§ 1275.4 Compliance criteria.

(a) To avoid the transfer of funds as specified in §1275.6 of this part, a State must enact and enforce a law that establishes, as a minimum penalty, that all repeat intoxicated drivers shall:

(1) Receive a driver's license suspension of not less than one year;

(2) Be subject to either—

(b) *Exceptions.* (1) A State may provide limited exceptions to the impoundment or immobilization requirements contained in paragraphs (a)(2)(i) and (a)(2)(ii) of this section on an individual basis, to avoid undue hardship to any individual who is completely dependent on the motor vehicle for the necessities of life, including any family

member of the convicted individual, and any co-owner of the motor vehicle, but not including the offender.

(2) A State may provide limited exceptions to the requirement to install an ignition interlock system on each of the offender's motor vehicles, contained in paragraph (a)(2)(iii) of this section, on an individual basis, to avoid undue financial hardship, provided the State law requires that the offender may not operate a motor vehicle without an ignition interlock system.

(3) Such exceptions may be issued only in accordance with a State law, regulation or binding policy directive establishing the conditions under which vehicles may be released by the State or under Statewide published guidelines and in exceptional circumstances specific to the offender's motor vehicle, and may not result in the unrestricted use of the vehicle by the repeat intoxicated driver.
