

§ 115.301

§ 115.301 Agency eligibility criteria; Funding availability.

An agency with certification or interim certification under subpart B of this part, and which has entered into a MOU or interim agreement, is eligible to participate in the FHAP. All FHAP funding is subject to congressional appropriation.

§ 115.302 Capacity building funds.

(a) Capacity building (CB) funds are funds that HUD may provide to an agency with interim certification.

(b) CB funds will be provided in a fixed annual amount to be utilized for the eligible activities established pursuant to § 115.303. When the fixed annual amount will not adequately compensate an agency in its first year of participation in the FHAP due to the large number of fair housing complaints that the agency reasonably anticipates processing, HUD may provide the agency with additional funds.

(c) HUD may provide CB funds during an agency's first three years of participation in the FHAP. However, in the second and third year of the agency's participation in the FHAP, HUD has the option to permit the agency to receive contribution funds under § 115.304, instead of CB funds.

(d) In order to receive CB funding, agencies must submit a statement of work prior to the signing of the cooperative agreement. The statement of work must identify:

(1) The objectives and activities to be carried out with the CB funds received;

(2) A plan for training all of the agency's employees involved in the administration of the agency's fair housing law;

(3) A statement of the agency's intention to participate in HUD-sponsored training in accordance with the training requirements set out in the cooperative agreement;

(4) A description of the agency's complaint processing data and information system, or, alternatively, whether the agency plans to use CB funds to purchase and install a data system;

(5) A description of any other fair housing activities that the agency will undertake with its CB funds. All such activities must address matters affecting fair housing enforcement that are

24 CFR Subtitle B, Ch. I (4-1-12 Edition)

cognizable under the Fair Housing Act. Any activities that do not address the implementation of the agency's fair housing law, and that are therefore not cognizable under the Fair Housing Act, will be disapproved.

§ 115.303 Eligible activities for capacity building funds.

The primary purposes of capacity-building funding are to provide for complaint activities and to support activities that produce increased awareness of fair housing rights and remedies. All such activities must support the agency's administration and enforcement of its fair housing law and address matters affecting fair housing that are cognizable under the Fair Housing Act.

§ 115.304 Agencies eligible for contributions funds.

(a) An agency that has received CB funds for one to three consecutive years may be eligible for contributions funding. Contributions funding consists of five categories:

(1) Complaint processing (CP) funds;

(2) Special enforcement effort (SEE) funds (see § 115.305);

(3) Training funds (see § 115.306);

(4) Administrative cost (AC) funds; and

(5) Partnership (P) funds.

(b) *CP funds.* (1) Agencies receiving CP funds will receive such support based solely on the number of complaints processed by the agency and accepted for payment by the FHEO regional director during a consecutive, specifically identified, 12-month period. The 12-month period will be identified in the cooperative agreement between HUD and the agency. The FHEO regional office shall determine whether or not cases are acceptably processed based on requirements enumerated in the cooperative agreement and its attachments/appendices, performance standards set forth in 24 CFR 115.206, and provisions of the interim agreement or MOU.

(2) The amount of funding to agencies that are new to contributions funding will be based on the number of complaints acceptably processed by the
