Office (GAO). For matters within the jurisdiction of the duties of the GAO’s Comptroller General.

(11) Disclosure according to court order. According to the order of a court of competent jurisdiction. This does not include a subpoena for records requested by counsel and issued by a clerk of court.
§ 505.11 Fees.

(a) The first copy of any Agency record about you will be provided free of charge. A fee of $0.15 per page will be charged for any additional copies requested by you.

(b) Checks or money orders should be made payable to the United States Treasurer and mailed to the FOIA/Privacy Act Office, Office of the General Counsel, Broadcasting Board of Governors, Suite 3349, 330 Independence Avenue, SW., Washington, DC 20237. The Agency will not accept cash.

§ 505.12 Civil remedies and criminal penalties.

(a) Grounds for court action. You will have a remedy in the Federal District Court under the following circumstances:

(1) Denial of access. You may challenge our decision to deny you access to records to which you consider yourself entitled.

(2) Refusal to amend a record. Under the conditions of 5 U.S.C. 552a(g), you may seek judicial review of the Agency’s refusal to amend a record.

(3) Failure to maintain a record accurately. You may bring suit against the Agency for any alleged intentional and willful failure to maintain a record accurately, if it can be shown that you were subjected to an adverse action resulting in the denial of a right, benefit, entitlement or employment you could reasonably have been expected to be granted if the record had not been deficient.

(4) Other failures to comply with the Act. You may bring an action for any alleged failure by the Agency to comply with the requirements of the Act or failure to comply with any rule published by the Agency to implement the Act provided it can be shown that:

(i) The action was intentional or willful;

(ii) The Agency’s action adversely affected you; and

(iii) The adverse action was caused by the Agency’s actions.

(2) The statute of limitations is two years from the date upon which the cause of action arises, except for cases in which the Agency has materially and willfully misrepresented any information requested to be disclosed and when such misrepresentation is material to the liability of the Agency. In such cases the statute of limitations is two years from the date of discovery of the misrepresentation by you.

(3) A suit may not be brought on the basis of injury, which may have occurred as a result of the Agency’s disclosure of a record prior to September 27, 1975.

(c) Criminal penalties—(1) Unauthorized disclosure. It is a criminal violation of the provisions of the Act for any officer or employee of the Agency to knowingly and willfully disclose a record in any manner to any person or agency not entitled to receive it, for failure to meet the conditions of disclosure listed in 5 U.S.C. 552a(b), or without the written consent or at the request of the individual to whom the record pertains. Any officer or employee of the Agency found guilty of such misconduct shall be fined not more than $5,000.

(3) Obtaining records under false pretenses. The Act makes it a criminal offense to knowingly and willfully request or gain access to a record about an individual under false pretenses. Any person found guilty of such an offense may be fined not more than $5,000.

§ 505.14 Specific exemptions (Subsection (k)).

The specific exemptions focus more on the nature of the records in the system of records than on the agency. The following categories of records may be exempt from disclosure:

(a) Subsection (k)(1). Records which are specifically authorized under criteria established under an Executive Order to be kept secret in the interest of national defense or foreign policy, and which are in fact properly classified according to such Executive Order;

(b) Subsection (k)(2). Investigatory records compiled for law enforcement purposes (other than material within the scope of subsection (j)(2) as discussed in §505.13(a)). If any individual is denied any right, privilege, or benefit for which she/he would otherwise be eligible, as a result of the maintenance of such material, the material shall be provided to the individual, unless disclosure of the material would reveal the identity of a source who has been pledged confidentiality;

(c) Subsection (k)(3). Records maintained in connection with protection of the President and other VIPs accorded special protection by statute;

(d) Subsection (k)(4). Records required by statute to be maintained and used solely as statistical records.

(e) Subsection (k)(5). Records compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only if disclosure of the material would reveal the identity of a confidential source that furnished information to the Government.

(f) Subsection (k)(6). Testing or examination records used solely to determine individual qualifications for appointment or promotion in the Federal service when the disclosure of such would compromise the objectivity or fairness of the testing or examination process.

(g) Subsection (k)(7). Evaluation records used to determine potential for promotion in the armed services, but only if disclosure would reveal the identity of a confidential source.

§ 505.15 Exempt systems of records used.

The BBG is authorized to use exemptions (k)(1), (k)(2), (k)(4), (k)(5) and (k)(6).

PART 506—PART-TIME CAREER EMPLOYMENT PROGRAM

Sec. 506.1 Purpose of program.
506.2 Review of positions.
506.3 Establishing and converting part-time positions.
506.4 Annual goals and timetables.
506.5 Review and evaluation.
506.6 Publicizing vacancies.
506.7 Exceptions.

SOURCE: 44 FR 63098, Nov. 2, 1979, unless otherwise noted.

§ 506.1 Purpose of program.

Many individuals in society possess great productive potential which goes unrealized because they cannot meet the requirements of a standard workweek. Permanent part-time employment also provides benefits to other individuals in a variety of ways, such as providing older individuals with a gradual transition into retirement, providing employment opportunities to handicapped individuals or others who require a reduced workweek, providing parents opportunities to balance family responsibilities with the need for additional income, providing employment opportunities for women returning to the workforce and assisting students who must finance their own education or vocational training. In view of this, the Broadcasting Board of Governors will operate a part-time career employment program, consistent with the needs of its beneficiaries and its responsibilities.
§ 506.2 Review of positions.

Positions becoming vacant unless excepted as provided by §506.7, will be reviewed to determine the feasibility of converting them to part-time. Among the criteria which may be used when conducting this review are:

(a) Mission requirements and occupational mix.
(b) Workload fluctuations.
(c) Employment ceilings and budgetary considerations.
(d) Size of workforce, turnover rate and employment trends.
(e) Affirmative action.

§ 506.3 Establishing and converting part-time positions.

Position management and other internal reviews may indicate that positions may be either converted from full-time or initially established as part-time positions. Criteria listed above may be used during these reviews. If a decision is made to convert to or to establish a part-time position, regular position management and classification procedures will be followed.

§ 506.4 Annual goals and timetables.

A Board-wide plan for promoting part-time employment opportunities will be developed annually by the Office of Personnel after consultation with the operating elements. This plan will establish annual goals and set deadlines for achieving these goals.

§ 506.5 Review and evaluation.

The part-time career employment program will be reviewed through semiannual reports submitted by the Director, Office of Personnel to the Associate Director for Management. Regular employment reports will be used to determine levels of part-time employment.

§ 506.6 Publicizing vacancies.

When applicants from outside the Federal service are desired, part-time vacancies may be publicized through various recruiting means, such as:

(a) Federal Job Information Centers.
(b) State Employment Offices.
(c) Broadcasting Board of Governors Vacancy Announcements.
(d) College and University Placement Offices.

§ 506.7 Exceptions.

The Director of the Board and the Associate Director for Management may except positions from inclusion in this program as necessary to carry out the mission of the Board.

PART 507—RULES FOR IMPLEMENTING OPEN MEETINGS UNDER THE SUNSHINE ACT FOR THE BROADCASTING BOARD OF GOVERNORS

§ 507.1 General policies.

The Broadcasting Board of Governors will provide the public with the fullest practical information regarding its decision making process while protecting the rights of individuals and its abilities to carry out its responsibilities.

§ 507.2 Definitions.

(a) The term agency includes any establishment in the executive branch of the government headed by a collegial body of two or more individual members, a majority of whom are appointed to such position by the President with the advice and consent of the Senate, and any subdivision thereof authorized to act on behalf of the agency. The Broadcasting Board of Governors is a government agency headed by a nine-member board, eight of whom are appointed by the President with the advice and consent of the
§ 507.3 Requirement for open meetings.

Members shall not jointly conduct or dispose of agency business other than in accordance with this part. Except as provided in § 507.4 every portion of every meeting of the agency shall be open to public observation.

§ 507.4 Grounds on which meetings may be closed.

The Board shall open every portion of every meeting of the agency for public observation except where the agency determines that such portion or portions of the meeting or the disclosure of such information is likely to:

(a) Disclose matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy, and

(2) In fact properly classified pursuant to such Executive order;

(b) Relate solely to the internal personnel rules and practice of the agency;

(c) Disclose matters specifically exempted from disclosure by statute: Provided, that such statute:

(1) Requires that the matters be withheld from the public in such manner as to leave no discretion on the issue, or

(2) Established practical criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(1) Interfere with enforcement proceedings,

(2) Deprive a person of a right to a fair trial on an impartial adjudication,

(3) Constitute an unwarranted invasion of personal privacy,

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential source,

(5) Disclose investigative techniques and procedures, or

(6) Endanger the life or physical safety of law enforcement personnel;

(h) Disclose information, the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action. This shall not apply in any instance where the Board has already disclosed to the public the content or the nature of its proposed action, or where the Board is required by law to make such disclosures on its own initiative prior to taking final Board action on such proposal; or

(i) Specifically concern the Board's issuance of a subpoena, or the Board's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct or disposition by the Board of a particular case of formal agency adjudication, or otherwise involving a determination on the record after opportunity for a hearing.

§ 507.5 Procedures for announcing meetings.

(a) In the case of each meeting, the Board shall make public, at least one week before the meeting, the time, place, and subject matter of the meeting, whether it is to be open or closed.
Broadcasting Board of Governors

§ 507.8

to the public, and the name and phone number of the official designated by the Board to respond to requests for information about the meeting. Such announcement shall be made unless a majority of the members of the Board determine by a recorded vote that such meeting must be called at an earlier date, in which case the Board shall make public announcement of the time, place, subject matter of such meeting and whether it is open or closed to the public, at the earliest practical time.

(b) Immediately following the public announcement, the Board will publish it in the FEDERAL REGISTER.

§ 507.6 Procedures for closing meetings.

(a) The closing of a meeting shall occur only when:

(1) A majority of the membership of the Board votes to take such action. A separate vote of the Board members shall be taken with respect to each Board meeting, a portion or portions of which are proposed to be closed to the public pursuant to §507.4, or with respect to any information which is proposed to be withheld under §507.4. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held not more than thirty days after the initial meeting in such series. The vote of each Board member participating in such vote shall be recorded and no proxies shall be allowed.

(2) Whenever any person whose interest may be directly affected by a portion of the meeting requests that the Board close such a portion to the public for any of the reasons referred to in §507.4 (e), (f) or (g), the Board, upon request of any of its Board members, shall take a recorded vote, whether to close such portion of the meeting.

(b) Within one day of any vote taken, the Board shall make publicly available a written copy of such vote reflecting the vote of each member on the question and full written explanation of its action closing the entire or portion of the meeting together with a list of all persons expected to attend the meeting and their affiliation.

(c) The Board shall announce the time, place and subject matter of the meeting at least eight (8) days before the meeting.

(d) For every closed meeting, the Board’s Legal Counsel shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the Board.

§ 507.7 Reconsideration of opening or closing a meeting.

The time or place of a Board meeting may be changed following the public announcement only if the Board publicly announces such change at the earliest practicable time. The subject matter of a meeting, or the determination of the agency to open or close a meeting, or a portion of a meeting, to the public, may be changed following the public announcement only if a majority of the Board members determines by a recorded vote that Board business so requires and that no earlier announcement of the change was possible, and the Board publicly announces such change and the vote of each member upon such change at the earliest practicable time.

§ 507.8 Recording keeping of closed meetings.

(a) The Board shall maintain an electronic recording of the proceedings of each meeting, or portion of a meeting, closed to the public.

(b) The Board, after review by the Chairman, shall make promptly available to the public in a place easily accessible to the public, a complete transcript or electronic record of the discussion of any item on the agenda, or any item of testimony of any witness received at the Board meeting, except for such item or items of such discussion or testimony as the Board determines to contain information which may be withheld under §507.4. Copies of such record, disclosing the identity of
each speaker, shall be furnished to any person at the actual cost of duplication. The Board shall maintain a complete transcript or electronic copy of each meeting, or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any Board proceeding with respect to which the meeting or portion was held, whichever occurs later.

PART 510—SERVICE OF PROCESS

§ 510.1 Service of process.

(a) The General Counsel of the Broadcasting Board of Governors or any of his/her designees shall act as agent for the receipt of legal process against the Broadcasting Board of Governors, as well as against employees of the Board to the extent that the process relates to the official functions of the employees.

(b) When accepting service of process for an employee in his/her official capacity, the General Counsel or his/her designee shall endorse on the server's return of process form, registered mail receipt, certified mail receipt, or express mail receipt: “Service accepted in official capacity only.”

§ 511.4 Administrative claim; when presented.

(a) For the purposes of the provisions of section 2672 of the Act and of this part, a claim shall be deemed to have been presented when the Board receives, in the office designated in paragraph (b) of this section, an executed “Claim for Damage or Injury”, Standard Form 95, or other written notification of an incident, accompanied by a claim for money damages in a sum certain, for injury to or loss of property, personal injury or death, alleged to

§ 511.10  Settlement of claim.

The General Counsel will review the findings from the standpoint of questions of law applicable to the claim and will determine disposition. The General Counsel will make final review for settlement of the claim and will sign SF–1145, Voucher for Payment Under Federal Tort Claims Act, and forward it to the Financial Operations Division for payment of claim. Payment of any award or settlement in the amount of $2,500 or less will be authorized from the appropriation and allotment current for obligation on the date of settlement irrespective of when the cause of action arose. Payment of any award, compromise or settlement in an amount in excess of $2,500, shall be paid in a manner similar to judgments and compromises out of the appropriation provided by section (c), Pub. Relief from claims which are disallowed may be sought by filing suit in the U.S. District Court for the district where the claimant resides or wherein the act of omission complained of occurred. The failure of the Board to make final disposition of a claim within 6 months after it has been filed shall, pursuant to 28 U.S.C. 2672, and at the option of the claimant at any time thereafter, be deemed a final denial of the claim. If a suit is filed against the Government involving the Board, the Department of Justice will request the Board to furnish the complete file on the case. The Office of the General Counsel will represent the Board in all negotiations with the Department of Justice.

§ 512.6 Informal action.

Nothing in this regulation is intended to preclude utilization of informal administrative actions or remedies which may be available.

§ 512.7 Return of property.

Nothing contained in this regulation is intended to deter Broadcasting Board of Governors from demanding the return of specific property or from demanding the return of the property or the payment of its value.

§ 512.8 Omissions not a defense.

The failure of Broadcasting Board of Governors to comply with any provision in this regulation shall not serve as a defense to the debt.

§ 512.9 Demand for payment.

Prior to initiating administrative offset, demand for payment will be made as follows:

(a) Written demands will be made promptly upon the debtor in terms which inform the debtor of the consequences of failure to cooperate. A total of three progressively stronger written demands at not more than 30-day intervals will normally be made unless a response to the first or second demand indicates that further demand would be futile and the debtor's response does not require rebuttal. In determining the timing of demand letters, Broadcasting Board of Governors will give due regard to the need to act promptly so that, as a general rule, debt referrals to the Department of Justice for litigation, where necessary, can be made within one year of the Board's final determination of the fact and the amount of the debt. When necessary to protect the Government's interests (e.g., to prevent the statute of limitations, 28 U.S.C. 2415, from expiring) written demand may be preceded by other appropriate actions under this chapter, including immediate referral for litigation.

(b) The initial demand letter will inform the debtor of: The basis for the indebtedness and the right of the debtor to request review within the Board; the applicable standards for assessing interest, penalties, and administrative costs (Supart D of this regulation) and; the date by which payment is to be made, which normally will not be more than 30 days from the date that the initial demand letter was mailed or hand delivered. Broadcasting Board of Governors will exercise care to insure that demand letters are mailed or hand-delivered on the same day that they are actually dated.

(c) As appropriate to the circumstances, Broadcasting Board of Governors will include in the demand letters matters relating to alternative methods of payment, the debtor's rights to representation by his respective bargaining unit, policies relating to referral to collection agencies, the
Board’s intentions relative to referral of the debt to the Department of Justice for litigation, and, depending on the statutory authority, the debtor’s entitlement to consideration of waiver.

(d) Broadcasting Board of Governors will respond promptly to communications from the debtor and will advise debtors who dispute the debt that they must furnish available evidence to support their contention.

§ 512.10 Collection by administrative offset.

(a) Collection by administrative offset will be undertaken in accordance with these regulations on all claims which are liquidated and certain in amount, in every instance where the appropriate Board official determines such collection to be feasible and not otherwise prohibited.

(1) For purpose of this section, the term administrative offset has the same meaning as provided in 31 U.S.C. 3716(a)(1).

(2) Whether collection by administrative offset is feasible is a determination to be made by the Board on a case-by-case basis, in the exercise of sound discretion. Broadcasting Board of Governors will consider not only the practicalities of administrative offset, but whether such offset is best suited to protect and further all of the Government’s interests. Broadcasting Board of Governors will give consideration to the debtor’s financial condition, and is not required to use offset in every instance where there is an available source of funds. Broadcasting Board of Governors will also consider whether offset would tend to substantially disrupt or defeat the purpose of the program authorizing the payments against which offset is contemplated.

(b) Before the offset is made, a debtor shall be provided with the following: written notice of the nature and the amount of the debt and the Board’s intention to collect by offset; opportunity to inspect and copy Board records pertaining to the debt; opportunity to obtain review within the Board of the determination of indebtedness; and opportunity to enter into written agreement with the Board to repay the debt. Broadcasting Board of Governors may also make requests to other agencies holding funds payable to the debtor, and process requests for offset that are received from other agencies.

(1) Broadcasting Board of Governors will exercise sound judgment in determining whether to accept a repayment agreement in lieu of offset. The determination will weigh the Government’s interest in collecting the debt against fairness to the debtor.

(2) In cases where the procedural requirements specified in this paragraph (b) have previously been provided to the debtor in connection with the same debt under some other statutory or regulatory authority, such as pursuant to an audit allowance, the Board is not required to duplicate those requirements before taking administrative offset.

(3) Broadcasting Board of Governors may not initiate administrative offset to collect a debt more than 10 years after the Government’s right to collect the debt first accrued, unless facts material to the Government’s right were not known and could not reasonably have been known by the official or officials of the Government who were charged with the responsibility to discover and collect the debt. When the debt first accrued is to be determined according to existent law regarding the accrual of debts (e.g., 28 U.S.C. 2415).

(4) Broadcasting Board of Governors is not authorized by 31 U.S.C. 3716 to use administrative offset with respect to: Debts owed by any State or local Government; debts arising under or payments made under the Social Security Act, the Internal Revenue Code of 1954 or the tariff laws of the United States; or any case in which collection of the type of debt involved by administrative offset is explicitly provided for or prohibited by another statute. Unless otherwise provided by contract or law, debts or payments which are not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under the common law or other applicable statutory authority.

(5) Broadcasting Board of Governors may effect administrative offset against a payment to be made to a debtor prior to completion of the procedures required by paragraph (b) of
this section if failure to take offset would substantially prejudice the Government’s ability to collect the debt, and the time before the payment is to be made does not reasonably permit the completion of those procedures. Amounts recovered by offset but later determined not to be owed to the Government shall be promptly refunded 30 days after the Board has notified the debtor in writing that the debt is not owed. Such written notification will be issued within 15 days after the Board has confirmed through a review of its official records that the debt is not owed.

(c) Type of hearing or review: (1) For purposes of this section, whenever Broadcasting Board of Governors is required to afford a hearing or review within the Board, the Board will provide the debtor with a reasonable opportunity for an oral hearing when: An applicable statute authorizes or requires the Board to consider waiver of the indebtedness involved, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of veracity; or the debtor requests reconsideration of the debt and the Board determines that the question of the indebtedness cannot be resolved by review of the documentary evidence. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary type hearing.

(2) This section does not require an oral hearing with respect to debt collection systems in which determinations of indebtedness or waiver rarely involve issues of veracity and the Board has determined that the review of the written record is ordinarily enough to correct prior mistakes.

(3) In those cases where an oral hearing is not required by this section, the Board will make its determination on the request for waiver or reconsideration based upon a review of the written record.

(d) Appropriate use will be made of the cooperative efforts of other agencies in effecting collection by administrative offset. Broadcasting Board of Governors will not refuse to initiate administrative offset to collect debts owed the United States, unless the requesting agency has not complied with the applicable provisions of these standards.

(e) Collection by offset against a judgment obtained against the United States shall be accomplished in accordance with 31 U.S.C. 3728.

(f) Whenever the creditor agency is not the agency which is responsible for making the payment against which offset is sought, the latter agency shall not initiate the requested offset until it has been provided by the creditor agency with an appropriate written certification that the debtor owes the debt (including the amount) and that full compliance with the provisions of this section has taken place.

§ 512.11 Administrative offset against amounts payable from Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, Broadcasting Board of Governors may request that monies that are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect in one full payments, or a minimal number of payment, debts owed the United States by the debtor. Such requests shall be made to the appropriate officials within the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office.

(b) When making a request for administrative offset under paragraph (a) of this section, Broadcasting Board of Governors shall include written statements that:

(1) The debtor owes the United States a debt, including the amount of the debt;

(2) The Broadcasting Board of Governors has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and
(3) The Broadcasting Board of Governors has complied with the requirements of §512.10 of this part, including any required hearing or review.

(c) Once Broadcasting Board of Governors decides to request offset under paragraph (a) of this section, it will make the request as soon as practical after completion of the applicable procedures in order that the Office of Personnel Management may identify the debtor’s account in anticipation of the time when the debtor requests or becomes eligible to receive payments from the Fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations.

(d) If Broadcasting Board of Governors collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, Broadcasting Board of Governors shall act promptly to modify or terminate its request for offset under paragraph (a) of this section.

(e) This section does not require or authorize the Office of Personnel Management to review the merits of the Broadcasting Board of Governors determination relative to the amount and validity of the debt, its determination on waiver under an applicable statute, or its determination whether to provide an oral hearing.

§ 512.12 Collection in installments.

(a) Whenever feasible, and except as required otherwise by law, debts owed to the United States, together with interest, penalties, and administrative costs as required by this regulation, should be collected in one lump sum. This is true whether the debt is being collected under administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments. If Broadcasting Board of Governors agrees to accept payment in installments, it will obtain a legally enforceable written agreement from the debtor that specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of the payments should bear a reasonable relation to the size of the debt and ability of the debtor to pay. If possible the installment payments should be sufficient in size and frequency to liquidate the Government’s claim within 3 years.

(b) If the debtor owes more than one debt and designates how a voluntary installment plan is to be applied among those debts, the Board will follow that designation. If no such designation is made, the Board will apply payments to the various debts in accordance with the best interest of the United States as determined by the facts and circumstances of each case, with particular attention to applicable statutes of limitation.

§ 512.13 Exploration of compromise.

Broadcasting Board of Governors may attempt to effect compromise in accordance with the standards set forth in part 103 of the Federal Claims Collection Standards (4 CFR part 103).

§ 512.14 Suspending or terminating collection action.

The suspension or termination of collection action shall be made in accordance with the standards set forth in part 104 of the Federal Claims Collection Standard (4 CFR part 104).

§ 512.15 Referrals to the Department of Justice or the General Accounting Office.

Referrals to the Department of Justice or the General Accounting Office shall be made in accordance with the standards set forth in part 105 of the Federal Claims Collection Standards (4 CFR part 105).

§ 512.16 Collection services.

(a) Broadcasting Board of Governors has authority to contract for collection services to recover delinquent debts in accordance with 31 U.S.C. 3718(c) and 4 CFR 102.6.

(b) Contracts with collection agencies will provide that:

(1) The authority to resolve disputes, compromise claims, suspend or terminate collection action, and refer the matter to the Justice Department for litigation will be retained by Broadcasting Board of Governors;
§ 512.17 Purpose.

This subpart provides the standards to be followed by Broadcasting Board of Governors in implementing 5 U.S.C. 5514 to recover a debt from the pay of an employee or former employee, and establishes the procedural guidelines to recover debts when the employee’s creditor and paying agencies are not the same.

§ 512.18 Scope.

(a) Coverage. This subpart applies to Executive agencies, military departments, an agency or court in the judicial branch, an agency of the legislative branch and other independent entities of the Federal Government as defined in 5 CFR 550.1103, under the heading “Agency”.

(b) Applicability. This subpart and 5 U.S.C. 5514 apply in recovering debts by offset without the employee’s consent from the current pay of that employee. Debt collection procedures which are not specified in 5 U.S.C. 5514 and these regulations will be consistent with the Federal Claims Collection Standards (4 CFR parts 101–105).

(1) The procedures contained in this subpart do not apply to debts or claims arising under the Internal Revenue Code of 1954 as amended (26 U.S.C. 1 et seq.), the Social Security Act (42 U.S.C. 301 et seq.), or the tariff laws of the United States or to any case where collection of a debt is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705).

(2) This subpart does not preclude an employee from requesting a waiver of a salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office in accordance with procedures prescribed by the General Accounting Officer, nor does it preclude an employee from requesting waiver when waiver is available under any statutory provision.

(7) The employee’s right to a hearing arranged by the Board and conducted by an administrative law judge or, alternatively, an official not under the control of the head of the Board;
(8) The method and time period for filing a petition for a hearing;
(9) That timely filing of the petition will stay the commencement of collection proceedings;
(10) That final decision on the hearing will be issued not later than 60 days after the filing of the petition for hearing unless the employee requests and the hearing officer grants a delay in the proceedings.
(11) That knowingly false, misleading, or frivolous statements, representations or evidence may subject the employee to:
(i) Disciplinary procedures under chapter 75 of title 5, United States Code or any other applicable statutes;
(ii) Penalties under the False Claims Act, sections 3729–3731 of title 31 U.S.C. or any other applicable statutes.

(b) Notifications under this section shall be hand delivered with a record
made of the delivery, or shall be mailed certified mail with return receipt requested.

(c) No notification hearing, written responses or final decisions under this regulation are required of Broadcasting Board of Governors for any adjustment to pay arising from an employee’s election of coverage under a Federal benefit program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

§ 512.21 Hearing.

(a) Petition for hearing. (1) A hearing may be requested by filing a written petition with the Director, Financial Operations Division of Broadcasting Board of Governors, or such other official as may be named in the future by the Director of Broadcasting Board of Governors, stating why the employee believes the Board’s determination of the existence or amount of the debt is in error.

(2) The petition must be signed by the employee and fully identify and explain with reasonable specificity all the facts, evidence and witnesses which the employee believes support his or her position.

(3) The petition must be filed no later than fifteen (15) calendar days from the date the notification under § 512.20(b) was hand delivered or the date of delivery by certified mail.

(4) Where petition is received after the 15 calendar day limit, Broadcasting Board of Governors will accept the petition if the employee can show that the delay was beyond his or her control or because of failure to receive notice.

(5) If the petition is not filed within the time limit, and is not accepted pursuant to paragraph (a)(4) of this section, the employee’s right to hearing will be considered waived, and salary offset will be implemented.

(b) Type of hearing. (1) The form and content of the hearing will be determined by the hearing official who shall be a person outside the control or authority of Broadcasting Board of Governors.

(2) The employee may represent him or herself, or may be represented by counsel.

(3) The hearing official shall maintain a summary record of the hearing.

(4) The hearing official will prepare a written decision which will state:

   (i) The facts purported to evidence nature and origin of the alleged debt;

   (ii) The hearing official’s analysis, findings, and conclusions relative to:

       (A) The employee’s and/or the Board’s grounds;

       (B) The amount and the validity of the alleged debt;

       (C) The repayment schedule, if applicable.

(5) The decision of the hearing official shall constitute the final administrative decision of the Board.

§ 512.22 Deduction from pay.

(a) Deduction by salary offset, from an employee’s disposable current pay, shall be subject to the following circumstances:

(1) When funds are available, the Board will collect debts owed the United States in full in one lump-sum. If funds are not available or the debt exceeds 15% of disposable pay for an officially established pay interval, collection will normally be made in installments.

(2) The installments shall not exceed 15% of the disposable pay from which the deduction is made, unless the employee has agreed in writing to a larger amount.

(3) Deduction will commence with the next full pay interval following notice that deductions will commence.

(4) Installment deductions will not be made over a period greater than the anticipated period of employment.

§ 512.23 Liquidation from final check or recovery from other payment.

(a) If an employee retires or resigns before collection of the debt is completed, offset of the entire remaining balance may be made from a final payment of any nature to such extent as is necessary to liquidate the debt.

(b) Where debt cannot be liquidated by offset from final payment, offset may be made from later payments of any kind due from the United States inclusive of Civil Service Retirement and Disability Fund pursuant to 5.
§ 512.24 Non-waiver of rights by payments.

An employee’s voluntary payment of all or part of a debt being collected under 5 U.S.C. 5514 shall not be construed as a waiver of any rights which the employee may have under 5 U.S.C., or any other provision of contract or law, unless statutory or contractual provisions provide to the contrary.

§ 512.25 Refunds.

(a) Refunds shall be promptly made when:

(1) A debt is waived or otherwise found not to be owed to the United States; or

(2) The employee’s paying agency is directed by an administrative or judicial order to refund amounts deducted from his or her current pay.

(b) Refunds do not bear interest unless required or permitted by law or contract.

§ 512.26 Interest, penalties, and administrative costs.

The assessment of interest, penalties and administrative costs shall be in accordance with subpart D of this regulation.

§ 512.27 Recovery when paying agency is not creditor agency.

(a) Format for request for recovery. (1) Upon completion of the procedures prescribed under 5 CFR 550.1104 and its own regulations, the creditor agency shall certify the debt in writing to the paying agency.

(2) The creditor agency shall certify in writing that the employee owes the debt, the amount and basis of the debt; the date on which payment is due, the date the Government’s right to collect first accrued, and that the creditor agency’s regulations implementing section 5514 have been approved by OPM.

(3) If collection must be made in installments, the creditor agency must advise the paying agency of the number of installments to be collected, the amount of each installment, and the commencing date of the first installment.

(b) Submitting the request for recovery.—(1) Current employees. The creditor agency shall submit the debt claim, agreement, or other instruction on the payment schedule to the employee’s paying agency.

(2) Separated employees.—(i) Employees who are in the process of separating. If the employee is in the process of separating, the creditor agency will submit its debt claim to the employee’s paying agency for collection as provided in §§512.22 and 512.23. The paying agency shall certify the total amount of its collection and notify the creditor agency and the employee as provided in paragraph (b)(2)(iii) of this section. Where the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, it will send a copy of the certified debt claim to the agency responsible for making such payments as notice that a debt is outstanding. It is the responsibility of the creditor agency for pursuing the claim.

(ii) Employees who have already separated. If the employee is already separated and all payments due from his or her former paying agency have been paid, the creditor agency may request that monies which are due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801) or other similar funds be administratively offset in order to collect the debt (31 U.S.C. 3716 and the FCCS).

(iii) Employees who transfer from one paying agency to another. If an employee transfers to a position served by a different paying agency subsequent to the creditor agency’s debt claim but before complete collection, the paying agency from which the employee separates shall certify the total of collection made on the debt. One copy of the certification will be supplied to the employee, and another to the creditor agency with notice of the employee’s transfer. The original shall be inserted in the employee’s official personnel folder. The creditor agency shall submit a properly certified claim to the new paying agency before collection can be resumed. The paying agency will then resume collection from the employee’s current pay account, and
§ 512.28 Assessment.

(a) Except as provided in paragraph (b) of this section, or § 512.29, Broadcasting Board of Governors shall assess interest, penalties, and administrative costs on debts owed to the United States pursuant to 31 U.S.C. 3717. Before assessing these charges, Broadcasting Board of Governors will mail or hand deliver a written notice to the debtor. This notice will include a statement of the Board’s requirements concerning §§ 512.9 and 512.21.

(b) Interest shall accrue from the date on which notice of the debt is first mailed or hand-delivered to the debtor, using the most current address available to the Board.

(c) The rate of interest assessed shall be the rate of the current value of funds to the United States Treasury (i.e., the Treasury Tax and Loan account rate), as prescribed and published by the Secretary of the Treasury in the Federal Register and the Treasury Fiscal Requirements Manual Bulletins annually or quarterly, in accordance with 31 U.S.C. 3717. The rate of interest as initially assessed shall remain fixed for the duration of the indebtedness. However, in cases where the debtor has defaulted on a repayment agreement and seeks a new agreement, Broadcasting Board of Governors may set a new rate which reflects the current value of funds to the Treasury at the time the agreement is executed. Interest will not be assessed on interest, penalties, or administrative costs required by this section.

(d) Broadcasting Board of Governors shall assess charges to cover administrative costs incurred as a result of a delinquent debt. Calculation of administrative costs shall be based upon actual costs incurred. Administrative costs include costs incurred to obtain credit reports in the case of employee debt or in using a private debt collector in the case of non-employee debt.

(e) Broadcasting Board of Governors shall assess a penalty charge not to exceed 6% per year on any portion of a debt that is delinquent for more than 90 days. This charge need not be calculated until the 91st day of delinquency, but shall accrue from the date that the debt became delinquent.

(f) When a debt is paid in partial or installment payments, amounts received shall be applied first to the outstanding penalty and administrative cost charges, second to accrued interest and third to outstanding principal.

(g) Broadcasting Board of Governors will waive the collection of interest on the debt or any portion of the debt that is paid within 30 days after the date on which interest began to accrue. Broadcasting Board of Governors may extend this 30-day period, on a case-by-case basis, if it reasonably determines such action is appropriate. Broadcasting Board of Governors may also waive in whole or in part the collection of interest, penalties, and administrative costs.
assessed under this section per the criteria specified in part 103 of the Federal Claims Collection Standards (4 CFR part 103) relating to the compromise of claims or if the Board determines that collection of these charges is not in the best interest of the United States. Waiver under the first sentence of this paragraph is mandatory. Under the second and third sentences, it may be exercised under the following circumstances:

(1) Waiver of interest pending consideration of a request for reconsideration, administrative review, or waiver of the underlying debt under a permissive statute, and

(2) Waiver of interest where Broadcasting Board of Governors has accepted an installment plan under §512.12, there is no indication of fault or lack of good faith on the part of the debtor and the amount of the interest is large enough, in relation to the size of the installments that the debtor can reasonably afford to pay, that the debt will never be repaid.

(h) Where a mandatory waiver or review statute applies, interest and related charges may not be assessed for those periods during which collection must be suspended under §104.2(c)(1) of the Federal Claims Collection Standards (4 CFR part 104).

§ 512.29 Exemptions.

(a) The provisions of 31 U.S.C. 3717 do not apply—

(1) To debts owned by any State or local government;

(2) To debt arising under contracts which were executed prior to, and were in effect on October 25, 1982;

(3) To debts where an applicable statute, loan agreement, or contract either prohibits such charges or explicitly fixes the charges that apply to the debts arising under the Social Security Act, the Internal Revenue Code of 1954, or the tariff laws of the United States.

(b) However Broadcasting Board of Governors is authorized to assess interest and related charges on debts which are not subject to 31 U.S.C. 3717 to the extent authorized under the common law or other applicable statutory authority.
§ 513.100 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a governmentwide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and nonfinancial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of “ineligible” in §513.105), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(c) These regulations also implement Executive Order 12689 (3 CFR, 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Public Law 103–355, sec. 2455, 108 Stat. 3327) by—

(1) Providing for the inclusion in the List of Parties Excluded from Federal Procurement and Nonprocurement Programs all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR Part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

§ 513.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as “covered transactions.”

(1) Covered transaction. For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) Primary covered transaction. Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(ii) Lower tier covered transaction. A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant...
and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(2) Exceptions. The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” 513.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in 513.110(a). Sections 513.325, “Scope of debarment,” and 513.420, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) Relationship to Federal procurement activities. In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

§ 513.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government’s protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§ 513.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended
shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to §513.215.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §513.110(a)(1)(i)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and §513.200. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with §513.505(a).

A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §513.215.

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction.

(1) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction. (See appendix B of these regulations), unless it knows that the certification is erroneous. Subpart C—Debarment

§ 513.300 General.

The debarring official may debar a person for any of the causes in §513.30, using procedures established in §§513.310 through 513.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 513.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§513.300 through 513.314 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State antitrust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4:

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in §513.215 or §513.220;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor’s legal and administrative remedies have been exhausted;
§ 513.310

(4) Violation of a material provision of a voluntary exclusion agreement entered into under §513.315 or of any settlement of a debarment or suspension action; or

(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in §513.615 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

§ 513.310 Procedures.

Broadcasting Board of Governors shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§513.311 through 513.314.

§ 513.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 513.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under §513.305 for proposing debarment;

(d) Of the provisions of §513.311 through §513.314, and any other Broadcasting Board of Governors procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 513.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 513.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official’s decision shall be made after the conclusion of
Broadcasting Board of Governors

§ 513.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see 513.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§513.311 through 513.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

1. Newly discovered material evidence;
2. Reversal of the conviction or civil judgment upon which the debarment was based;
3. Bona fide change in ownership or management;
4. Elimination of other causes for which the debarment was imposed; or
5. Other reasons the debarring official deems appropriate.

§ 513.400  General.

(a) The suspending official may suspend a person for any of the causes in §§513.405 using procedures established in §§513.410 through 513.413.

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:

1. Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

2. Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

3. Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 513.400  General.

(a) The suspending official may suspend a person for any of the causes in §513.405 using procedures established in §§513.410 through 513.413.

(b) Suspension is a serious action to be imposed only when:

1. There exists adequate evidence of one or more of the causes set out in §513.405, and

2. Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the Board should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 513.405  Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§513.400 through 513.413 upon adequate evidence:

1. To suspect the commission of an offense listed in §513.305(a); or

2. That a cause for debarment under §513.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 513.410  Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. Broadening Board of Governors shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §513.411 through §513.413.

§ 513.411  Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously
§ 513.415 Suspending official’s decision.

The suspending official may modify or terminate the suspension (for example, see §513.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 513.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion
§ 513.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see §513.325), except that the procedures of §§513.410 through 513.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Board and Participants

§ 513.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

§ 513.505 Broadcasting Board of Governors responsibilities.

(a) The Board shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the Board shall also provide GSA and OMB with information concerning all transactions in which Broadcasting Board of Governors has granted exceptions under §513.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the Board shall advise GSA of the information set forth in §513.500(b) and of the exceptions granted under §513.215 within five working days after taking such actions.

(c) The Board shall direct inquiries concerning listed persons to the agency that took the action.

(d) Board officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).

(e) Board officials shall check the Nonprocurement List before approving principals or lower tier participants where Board approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 513.510 Participants’ responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In
addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #).

(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to Broadcasting Board of Governors if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same update notice to the participant to which it submitted its proposals.

A determination of such inconsistency may be made only by the Board head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 513.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

§ 513.625 Exception provision.

The Board head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the Board head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 513.630 Certification requirements and procedures.

(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor’s office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but
§ 513.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee's position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted:

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or Board entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” provided by the department or Board entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or Board may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, or voluntarily excluded by any Federal department or Board;

(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

APPENDIX A TO PART 518—CONTRACT PROVISIONS

SOURCE: 59 FR 39440, Aug. 3, 1994, unless otherwise noted.

Subpart A—General

§ 518.1 Purpose.

This part establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Federal awarding agencies shall not impose additional or inconsistent requirements, except as provided in §§518.4 and 518.14 or unless specifically
required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

§ 518.2 Definitions.

(a) **Accrued expenditures** means the charges incurred by the recipient during a given period requiring the provision of funds for:
   (1) Goods and other tangible property received;
   (2) Services performed by employees, contractors, subrecipients, and other payees; and,
   (3) Other amounts becoming owed under programs for which no current services or performance is required.

(b) **Accrued income** means the sum of:
   (1) Earnings during a given period from:
      (i) Services performed by the recipient, and
      (ii) Goods and other tangible property delivered to purchasers; and
   (2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) **Acquisition cost of equipment** means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient’s regular accounting practices.

(d) **Advance** means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) **Award** means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) **Cash contributions** means the recipient’s cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) **Closeout** means the process by which a Federal awarding agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

(h) **Contract** means a procurement contract under an award or subaward, and a procurement subcontract under a recipient’s or subrecipient’s contract.

(i) **Cost sharing or matching** means that portion of project or program costs not borne by the Federal Government.

(j) **Date of completion** means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.

(k) **Disallowed costs** means those charges to an award that the Federal awarding agency determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

(l) **Equipment** means tangible non-expendable personal property including exempt property charged directly to the award having a useful life or more than one year and an acquisition cost of $5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

(m) **Excess property** means property under the control of any Federal awarding agency that, as determined by the head thereof, is no longer required for its needs or the discharge of its responsibilities.

(n) **Exempt property** means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient...
without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution or higher education or non-profit organization whose principal purpose is conducting scientific research.

(o) Federal awarding agency means the Federal agency that provides an award to the recipient.

(p) Federal funds authorized means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

(q) Federal share of real property, equipment, or supplies means that percentage of the property’s acquisition costs and any improvement expenditures paid with Federal funds.

(r) Funding period means the period of time when Federal funding is available for obligation by the recipient.

(s) Intangible property and debt instruments means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

(t) Obligations means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

(u) Outlays or expenditures means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(v) Personal property means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(w) Prior approval means written approval by an authorized official evidencing prior consent.

(x) Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in §§518.24(e) and(h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

(z) Project period means the period established in the award document during which Federal sponsorship begins and ends.

(aa) Property means, unless otherwise stated, real property, equipment, intangible property and debt instruments.
(bb) **Real property** means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

(cc) **Recipient** means an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers.

(dd) **Research and development** means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(ee) **Small awards** means a grant or cooperative agreement not exceeding the small purchase threshold fixed at 41 U.S.C. 403(11) (currently $25,000).

(ff) **Subaward** means an award of financial assistance in the form of money, or property in lieu of money, made under an award to a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of “award” in paragraph (e) of this section.

(gg) **Subrecipient** means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

(hh) **Supplies** means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement (“subject inventions”), as defined in 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements.”

(jj) **Suspension** means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.’s 12549 and 12689, “Debarment and Suspension.”

(kk) **Termination** means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

(ll) **Third party in-kind contributions** means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting
and specifically identifiable to the project or program.

(i) Unliquidated obligations, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

(mm) Unobligated balance means the portion of the funds authorized by the Federal awarding agency that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

(nn) Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient’s approved negotiated indirect cost rate.

(oo) Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 518.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 518.4.

§ 518.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

§ 518.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” published at 53 FR 9034 (3/11/88).

Subpart B—Pre-Award Requirements

§ 518.10 Purpose.

Sections 518.11 through 518.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.

§ 518.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301–08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

Under the Act, any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with section...
§ 518.17 Certification and representations.

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 518.20 Purpose of financial and program management.

Sections 518.21 through 518.28 prescribe standards for financial management systems, methods for making payments and rules for satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 518.21 Standards for financial management systems.

(a) Federal awarding agencies shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients’ financial management systems shall provide for the following.

1. Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in §19.52. If a Federal awarding agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

2. Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

3. Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

4. Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

5. Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101–453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, “Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs.”

6. Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

7. Accounting records including cost accounting records that are supported by source documentation.
(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government’s interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, “Surety Companies Doing Business with the United States.”

§ 518.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b)(1) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(i) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(ii) Financial management systems that meet the standards for fund control and accountability as established in section §518.31.

(2) Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF–270, “Request for Advance or Reimbursement,” or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special Federal awarding agency instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. Federal awarding agencies may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding
§ 518.22

agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee’s disbursing cycle. Thereafter, the Federal awarding agency shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient’s actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper charges made by recipients at any time during the project period unless the conditions in paragraphs (h)(1) or (2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, “Managing Federal Credit Programs.” Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows:

(1) Except for situations described in paragraph (i)(2) of this section, Federal awarding agencies shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless the conditions in paragraphs (k)(1), (2) or (3) of this section apply.

(1) The recipient receives less than $120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of $250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, P.O. Box 6021, Rockville, MD 20852. Interest amounts up to $250 per year may be retained by the recipient for administrative expense. In keeping with Electric Funds Transfer rules, (31 CFR part 206), interest should be remitted to the HHS Payment Management System through an electric medium such as the FEDWIRE Deposit system. Recipients which do not have this capability should use a check. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this part, only the following forms shall be

§ 518.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient’s cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient’s records.
(2) Are not included as contributions for any other federally-assisted project or program.
(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.
(4) Are allowable under the applicable cost principles.
(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.
(6) Are provided for in the approved budget when required by the Federal awarding agency.
(7) Conform to other provisions of this part, as applicable.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If a Federal awarding agency authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraph (c)(1) or (2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient’s accounting records at the time of donation.
(2) The current fair market value. However, when there is sufficient justification, the Federal awarding agency may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient’s organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee’s regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not be included as part of cost sharing or matching only with the prior approval of the Federal awarding agency.
§ 518.24 Program income.

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following.

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that the Federal awarding agency does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) of this section shall apply automatically unless the awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in §518.14.

(e) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to
the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by Federal awarding agency regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§518.30 through 518.37).

(h) Unless Federal awarding agency regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 518.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons.

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-related and administrative prior written approvals required by this part and OMB Circulars A–21 and A–122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient’s risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any reason the recipient does not receive an award.
or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency’s regulations, the prior approval requirements described in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whether the conditions in paragraphs (h) (1), (2) or (3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs to which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in § 518.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When a Federal awarding agency makes an award that provides support for both construction and nonconstruction work, the Federal awarding agency may require the recipient to request prior approval from the Federal awarding agency before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, Federal awarding agencies shall require recipients to notify the Federal awarding agency in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than $5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Federal awarding agency indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, Federal awarding agencies shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Federal awarding agency shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 518.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or
other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A–133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipients as incorporated into the award document.

§ 518.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A–87, “Cost Principles for State and Local Governments.” The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A–122, “Cost Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A–21, “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.” The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A–122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 518.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

Property Standards

§ 518.30 Purpose of property standards.

(a) Sections 518.31 through 518.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 518.31 through 518.37.

§ 518.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 518.32 Real property.

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following.

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and
shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agencies.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from the Federal awarding agency or its successor Federal awarding agency. The Federal awarding agency shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Federal awarding agency and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 518.33 Federally-owned and exempt property.

(a) Federally-owned property. (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(f))) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals.”) Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is “exempt property.” Should a Federal awarding agency not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 518.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long
Broadcasting Board of Governors § 518.34

as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order or priority:

(1) Activities sponsored by the Federal awarding agency which funded the original project, then

(2) Activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Federal awarding agency.

(f) The recipient’s property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer’s serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the
extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of $5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency’s requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient’s request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient’s request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share $500 or ten percent of the proceeds, whichever is less, for the recipient’s selling and handling expenses.

(ii) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient’s participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(iii) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Federal awarding agency for such costs incurred in its disposition.

(iv) The Federal awarding agency may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than

§518.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding $5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either cases, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than
private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 518.36 Intangible property.
(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Federal awarding agency(ies) reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.
(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."
(c) Unless waived by the Federal awarding agency, the Federal Government has the right to the following:
(1) Obtain, reproduce, publish or otherwise use the data first produced under an award.
(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.
(d) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of paragraph § 19.34(g).

§ 518.37 Property trust relationship.
Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 518.40 Purpose of procurement standards.
Sections 518.41 through 518.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 518.41 Recipient responsibilities.
The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 518.42 Codes of conduct.
The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent,
§ 518.43

any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 518.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient’s interest to do so.

§ 518.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that the conditions in paragraphs (a)(1), (2) and (3) of this section apply. (1) Recipients avoid purchasing unnecessary items. (2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government. (3) Solicitations for goods and services provide for all of the following: (i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition. (ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals. (iii) A description, whenever practicable, of technical requirements in terms or functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards. (iv) The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation. (v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement. (vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipient to utilize small businesses, minority-owned firms, and women’s business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal. (1) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable. (2) Make information on forthcoming opportunities available and arrange timeframes for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises. (3) Consider in the contract process whether firms competing for larger
contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(3) Encourage contracting with consortiums of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(4) Use of services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms, and women’s business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The “cost-plus-a-percentage-of-cost” or “percentage of construction cost” methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by the implementation of E.O.'s 12549 and 12689, “Debarment and Suspension.”

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient’s procurement procedures or operation fails to comply with the procurement standards in this part.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently $25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 518.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 518.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection.

(b) Justification for lack of competition when competitive bids or offers are not obtained, and

(c) Basis for award cost or price.

§ 518.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions, and specifications of the contract.

§ 518.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and
complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractural provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, the Federal awarding agency may accept the bonding policy and requirements of the recipient, provided the Federal awarding agency has made a determination that the Federal Government’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

1. A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

2. A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

3. A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

4. Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable.

REPORTS AND RECORDS

§ 518.50 Purpose of reports and records.

Sections 518.51 through 518.53 set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 518.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in § 518.26.
(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in §518.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.

1. A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

2. Reasons why established goals were not met, if appropriate.

3. Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Federal awarding agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) Federal awarding agencies may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 518.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(ii) Each Federal awarding agency shall require recipients to use the SF–269 or SF–269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF–269 or SF–269A when the SF–270, Request for Advance or Reimbursement, or SF–272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF–269 or SF–269A shall be required at the completion of the project when the SF–270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient’s accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF–269 or SF–269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semiannual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF–272 and, when necessary, its continuation sheet, SF–272a. The Federal awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the “Remarks” section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF–272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling $1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF–272 for any one of the following reasons:

(A) When monthly advances do not exceed $25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency’s opinion, the recipient’s accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the “Remarks” section of the reports.

(2) When a Federal awarding agency determines that a recipient’s accounting system does not meet the standards in §518.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Federal awarding agency, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(c) Federal awarding agencies are encouraged to shade out any line item on any report if not necessary.

(4) Federal awarding agencies may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) Federal awarding agencies may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§ 518.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

158
(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph § 518.53(g).

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

§518.61 Termination.

(a) Awards may be terminated in whole or in part only if the conditions in paragraphs (a)(1), (2) or (3) of this section apply.

(1) By the Federal awarding agency, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By the Federal awarding agency with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient upon sending to the Federal awarding agency written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated.
However, if the Federal awarding agency determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1) or (2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in §518.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§518.62 Enforcement.

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in §518.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Without further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if the conditions in paragraphs (c) (1) or (2) of this section apply.

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the Federal awarding agency implementing regulations (see §518.13).

Subpart D—After-the-Award Requirements

§518.70 Purpose.

Sections 518.71 through 518.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§518.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.

(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.
§ 518.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.

(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in §518.26.

(4) Property management requirements in §§518.31 through 518.37.

(5) Records retention as required in §518.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in §518.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 518.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by the provisions of paragraphs (a) (1), (2) or (3) of this section.

(1) Making an administrative offset against other requests for reimbursements.

(2) Withholding advance payments otherwise due to the recipient.

(3) Taking over action permitted by statute.

(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR chapter II, “Federal Claims Collection Standards.”

APPENDIX A TO PART 518—CONTRACT PROVISIONS

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

2. Copeland “Anti-Kickback” Act (18 U.S.C. 874 and 40 U.S.C. 276c)—All contracts and subcontracts in excess of $2,000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, “Contractors and Subcontractors on Public Buildings or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise
entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

3. Davis-Bacon Act, as amended (40 U.S.C. 327a et seq.) by Federal program legislation, all construction contracts awarded by the recipients and subrecipient of more than $2,500 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a–7) and as supplemented by Department of Labor regulations (29 CFR part 5, ‘“Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction”). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

4. Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333)—Where applicable, all construction contracts awarded by recipients in excess of $2,000 for construction contracts and in excess of $2,500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in unsanitary, hazardous or dangerous conditions that are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under a Contract or Agreement—Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the right of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, ‘“Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

6. Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended—Contracts and subgrants of amounts in excess of $100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

8. Debarment and Suspension (E.O.s 12549 and 12689)—No contract shall be made to parties listed on the General Services Administration’s List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, “Debarment and Suspension” and 49 CFR part 29. This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) Reasonable compensation means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) Reasonable payment means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) Recipient includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.
(p) Regularly employed means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) State means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 519.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(2) A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,

(4) A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification
or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 519.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 519.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal.
by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 519.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 519.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §519.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §519.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, ‘professional and technical services’ shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of
his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 519.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 519.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 519.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 519.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.
(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 519.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 519.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Use the SF-LLL-A Continuation Sheet for additional information if space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Include prefixes, e.g., "RFP:DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(2) Each written representation, certification, or affirmation constitutes a separate statement.

(3) A statement shall be considered made to the Broadcasting Board of Governors when such statement is actually made to an agent, fiscal intermediary, or other entity, including any State or political subdivision thereof, acting for or on behalf of the Broadcasting Board of Governors.

(c) No proof of specific intent to defraud is required to establish liability under this section.

(d) In any case in which it is determined that more than one person is liable for making a claim or statement under this section, each such person may be held liable for a civil penalty under this section.

(1) The subpoena so issued shall notify the person to whom it is addressed of the authority under which the subpoena is issued, and shall identify the records or documents sought;

(2) The investigating official may designate a person to act on his or her behalf to receive the documents sought; and

(3) The person receiving such subpoena shall be required to tender to the investigating official or the person designated to receive the documents a certification that the documents sought have been produced, or that such documents are not available and the reasons therefore, or that such documents, suitably identified, have been withheld based upon the assertion of an identified privilege.

(b) If the investigating official concludes that an action under the Program Fraud Civil Remedies Act may be warranted, the investigating official shall submit a report containing the findings and conclusions of such investigation to the reviewing official.

(c) Nothing in this section shall preclude or limit an investigating official’s discretion to refer allegations directly to the Department of Justice for
suit under the False Claims Act or other civil relief, or to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the Attorney General.

§ 521.5 Review by the reviewing official.

(a) If, based on the report of the investigating official under § 521.4(b), the reviewing official determines that there is adequate evidence to believe that a person is liable under § 521.3 of this part, the reviewing official shall transmit to the Attorney General a written notice of the reviewing official’s intention to issue a complaint under § 521.7.

(b) Such notice shall include—

(1) A statement of the reviewing official’s reasons for issuing a complaint;

(2) A statement specifying the evidence that supports the allegations of liability;

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

§ 521.6 Prerequisites for issuing a complaint.

(a) The reviewing official may issue a complaint under § 521.7 only if:

(1) The Department of Justice approves the issuance of a complaint in a written statement described in 31 U.S.C. 3803(b)(1); and

(2) In the case of allegations of liability under § 521.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money or the value of property or services demanded or requested in violation of § 521.3(a) does not exceed $150,000.

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official’s authority to join in a single complaint against a person’s claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 521.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in § 521.8.

(b) The complaint shall state:

(1) Allegations of liability against the defendant including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons why liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant’s right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and assessment without right to appeal, as provided in § 521.10.

(c) At the same time the reviewing official serves the complaint, he or she shall serve the defendant with a copy of these regulations.
§ 521.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by:

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt; or

(3) Written acknowledgment of receipt by the defendant or the defendant’s representative.

(4) In case of service abroad authenticated in accordance with the Convention on the Service Abroad of Judicial and Extra Judicial Documents in Civil or Commercial Matters.

§ 521.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for a hearing.

(b) In the answer, the defendant:

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address, and telephone number of the person authorized by the defendant to act as defendant’s representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in §521.11. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 521.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in §521.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in §521.8, a notice that an initial decision will be issued under this section.

(c) If the defendant fails to answer, the ALJ shall assume the facts alleged in the complaint to be true, and, if such facts establish liability under §521.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ’s decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §521.38.
Broadcasting Board of Governors § 521.15

(h) The defendant may appeal to the Director the decision denying a motion to reopen by filing a notice of appeal with the Director within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the Director decides the issue.

(i) If the defendant files a timely notice of appeal with the Director, the ALJ shall forward the record of the proceeding to the Director.

(j) The Director shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the Director decides that extraordinary circumstances excused the defendant’s failure to file a timely answer, the Director shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the Director decides that the defendant’s failure to file a timely answer is not excused, the Director shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the Director issues such decision.

§ 521.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 521.12 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant in the manner prescribed by § 521.8. At the same time, the ALJ shall send a copy of such notice to the representative for the Government.

(b) Such notice shall include:

(b) The ALJ shall not be responsible to, or subject to, the supervision or direction of the investigating official or the reviewing official.

(c) Except as provided in paragraph (a) of this section, the representative for the Government may be employed anywhere in the Broadcasting Board of Governors, including in the offices of either the investigating official or the reviewing official.

§ 521.15 Ex Parte contacts.

No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.
§ 521.16 Disqualification of reviewing official or ALJ.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party’s discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party’s belief that personal bias or other reason for disqualification exists and the time and circumstances of the party’s discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that the reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the Director may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

(a) Upon written request to the reviewing official, the defendant may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under §521.4(b) are based, unless such documents are subject to a privilege under Federal law. Upon payment of fees for duplication, the defendant may obtain copies of such documents.
(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.
(c) The notice sent to the Attorney General from the reviewing official as described in §521.5 is not discoverable under any circumstances.
(d) The defendant may file a motion to compel disclosure of the document subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to §521.9.

(1) Requests for production of documents for inspection and copying;
(2) Requests for admissions of the authenticity of any relevant document or the truth of any relevant fact;

(d) Motions for discovery. (1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.
(2) Within ten days of service a party may file an opposition to the motion and/or a motion for protective order as provided §521.24.
(3) The ALJ may grant a motion for discovery only if the ALJ finds that the discovery sought:
(1) Is necessary for the expeditious, fair, and reasonable consideration of the issues;
(ii) Is not unduly costly or burdensome;
(iii) Will not unduly delay the proceeding; and
(iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under §521.24.

(e) Deposition. (1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena shall specify the time and place at which the deposition will be held.

At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above, unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§521.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

Broadcasting Board of Governors § 521.27

from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(6) That the contents of discovery or evidence be sealed;
(7) That a deposition after being sealed be opened only by order of the ALJ;

§ 521.25 Fees.

The party requesting a subpoena shall pay the cost of the fee and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in the United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the Broadcasting Board of Governors, a check for witness fees and mileage need not accompany the subpoena.

§ 521.26 Form, filing and service of papers.

(a) Form. (1) Documents filed with the ALJ shall include an original and two copies.
(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena), and shall be in English or accompanied by an English translation.
(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of, the party or the person on whose behalf the paper was filed, or his or her representative.
(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in § 521.8, shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid, and addressed to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 521.27 Computation of time.

(a) In computing any period of time under this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional five days will be added to the time permitted for any response.
§ 521.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 521.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 521.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 521.3, and if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The Broadcasting Board of Governors shall prove defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 521.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the Director, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that
may influence the ALJ and the Director in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

1. The number of false, fictitious, or fraudulent claims or statements;
2. The time period over which such claims or statements were made;
3. The degree of the defendant’s culpability with respect to the misconduct;
4. The amount of money or the value of the property, services, or benefit falsely claimed;
5. The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
6. The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

(c) Responses to such motions shall be allowed only upon request of the ALJ.
(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.
(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.
(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the Director and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the Director in accordance with § 521.39.
(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the Director and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the Director in accordance with § 521.39.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.
(4) The Director may extend the initial 30-day period for an additional 30 days if the defendant files with the Director a request for an extension within the initial 30-day period and shows good cause.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §521.42 or §521.43, or any amount agreed upon in a compromise or settlement under §521.46, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under the subsection against a refund of an overpayment of Federal taxes, then or later owing by the United States to the defendant.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§§ 530.131–530.139

arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The Board may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Board; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The Board, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The Board may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the Board establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the Board are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The Board shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 530.131–530.139 [Reserved]

§ 530.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Board. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 530.141–530.148 [Reserved]

§ 530.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §530.150, no qualified handicapped person shall, because the Board’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Board.

§ 530.150 Program accessibility: Existing facilities.

(a) General. The Board shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the Board to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the Board to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the Board to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Board personnel believe that the proposed action would fundamentally alter the program or activity or would
result in undue financial and administrative burdens, the Board has the burden of proving that compliance with §530.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Board head or his or her designee after considering all Board resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the Board shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The Board may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The Board is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The Board, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the Board shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §530.150(a) in historic preservation programs, the Board shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of §530.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The Board shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Board shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The Board shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the Board’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.
§ 530.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Board shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 530.152–530.159 [Reserved]

§ 530.160 Communications.

(a) The Board shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The Board shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Board.

(i) In determining what type of auxiliary aid is necessary, the Board shall give primary consideration to the requests of the handicapped person.

(ii) The Board need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the Board communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

(b) The Board shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Board shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the Board to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Board personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Board has the burden of proving that compliance with §530.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Board head or his or her designee after considering all Board resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Board shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 530.161–530.169 [Reserved]

§ 530.170 Compliance procedures.

(f) The Board shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Board shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found; and
(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Board of the letter required by §530.170(g). The Board may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the Board.

(j) The head of the Board shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the Board determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The Board may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.
